Glory Honor:

Glory, Honor, and Power ,1951-12-12 **About Face** Christopher L. Flanders,2011-03-07 For Thais face is a fact writes Flanders However whether in theology evangelism or issues involving sin salvation or atonement Thai Christians and missionaries alike seem either uninterested in or possibly incapable of addressing issues related to face This glaring incongruity between the value of face for Thais and the lack of intentional engagement within the Thai Christian community is deeply troubling Surely such a lack of careful attention to face is a dangerous posture Uncritical views of face furtively attaching to the theology of the Thai church are potentially detrimental for its life and mission Such seems to be an unavoidable situation without proper attention to face Additionally to ignore face is to run the risk of missing valuable cultural resources implicit in the Thai experience of face for the critical task of authentic Thai theological reflection This lack of engagement with face raises critical issues with which we must wrestle How is it that such a central sociocultural issue has not been a more significant part of the Thai Christian vocabulary or experience How pervasive are these negative attitudes regarding face What lies behind them Might this lack of self conscious engagement with face have any relationship to the persistent Thai perception of Christianity as a foreign Western religion How should Christians understand this notion of face and how it relates to the ways we understand and proclaim the gospel **New Life** Dale L. Brand,1992 **Romans** Gerald L. Bray,Thomas C. Oden,2014-02-19 Collecting the best patristic homily and commentary on Romans and including valuable material translated into English for the first time editor Gerald Bray shows why this epistle of Paul has long been considered the theological high water mark of the New Testament **For Liberty and the Republic** Ricardo A. Herrera,2017-12-05 In the early decades of the American Republic American soldiers demonstrated and defined their beliefs about the nature of American republicanism and how they as citizens and soldiers were participants in the republican experiment through their service In *For Liberty and the Republic* Ricardo A Herrera examines the relationship between soldier and citizen from the War of Independence through the first year of the Civil War The work analyzes an idealized republican ideology as a component of soldiering in both peace and war Herrera argues that American soldiers belief system the military ethos of republicanism drew from the larger body of American political thought This ethos illustrated and informed soldiers faith in an inseparable connection between bearing arms on behalf of the republic and earning and holding citizenship in it Despite the undeniable existence of customs organizations and behaviors that were uniquely military the officers and enlisted men of the regular army states militias and wartime volunteers were the products of their society and they imparted what they understood as important elements of American thought into their service Drawing from military and personal correspondence journals orderly books militia constitutions and other documents in over forty archives in twenty three states Herrera maps five broad interrelated and mutually reinforcing threads of thought constituting soldiers beliefs Virtue Legitimacy Self governance Glory Honor and Fame and the National Mission Spanning periods of war and peace these

five themes constituted a coherent and long lived body of ideas that informed American soldiers sense of identity for generations

The Divine Heartset Crispin Fletcher-Louis, 2023-11-21 The fruit of a decade s research this volume offers a new interpretation of the dense Christological narrative in Philippians 2 6 11 taking inspiration from recent advances in our understanding of the letter s Greek and Roman setting and from insights made possible by recently created linguistic databases such as TLG and PHI The passage s praise of Christ engages the language of Hellenistic ruler cults Platonic metaphysics and moral philosophy popular Homeric beliefs about the gods and Greek love eros to articulate a scripturally grounded theology in which God is revealed to be one in two persons God the Father and LORD Jesus Christ The volume also explores hitherto unseen ways in which the central Christ Hymn is tightly connected to the rest of Paul s argument The hymn presents Christ as an epitome of the ideals of Greek and Roman virtue to support Paul s summoning his readers to a life of praiseworthy and exemplary civic conduct in 1 27 New or recently proposed translations are advanced for numerous words and phrases in e g 1 8 11 27 2 3 4 6 11 3 2 4 and a new non Stendahl approach to Paul s boasting in 3 4 6 that is Christological rather than biographical is put forward

The Power of God Jonathan Edwards, David S Lovi, Benjamin Westerhoff, 2013-10-01 Paul s epistle to the Romans is one of the most beloved writings in the entire biblical canon especially for Augustinians and Protestants It is the subject of thousands of commentaries many by the most important doctors of the church Augustine Aquinas Luther Calvin Hodge and Barth to name a few It offers the doctrines of sin the gospel and salvation in a nutshell It is the basis for the structure of the first Protestant textbook in what later came to be categorized as systematic theology Philip Melanchthon s Loci Communes 1521 It is a frequently cited sourcebook of the Reformation solas which teach that salvation comes by grace alone through faith alone because of the work of God through Christ alone It is the site of the Romans road a standard tool for sharing the gospel used by myriad evangelists in the evangelical movement It is a central text of scripture in short employed by many readers as a key to the whole Bible Jonathan Edwards never published a major commentary on Romans He did however preach about and write about Romans at numerous times throughout his life Though he is highly regarded today as a great literary artist natural scientist philosopher and psychologist of religion he was chiefly a biblical thinker a minister of the Word And inasmuch as he remains one of the most important thought leaders in all of Christian history this new work bringing together a major collection of his writings on the biblical book of Romans will be a welcome one for many

prosperity to the empire But Mark's good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel

The Epistle of Jesus to the Church James D. Quiggle, 2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church

Church of the Missing Five Craig Lindsay

Ervin,2021-07-26 When the people of God returned from exile they built a Second Temple But many of the priests and Levites and heads of father s houses old men who had seen the first house wept with a loud voice when they saw the foundation of this house being laid though many shouted aloud for joy Ezra 3 12 The Second Temple existed from around 516 BC to AD 70 and served as the temple for Jesus and Paul But the Second Temple was missing five things the ark of the covenant the glory divine fire the Urim and Thummim and the prophetic voice Many people of God are weeping today because they experience a church empty of presence and glory There is something missing We have lost the glory of His presence We no longer carry discernment or speak the prophetic word to the nations Could the church today be missing the same things as the Second Temple The church as the final temple of God should be the place of His presence and fullness of the Spirit We should be the fiery voice of discernment and truth The church must recover what is missing We can restore what is missing or we can become the Church of the Missing Five
