# Glory-Hunter

A Life of General Custer

Introduction by Paul Andrew Hutton

# Glory Hunter A Life Of General Custer

**Jeffry D. Wert**

## **Glory Hunter A Life Of General Custer:**

Glory-Hunter Frederic F. Van De Water,1988 All his life he rode after Glory writers Frederic F Van de Water of George Armstrong Custer Ironically he found it at the Battle of the Little Big Horn In his introduction to this edition Paul Andrew Hutton considers the importance of Glory Hunter which appeared in 1934 as the first biography to depict Custer in unheroic terms **Glory-Hunter. A Life of General Custer, Etc. [With Portraits and Maps.]** Frederic Franklyn VAN DE WATER,George Armstrong Custer,1934 **Glory Hunter** Fredrick Van Dewater,1934 Glory-Hunter Frederick F. Van De Water,1988-05-01 All his life he rode after Glory writers Frederic F Van de Water of George Armstrong Custer Ironically he found it at the Battle of the Little Big Horn In his introduction to this edition Paul Andrew Hutton considers the importance of Glory Hunter which appeared in 1934 as the first biography to depict Custer in unheroic terms Custer, the Seventh Cavalry, and the Little Big Horn Mike O'Keefe,2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer's experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Percés in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts **Elizabeth Bacon Custer and the Making of a Myth** ,1998-09-01 Georger Armstrong Custer's death in 1876 at the Battle of the Little Big Horn left Elizabeth Bacon Custer a thirty four year old widow who was deeply in debt By the time she died fifty seven years later she had achieved economic security recognition as an author and lecturer and the respect of numerous public figures She had built the Custer legend an idealized image of her husband as a brilliant military commander and a family man without personal failings In Elizabeth Bacon Custer and the Making of a Myth Shirley A Leckie explores the life of Libbie a frontier army wife who willingly adhered to the social and religious restrictions of her day yet used her authority as model wife and widow to influence events and ideology far beyond the private sphere **Custer and the Little Big Horn** Charles K. Hofling,1989-10 In this book Hofling turns his attention to the psychological context in which Custer operated in order to understand the decisions which produced his final disaster Few American battles have been the object of as much discussion

and popular fascination as the Battle of the Little Big Horn Yet after more than a century a great number of questions remain unanswered Many are destined to remain so No white man survived to tell the tale Indian accounts are inconsistent and contemporary reports are distorted by political considerations Charles K Hofling however provides fresh insight to the events of June 1876 by exploring them from a unique perspective Concluding that discussions of military tactics and strategy are not sufficient in themselves to explain Little Big Horn Hofling turns his attention to the psychological context in which Custer operated in order to understand the decisions which produced his final disaster Examining Custer s personal and military life Hofling isolates those episodes of psychological significance which suggest personality traits which would account for Custer s behavior before and during the battle *Inventing Custer* Edward Caudill,Paul Ashdown,2015-09-03 Custer s Last Stand remains one of the most iconic events in American history and culture Had Custer prevailed at the Little Bighorn the victory would have been noteworthy at the moment worthy of a few newspaper headlines In defeat however tactically inconsequential in the larger conflict Custer became legend In *Inventing Custer The Making of an American Legend* Edward Caudill and Paul Ashdown bridge the gap between the Custer who lived and the one we ve immortalized and mythologized into legend While too many books about Custer treat the Civil War period only as a prelude to the Little Bighorn Caudill and Ashdown present him as a product of the Civil War Reconstruction Era and the Plains Indian Wars They explain how Custer became mythic shaped by the press and changing sentiments toward American Indians and show the many ways the myth has evolved and will continue to evolve as the United States continues to change Great White Fathers John Taliaferro,2007-10-09 Gutzon Borglum the sculptor of Mount Rushmore National Memorial hoped that ten thousand years from now when archaeologists came upon the four sixty foot presidential heads carved in the Black Hills of South Dakota they would have a clear and graphic understanding of American civilization Borglum the child of Mormon polygamists had an almost Ahab like obsession with Colossalism a scale that matched his ego and the era He learned how to be a celebrity from Auguste Rodin how to be a political bully from Teddy Roosevelt He ran with the Ku Klux Klan and mingled with the rich and famous from Wall Street to Washington Mount Rushmore was to be his crowning achievement the newest wonder of the world the greatest piece of public art since Phidias carved the Parthenon But like so many episodes in the saga of the American West what began as a personal dream had to be bailed out by the federal government a compromise that nearly drove Borglum mad Nor in the end could he control how his masterpiece would be received Nor its devastating impact on the Lakota Sioux and the remote Black Hills of South Dakota *Great White Fathers* is at once the biography of a man and the biography of a place told through travelogue interviews and investigation of the unusual records that one odd American visionary left behind It proves that the best American stories are not simple they are complex and contradictory at times humorous at other times tragic **Voice of the Old Wolf** Steven Ross Evans,2021-07-07 Lucullus V McWhorter met and befriended Yakama and Nez Perce warriors in 1903 forming deep relationships and accumulating facts stories and

perspectives that would otherwise have been irretrievably lost Adopted as an honorary member of the Yakama tribe and given the name Old Wolf he served as a stirring spokesman for non treaty bands and captured prominent Nez Perce voices in his classic Western histories *Yellow Wolf* 1940 and *Hear Me My Chiefs* 1952 Originally published in 1996 *Voice of the Old Wolf* is the only biography of Lucullus V McWhorter 1860 1944 Author Steven Ross Evans focused on the Yakima area rancher s unique roles as Nez Perce tribal historian and collector of traditional lore to help fill a significant gap in the chronology of Nez Perce history the post 1880s to the 1940s and assembled numerous excellent photographs many previously unpublished This edition includes a new foreword describing the vast McWhorter collection held by Washington State University *Great Warrior Leaders/thinkers* ,1989 **The Battle of the Greasy Grass/Little Bighorn** Debra Buchholtz,2013-10-28 In June of 1876 the U S government s plan to pressure the Lakota and Cheyenne people onto reservations came to a dramatic and violent end with a battle that would become enshrined in American memory In the eyes of many Americans at the time the Battle of Little Bighorn represented a symbolic struggle between the civilized and the savage Known as the Battle of the Greasy Grass to the Lakota the Battle of Little Bighorn to the people who suppressed them and as Custer s Last Stand in the annals of popular culture the event continues to captivate students of American history In *The Battle of Little Bighorn* Debra Buchholtz narrates the history of the battle and critically examines the legacy it has left Through government documents newspaper articles and eyewitness accounts Buchholtz situates the material and symbolic impact of the battle at the time Using popular film and cultural references she investigates the ways in which the wake of the event continues to shape the way students understand indigenous peoples the Wild West and the history of America

**Frontier Regulars** Robert Marshall Utley,1984-01-01 Details the U S Army s campaign in the years following the Civil War to contain the American Indian and promote Western expansion *A Companion to Custer and the Little Bighorn Campaign* Brad D. Lookingbill,2019-09-18 An accessible and authoritative overview of the scholarship that has shaped our understanding of one of the most iconic battles in the history of the American West Combines contributions from an array of respected scholars historians and battlefield scientists Outlines the political and cultural conditions that laid the foundation for the Centennial Campaign and examines how George Armstrong Custer became its figurehead Provides a detailed analysis of the battle maneuverings at Little Bighorn paying special attention to Indian testimony from the battlefield Concludes with a section examining how the Battle of Little Bighorn has been mythologized and its pervading influence on American culture

**General Custer, Libbie Custer and Their Dogs** Brian Patrick Duggan,2019-03-22 General George Armstrong Custer and his wife Libbie Custer were wholehearted dog lovers At the time of his death at Little Bighorn they owned a rollicking pack of 40 hunting dogs including Scottish Deerhounds Russian Wolfhounds Greyhounds and Foxhounds Told from a dog owner s perspective this biography covers their first dogs during the Civil War and in Texas hunting on the Kansas and Dakota frontiers entertaining tourist buffalo hunters including a Russian Archduke English aristocrats and P T Barnum all of

whom presented the general with hounds Custer's attack on the Washita village when he was accused of strangling his own dogs and the 7th Cavalry's march to Little Bighorn with an analysis of rumors about a Last Stand dog The Custers pack was rehomed after his death in the first national dog rescue effort Well illustrated the book includes an appendix giving depictions of the Custers dogs in art literature and film **Wielding Words like Weapons** Ward Churchill, 2017-04-15

Wielding Words like Weapons is a collection of acclaimed American Indian Movement activist intellectual Ward Churchill's essays in indigenism selected from material written during the decade 1995-2005 It includes a range of formats from sharply framed book reviews and equally pointed polemics and op eds to more formal essays designed to reach both scholarly and popular audiences The selection also represents the broad range of topics addressed in Churchill's scholarship including the fallacies of archeological and anthropological orthodoxy such as the insistence of cannibalologists that American Indians were traditionally man-eaters Hollywood's cinematic degradations of native people questions of American Indian identity the historical and ongoing genocide of North America's native peoples and the systematic distortion of the political and legal history of U S Indian relations Less typical of Churchill's oeuvre are the essays commemorating Cherokee anthropologist Robert K Thomas and Yankton Sioux legal scholar and theologian Vine Deloria Jr More unusual still is his profoundly personal effort to come to grips with the life and death of his late wife Leah Renae Kelly thereby illuminating in very human terms the grim and lasting effects of Canada's residential schools upon the country's indigenous peoples A foreword by Seneca historian Barbara Alice Mann describes the sustained efforts by police and intelligence agencies as well as university administrators and other academic adversaries to discredit or otherwise neutralize both the man and his work Also included are both the initial stream of consciousness version of Churchill's famous or notorious little Eichmann's opinion piece analyzing the causes of the attacks on 9/11 as well as the counterpart essay in which his argument was fully developed

*The Last Days of George Armstrong Custer* Thom Hatch, 2015-02-03 In this thrilling narrative history of George Armstrong Custer's death at the Little Bighorn award winning historian Thom Hatch puts to rest the questions and conspiracies that have made Custer's last stand one of the most misunderstood events in American history While numerous historians have investigated the battle what happened on those plains hundreds of miles from even a whisper of civilization has been obscured by intrigue and deception starting with the very first shots fired Custer's death and the defeat of the 7th Cavalry by the Sioux was a shock to a nation that had come to believe that its westward expansion was a matter of destiny While the first reports defended Custer many have come to judge him by this single event leveling claims of racism disobedience and incompetence These false claims unjustly color Custer's otherwise extraordinarily life and fall far short of encompassing his service to his country By reexamining the facts and putting Custer within the context of his time and his career as a soldier Hatch's *The Last Days of George Armstrong Custer* reveals the untold and controversial truth of what really happened in the valley of the Little Bighorn making it the definitive history of Custer's last stand This history of

charging cavalry desperate defenses and malicious intrigue finally sets the record straight for one of history's most dynamic and misunderstood figures

**Custer** Jeffrey D. Wert, 2015-05-26 George Armstrong Custer has been so heavily mythologized that the human being has been all but lost Now in the first complete biography in decades Jeffrey Wert reexamines the life of the famous soldier to give us Custer in all his colorful complexity Although remembered today as the loser at Little Big Horn Custer was the victor of many cavalry engagements in the Civil War He played an important role in several battles in the Virginia theater of the war including the Shenandoah campaign Renowned for his fearlessness in battle he was always in front of his troops leading the charge His men were fiercely loyal to him and he was highly regarded by Sheridan and Grant as well Some historians think he may have been the finest cavalry officer in the Union Army But when he was assigned to the Indian wars on the Plains life changed drastically for Custer No longer was he in command of soldiers bound together by a cause they believed in Discipline problems were rampant and Custer's response to them earned him a court martial There were long lulls in the fighting during which time Custer turned his attention elsewhere often to his wife Libbie Bacon Custer to whom he was devoted Their romance and marriage is a remarkable love story told here in part through their personal correspondence After Custer's death Libbie would remain faithful to his memory until her own death nearly six decades later Jeffrey Wert carefully examines the events around the defeat at Little Big Horn drawing on recent archeological findings and the latest scholarship His evenhanded account of the dramatic battle puts Custer's performance and that of his subordinates in proper perspective From beginning to end this masterful biography peels off the layers of legend to reveal for us the real George Armstrong Custer

[Intimate Strategies of the Civil War](#) Carol K. Bleser, Lesley J. Gordon, 2001-11 Illuminating a frequently neglected but extremely significant side of military history Intimate Strategies is a rare and fascinating look at a critical aspect of Civil War commanders' lives their marriages

**The Great Plains Guide to Custer** Jeff Barnes, 2012 Very comprehensive and authoritative Robert M. Utley author of Cavalier in Buckskin Jeff Barnes has really done his research Highly recommended James Donovan author of A Terrible Glory Guide to forts military posts battlefields and other sites that interpret George Armstrong Custer's decade of operations on the Great Plains Locations in Louisiana Texas Oklahoma Kansas Nebraska Colorado Wyoming South Dakota North Dakota and Montana Extended section on Little Bighorn Each entry includes directions amenities contact information and recommended reading

Glory Hunter A Life Of General Custer: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Glory Hunter A Life Of General Custer : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
