## **Glory Land A Memoir Of A Lifetime In Church:**

**Glory Land** Lyn Cryderman, 1999 A little boy sang in Sunday school I've got a home in glory land that outshines the sun The boy grew up to be a father a husband and a busy man with a career Do the echoes of that Sunday school song still reverberate in his life Do they still have meaning now that he's an adult Meet Lyn Cryderman And go back in time with him to that long ago Sunday when millions of children were being taught Jesus loves me this I know This warm funny and encouraging memoir looks fondly and humorously at the lessons we learned in Sunday school so long ago And it asks what those lessons mean to us today Does Trust and Obey still work when our teenagers openly question the faith that we desperately want to pass on to them Did the chalk artists and magicians and college quartets and visiting missionaries give us enough spiritual grit to weather the storms of adulthood at the end of the millennium *Glory Land* reminds the reader that the teachings of the faith are timeless and that we must hold fast to the basic universal truths we were introduced to in the churches of our childhood This wise wonderful and witty memoir reminds us that God's truth can always be trusted no matter how times change

**Friday Night Fighter** Troy Rondinone, 2013-05-15 *Friday Night Fighter* relives a lost moment in American postwar history when boxing ruled as one of the nation's most widely televised sports During the 1950s and 1960s viewers tuned in weekly sometimes even daily to watch widely recognized fighters engage in primordial battle the Gillette Cavalcade of Sports Friday Night Fights was the most popular fight show Troy Rondinone follows the dual narratives of the Friday Night Fights show and the individual story of Gaspar Indio Ortega a boxer who appeared on prime time network television more than almost any other boxer in history From humble beginnings growing up poor in Tijuana Mexico Ortega personified the phenomenon of postwar boxing at its greatest appearing before audiences of millions to battle the biggest names of the time such as Carmen Basilio Tony DeMarco Chico Vejar Benny Kid

Paret Emile Griffith Kid Gavilan Florentino Fernandez and Luis Manuel Rodriguez Rondinone explores the factors contributing to the success of televised boxing including the rise of television entertainment the role of a reality blood sport Cold War masculinity changing attitudes toward race in America and the influence of organized crime At times evoking the drama and spectacle of the Friday Night Fights themselves this volume is a lively examination of a time in history when Americans crowded around their sets to watch the main event

**Subversive Sabbath** A. J. Swoboda, 2018-02-20 We live in a 24/7 culture of endless productivity workaholism distraction burnout and anxiety a way of life to which we've sadly grown accustomed This tired system of life ultimately destroys our souls our bodies our relationships our society and the rest of God's creation The whole world grows exhausted because humanity has forgotten to enter into God's rest This book pioneers a creative path to an alternative way of existing Combining creative storytelling pastoral sensitivity practical insight and relevant academic research Subversive Sabbath offers a unique invitation to personal Sabbath keeping that leads to fuller and more joyful lives A J Swoboda demonstrates that Sabbath is both a spiritual discipline and a form of social justice connects Sabbath keeping to local communities and explains how God may actually do more when we do less He shows that the biblical practice of Sabbath keeping is God's plan for the restoration and healing of all creation The book includes a foreword by Matthew Sleeth
