Glory Nights:

The Mark of Nerath Bill Slavicsek, 2010-10-05 It is a time of magic and monsters a time when only a few scattered points of light glow with stubborn determination amid a rising tide of shadows It is a time when only the bravest heroes dare tread the wild of the unknown About a century ago the collapse of Nerath the last empire of the world ushered in a dark age that continues to this day the peace and prosperity of the past seemingly lost forever However even those fabled days weren't without a few blemishes One of these was Emperor Magroth the First a tyrant and a conqueror cruel ambitious filled with delusions of grandeur and dreams of destiny and more than a bit insane During Magroth's reign rumors of necromancy and demon worship were rampant but the truth was far worse Thanks to deals he made pacts he agreed to and rituals he performed death was not the end Emperor Magroth Instead a piece of him was drawn into the Shadowfell where he became the ruler of a domain of dead From this vantage the old king prepared for his return and the new empire he would forge from the ruins of old Now Magroth has made a new deal with Orcus the Demon Prince of Undeath that frees him from his eternal prison for a year and a day In that time Magroth must re-establish his ancient kingdom while also accomplishing a series of terrible tasks for Orcus To this end Magroth's plans intersect with two other threats that are rising in the world Where these threats meet the world shudders And it falls to our heroes to keep the fragile lights of civilization burning for another day
