Poem of Poems Milford John-Williams Sr, 2016-10-21 Poetry is a way of expressing emotional feelings of joy or sadness through dialogue In this book the dialogue of self aperture is conveyed in the simplest form of text that everyone who reads the short poetry in this book will understand They may somehow see themselves as a caption in some of the poetry If you do feel free to sink yourself into it and read it out loud for fun **Good as Gold Hymn Book. across the world That flow has brought empires to grow and collapse and driven plunder conquest and colonization It brought about wars and revolutions empowered new forms of arts and science and created the capitalist consumer economy that dominates us now All the gold people ever shaped still exists shining as new it can be mislaid but never decays Right from its first appearance on the west shore of the Black Sea long before the rise of Egypt and Mesopotamia gold crowned the first proto king Ever since it has been regarded as value incarnate with transcendental power The quantity we take has been increasing steadily for 6 500 years Now extraction accelerates Our gold mountain has doubled in the last fifty years Yet its price increases faster While the quantity doubled its buying power multiplied by six What does gold do that makes us want it so much As Alan Ereira reveals in this skilfully woven narrative gold is the hidden actor that shapes our story
