**The Rediscovery of Gnosticism** Bentley Layton, 1980 **Papers Presented at the Fifteenth International Conference on Patristic Studies Held in Oxford 2007** Jane Baun, 2010 **Gnosticism and the History of Religions** David G. Robertson, 2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation

**Poetics of the Gnostic Universe** Zlatko Pleše, 2006 The monograph examines the cosmological section of the Apocryphon of John a fully narrated version of the classic Gnostic myth The author argues that the Apocryphon's world hypothesis is inseparable from the epistemological theological and aesthetic debates within contemporary Platonism

**Papers and Abstracts** Society of Biblical Literature. Annual Meeting, 1975 **THE GNOSTIC JESUS** Edward D. Andrews, 2021-06-09 Jesus is identified by some Gnostics as an embodiment of the supreme being who became incarnate to

bring gnosis to the earth In contrast others adamantly denied that the supreme being came in the flesh claiming Jesus to be merely a human who attained enlightenment through gnosis and taught his disciples to do the same Among the Mandeans Jesus was considered a miha kdaba or false messiah who perverted the teachings entrusted to him by John the Baptist Still other traditions identify Mani and Seth the third son of Adam and Eve as salvific figures In the course of a century and a half Gnosticism comes and goes before us like a splendid vision And yet its influence upon Christianity was profound and permanent It gave occasion to a great expansion of Christian thought to a clearer idea of the historical relation of Christianity to earlier and surrounding religions and to a better definition of the basis of true faith Therefore it deserves a more careful study than it has only recently received Gnostic Revisions of Genesis Stories And Early Jesus Traditions Gerard P. Luttikhuis, 2006 The book examines the critical use of biblical and early Christian traditions in such Christian Gnostic texts as the Apocryphon of John The Nature of the Archons The Apocalypse of Adam The Testimony of Truth The Apocalypse of Peter The Letter of Peter to Philip and the apocryphal Acts of John *Papers Presented to the Tenth International Conference on Patristic Studies Held in Oxford, 1987: Historica, theologica, gnostica, Biblica, et Apocrypha* Elizabeth A. Livingstone, 1989 Papers presented at the Tenth International Conference on Patristic Studies held in Oxford 1987 see also *Studia Patristica* 20 21 22 and 23 The successive sets of *Studia Patristica* contain papers delivered at the International Conferences on Patristic Studies which meet for a week once every four years in Oxford they are held under the aegis of the Theology Faculty of the University Members of these conferences come from all over the world and most offer papers These range over the whole field both East and West from the second century to a section on the Nachleben of the Fathers The majority are short papers dealing with some small and manageable point they raise and sometimes resolve questions about the authenticity of documents dates of events and such like and some unveil new texts The smaller number of longer papers put such matters into context and indicate wider trends The whole reflects the state of Patristic scholarship and demonstrates the vigour and popularity of the subject The Gnostic Papers John V. Panella, 2001-06 The Bible has embedded codes that describe a paranormal world that goes beyond what most religious concepts teach Seven Mysteries explain the hidden Gnostic meanings of the Bible and secrets hidden within the words and teachings of Jesus The hidden enigmatic parallels behind Jesus parables What the Bible really says about life death resurrection and the afterlife You will never read the Bible in the same way again **Papers from the Eranos Yearbooks**, 1968 **Gnostic Truth and Christian Heresy** A.
