Going Full Circle Mark Powers, 2013-07-03 In the grip of serious numerical decline American Evangelical churches are now experiencing a missional movement God is calling his people to return to a biblical lifestyle that goes full circle in continual worship discipleship and missions Mark Powers connects the dots between these three main elements of authentic Christian living He presents a theology of missional worship a detailed discipleship plan and a strategy for local music missions Going Full Circle uses everyday language to present a simple thought process to move worshipers and worship leaders to become worshipping disciples on mission Are you

a casualty of worship wars Are you worried about the decline of your church Are you thrilled with fast growth churches but sense there must be something more than spectator worship Are you confused by the word missional that seems to be popping up everywhere This book is for you and your friends Read it share it and join the movement **Going Up and Going Down** Yitzhak (Itzik) Peleg, 2015-06-18 In *Going Up and Going Down* Yitzhak Peleg argues that the story of Jacob's dream Genesis 28 10 22 functions as a *mise en abyme* as a figure trope or structure that somehow reflects in compact form in miniature the larger structure in which it appears Greenstein Close examination reveals that focusing on the vision of Jacob's dream and understanding it as a symbolic dream facilitates an explanation of the dream and its meaning Scholars have historically classified the dream as theophany the purpose of which is to explain how Beth El became a sacred place and as such the vision in Jacob's dream is generally accepted as merely ornamental or even lacking a message in itself Whilst Peleg does not contradict or seek to go against identification of the dream as theophany he sees a more nuanced purpose behind its presentation Peleg's proposal is that the description of the vision and especially that of the movement of the angels is not embellishment supplementation or scenic background of God's message but that it directly symbolizes the path taken by the Patriarchs to and from the Promised Land Furthermore the narrative context and visual description in the dream in which Angels of God were going up and down it appears when Jacob is on his way to Harran that is to say when he is about to leave Israel Jewish, Christian, and Muslim Travel Experiences Susanne Luther, Pieter B. Hartog, Clare E.

Wilde, 2023-10-04 Travel and pilgrimage have become central research topics in recent years Some archaeologists and historians have applied globalization theories to ancient intercultural connections Classicists have rediscovered travel as a literary topic in Greek and Roman writing Scholars of early Judaism Christianity and Islam have been rethinking long familiar pilgrimage practices in new interdisciplinary contexts This volume contributes to this flourishing field of study in two ways First the focus of its contributions is on experiences of travel Our main question is How did travelers in the ancient world experience and make sense of their journeys real or imaginary and of the places they visited Second by treating Jewish Christian and Islamic experiences together this volume develops a *longue durée* perspective on the ways in which travel experiences across these three traditions resembled each other By focusing on experiences of travel we hope to foster interaction between the study of ancient travel in the humanities and that of broader human experience in the social sciences

Wan Day Yah Solomon A. J. Pratt, 2013 **Be Awake and Prepared** Ernestine N. Moussa, 2011-06-07 This book will touch people's hearts and help them to get closer to God than ever God revealed through a vision a secret place where his people can run and be protected against the terror and the attack of these last days Be awake and prepared The Torah, Kabbalah and Jewish Poetry Josef Bláha, 2009 **The Journal of Sacred Literature** John Kitto, 1853 **The Journal of Sacred Literature**, 1853 The Trials of Abraham Martin Sicker, 2004 *The Trials of Abraham* is based on the premise that the primary concern of the Torah is with establishing a conceptual framework within which a unique nation might emerge

and flourish for the exclusive purpose of facilitating the emergence of a model civilization for eventual emulation by all the peoples of the earth The Trials of Abraham is devoted to a consideration of how the biblical author sought to explain through narrative rather than analysis why Abraham was chosen to be the founding patriarch of that new nation The saga of Abraham is presented in the book of Genesis in a group of stories reflecting a series of progressively severe tests or trials to which Abraham was subjected in order to demonstrate to all but especially to posterity his worthiness to be the founder of a unique nation committed to God's service The trials illustrate the discrete steps by which he underwent transformation from a natural philosopher to a religious sage from being a consummate rationalist to becoming a man of faith capable of suppressing even the most pressing demands of reason Understanding the biblical narrative requires that we strive to comprehend what the text as we have it is telling us explicitly as well as implicitly As is the case with many biblical texts it is not always clear what is being conveyed or why certain bits of information are provided and others omitted The challenge for the sympathetic reader is to attempt fill in the seemingly obvious gaps in the narrative and to make sense of that which is or is not said It is the purpose of The Trials of Abraham to assist the reader in doing just that *Abraham Shaul*
