

An aerial, high-angle photograph of a multi-lane highway that curves through a hilly, arid landscape. The road is dark asphalt with white lane markings. The surrounding terrain is dry and hilly, with some sparse vegetation. The sky is a warm, golden-orange color, suggesting sunset or sunrise. The overall mood is one of vastness and journey.

week is a success biography on someone I believe is one of the most successful people in history These success biographies are full of inspiration to help keep your flame for success burning on high Action each of the educational articles has one or more action steps associated with it Taking action and getting results are what this book is all about Missionary Fitness Calvin Buhler,2010-08-30 The divine responsibility of sharing the Gospel as a full time missionary is one of the greatest blessings and opportunities in this life However it can quickly become a burden if the missionary is not able to effectively manage the physical and spiritual stresses that accompany the rigorous schedule and irregular living conditions common to mission life To help make the mission experience a blessing and not a burden health and human performance expert Calvin Buhler has combined cutting edge research with first hand experience to create a unique and powerful program based on eternal principles that will prepare the body and spirit of any current or future missionary for service In an easy to understand format readers will Be reminded of the stewardship they have over their body Discover how Jesus prepared physically and spiritually for His mission Learn advanced strategies to improve their nutrition Understand what to eat when to eat and how much to eat Be provided meal plans to guide them along the way Learn proven methods to maximize the time they have to exercise Know exactly what exercises to do and how to do them And much more By implementing the information in this book current and future missionaries will be better prepared to serve with all their heart might mind and strength **Just Common Sense** Mark E. Ink Matters Leslie D. Cooper, 2011-05-25 Christians should have an audacity of faith with an auspicious outlook on life but instead we forget to keep our focus in perspective We all struggle with inadvertent day to day living and unruly heart interruptions This is of course is all along the lines of life's journey However in Christ getting an understanding of our concrete problems becomes water under the bridge How you perceive your problem will shape and determine your outcome Your problem can either be deemed as a tool to catapult you into your victory or your spiritual death announcement upon your defeat It's your call Hidden in the writings of these poetic expressions and emotional odysseys are minor yet helpful tips One can be mindful that he or she is not alone and during our struggles they should not be endured alone We must understand that we need each other no matter what heartache or pains befall us We need to grasp an understanding of the greatest gift which is love and allow it to flourish throughout our natural being Once we allow love to rule in our hearts we can expect an increase of happiness in our lives We must reach our destination BY ANY MEANS NECESSARY We must be willing to demonstrate the power and character of our father by developing wisdom and embracing the anointing of LOVE to reach our destination as well as accomplishing our God given tasks
