Jewish Writers of the Twentieth Century Sorrel Kerbel,2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading

Modern British Women Writers Vicki K. Janik,Del Ivan Janik,2002-11-30 The 20th century witnessed several major cultural movements including modernism anti modernism and postmodernism These and other means of understanding and perceiving the world shaped the literature of that era and with the rise of feminism resulted in a particularly rich body of literature by women writers This reference includes alphabetically arranged entries on 58 British women writers of the 20th century Some of these writers were born in England while others such as Katherine Mansfield and Doris Lessing came from countries of the former Empire or Commonwealth The volume also includes entries for women of color such as Kamala Markandaya and Buchi Emecheta Each entry is written by an expert contributor and includes an overview of the writer s background an analysis of her works an assessment of her achievements and lists of primary and secondary sources The volume closes with a selected general bibliography British Fiction and the Cold War A. Hammond,2013-09-19 This book

offers a unique analysis of the wide ranging responses of British novelists to the East West conflict Hammond analyses the treatment of such geopolitical currents as communism nuclearism clandestinity decolonisation and US superpowerdom and explores the literary forms which writers developed to capture the complexities of the age *Diasporas of the Mind* Bryan Cheyette,2014-02-28 In this fascinating and erudite book Bryan Cheyette throws new light on a wide range of modern and contemporary writers some at the heart of the canon others more marginal to explore the power and limitations of the diasporic imagination after the Second World War Moving from early responses to the death camps and decolonization

through internationally prominent literature after the Second World War the book culminates in fresh engagements with contemporary Jewish post ethnic and postcolonial writers

div DIVdivCheyette regards many of the twentieth and twenty first century luminaries he examines among them Hannah Arendt Anita Desai Frantz Fanon Albert Memmi Primo Levi Caryl Phillips Philip Roth Salman Rushdie Edward Said Zadie Smith and Muriel Spark as critical exemplars of the diasporic imagination Against the discrete disciplinary thinking of the academy he elaborates and argues for a new comparative approach across Jewish and postcolonial histories and literatures And in so doing Cheyette illuminates the ways in which histories and cultures can be imagined across national and communal boundaries

DIV *Literature in the Language Classroom* Joanne Collie, Stephen Slater, 1987-12-17 A variety of imaginative techniques for integrating literature work with language learning

A Companion to the British and Irish Short Story David Malcolm, Cheryl Alexander Malcolm, 2009-01-30 A Companion to the British and Irish Short Story provides a comprehensive treatment of short fiction writing and chronicles its development in Britain and Ireland from 1880 to the present Provides a comprehensive treatment of the short story in Britain and Ireland as it developed over the period 1880 to the present Includes essays on topics and genres as well as on individual texts and authors Comprises chapters on women s writing Irish fiction gay and lesbian writing and short fiction by immigrants to Britain

Heart Songs and Other Stories Annie Proulx, 2007-12-01 Before she wrote the bestselling *Brokeback Mountain* Annie Proulx was already producing some of the finest short fiction in the country Here are her collected stories including two new works never before anthologized These stories reverberate with rural tradition the rites of nature and the rituals of small town life The country is blue collar New England the characters are native families and the dispossessed working class whose heritage is challenged by the neorural bourgeoisie from the city and the themes are as elemental as the landscape revenge malice greed passion Told with skill and profundity and crafted by a master storyteller these are lean tough tales of an extraordinary place and its people

Neither Black Nor White Yet Both Werner Sollors, 1999 Why can a white woman give birth to a black baby while a black woman can never give birth to a white baby in the United States What makes racial passing so different from social mobility Why are interracial and incestuous relations often confused or conflated in literature making miscegenation appear as if it were incest Werner Sollors examines these questions and others in *Neither Black nor White yet Both* a fully researched investigation of literary works that in the past have been read more for a black white contrast of either or than for an interracial realm of neither nor both and in between From the origins of the term race to the cultural sources of the Tragic Mulatto and from the calculus of color to the retellings of various plots Sollors examines what we know about race analyzing recurrent motifs in scientific and legal works as well as in fiction drama and poetry

Encyclopedia of British Humorists Steven H. Gale, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Racechanges Susan Gubar, 2000-04-20 When the actor Ted Danson appeared in blackface at a 1993 Friars Club roast he ignited a firestorm of protest that landed him on the front pages

of the newspapers rebuked by everyone from talk show host Montel Williams to New York City's then mayor David Dinkins. Danson's use of blackface was shocking but was the furious pitch of the response a triumphant indication of how far society has progressed since the days when blackface performers were the toast of vaudeville or was it also an uncomfortable reminder of how deep the chasm still is separating black and white America. In *Racechanges: White Skin Black Face in American Culture* Susan Gubar, who fundamentally changed the way we think about women's literature as co-author of the acclaimed *The Madwoman in the Attic*, turns her attention to the incendiary issue of race. Through a far-reaching exploration of the long overlooked legacy of minstrelsy, cross-racial impersonations or racechanges throughout modern American film, fiction, poetry, painting, photography and journalism, she documents the indebtedness of mainstream artists to African American culture and explores the deeply conflicted psychology of white guilt. The fascinating racechanges Gubar discusses include whites posing as blacks and blacks passing for white, blackface on white actors in *The Jazz Singer*, *Birth of a Nation* and other movies as well as on the faces of black stage entertainers. African American deployment of racechange imagery during the Harlem Renaissance including the poetry of Anne Spencer, the black and white prints of Richard Bruce Nugent and the early work of Zora Neale Hurston, white poets and novelists from Vachel Lindsay and Gertrude Stein to John Berryman and William Faulkner writing as if they were black, white artists and writers fascinated by hypersexualized stereotypes of black men and nightmares and visions of the racechanged baby. Gubar shows that unlike African Americans who often are forced to adopt white masks to gain their rights, white people have chosen racial masquerades which range from mockery and mimicry to an evolving emphasis on inter-racial mutuality and mutability. Drawing on a stunning array of illustrations including paintings, film stills, computer graphics and even magazine morphings, *Racechanges* sheds new light on the persistent pervasiveness of racism and exciting aesthetic possibilities for lessening the distance between blacks and whites.

Muriel Spark: The Biography Martin Stannard, 2010-04-26 In 1992 the Spark invited Martin Stannard to write her biography, offering interviews and full access to her papers. The result is this biography of the Scottish author.

Eugenics, Literature, and Culture in Post-war Britain Clare Hanson, 2013 This book explores eugenics in its wider social context and literary representations in post-war Britain, tracing the expression of eugenic ideas across disciplinary boundaries and in both high and low culture and demonstrating its powerful and pervasive influence as a cultural movement.

Scotland's Books Robert Crawford, 2009-01-30 From *Treasure Island* to *Trainspotting*, Scotland's rich literary tradition has influenced writing across centuries and cultures far beyond its borders. Here for the first time is a single volume presenting the glories of fifteen centuries of Scottish literature. In *Scotland's Books*, the much-loved poet Robert Crawford tells the story of Scottish imaginative writing and its relationship to the country's history. Stretching from the medieval masterpieces of St Columba's Iona, the earliest surviving Scottish work, to the energetic world of twenty-first century writing by authors such as Ali Smith and James Kelman, this outstanding account traces the development of literature in Scotland and

explores the cultural linguistic and literary heritage of the nation It includes extracts from the writing discussed to give a flavor of the original work and its new research ranges from specially made translations of ancient poems to previously unpublished material from the Scottish Enlightenment and interviews with living writers Informative and readable this is the definitive single volume guide to the marvelous legacy of Scottish literature **Writers Directory** NA NA,2016-03-05
