Go Away Thunder:

Beyond the Portal Joe Gonzalez, 2021-04-21 Would you want to go back in time If your answer is yes what would you give to go back in time and be able to re live something from history s past or re live something from your own past Have you ever asked yourself the question Could there a hidden portal somewhere on this earth where one can enter it in order to take a trip into a forgotten place and time And if you do find that hidden portal would you be brave enough to enter it not knowing if you will be able to return Would you be brave enough to see where it takes you Would you be able to find it back in order to get back to the present What if it is not there anymore What if you only had a certain amount of time to get back What would happen if you missed that window of opportunity What then And what if you decided to stay and not go back to the present Could you do it Cotton accidentally stumbles into a portal during a freak lightning strike close to the North Fork Double Mountain Brazos River The year is 1965 When Cotton wakes up he finds himself in the year 1865 right at the end of the Civil War Stonewall s wolf Thunder is with him He has gone through the portal right behind Cotton Cotton realizes that he is about to be shot by a Union soldier Cotton and Thunder are not in Texas anymore They are in Louisiana just east of the Sabine River Cotton and Thunder must now figure out how to get back to Texas before his mom misses him In their efforts to get back home Cotton slowly begins meeting some very important people that will end up being a part of his past Follow the dangers and miscalculations Cotton must now face What dangers will Cotton and Thunder along with his friends will now have to face in order to survive the wilderness that existed at the end of the Civil War when there were no trail or very few trails to follow in order to get from location to another Will Cotton and Thunder be able to get back to Texas Will they be able find the portal in time to get back to the present Will they stay in 1865 Who will the strangers be and how will they be able to help Cotton Who will end up saving who Will Cotton and his new friends stay together and make their way back to the Brazos
