God And A Mouse:

God and a Mouse Angela Toigo, Sr.,1985-01-01 A Mouse in God's House Cheryl Steele,2010 Pushing books off a desk nibbling on cookie crumbs and playing hide and seek are all in a day's work for Bartholomew the church mouse Bartholomew wants to serve God but just can't seem to get it right or so he thinks Adventures abound as Bartholomew learns that serving God may be just a blessing away when a young girl discovers A Mouse in God's House Career educator Cheryl Steele has been recognized by a variety of civic and professional organizations for her work on behalf of children She loves entertaining her grandchildren with stories and is delighted to share her stories with readers of all ages God's Big Book of Animals ,2019-03-25 Discover the secrets of your favorite animal's odd behaviors such as why woodpeckers don't get headaches how octopuses change colors and what helps insects walk sideways and even upside down From shrews to skunks elephants to Emperor penguins learn about 60 animals in all Filled with full color images of each creature as well as their behavior and habitats Engaging and humorous text that inspires praise to God for the work of His hands The Classic Tales Ellen Frankel,1993-07-01 Three hundred Jewish tales in this extraordinary volume span three continents and four millennia Culled from traditional sources—the Bible Talmud Midrash hasidic texts and oral folklore—and retold in modern English by Ellen Frankel these stories represent the brightest jewels in the vast treasure chest of Jewish lore Beautifully clothed in contemporary language these classic tales sparkle with the gentle and insightful humor of the Jewish folk imagination And like so much of Jewish literature these stories abound in allusions to classic Jewish texts Biblical cadences phrases from the prayer book and ideas from Jewish proverbs and heroic legends resonate in the air when these tales are read or told aloud In The Classic Tales history sheds its dust to become as intimate as family memory While the breadth and depth of this book make it completely unique three special features also help distinguish it God appears without gender though certainly not without personality women characters so often nameless in the original biblical text wear their midrashic names e.g. Noah's wife Naamah Abraham's mother Amitlai Lot's wife Edith and many tales of Sephardic origin have been included to correct the common American bias toward Eastern European sources What's more this volume has been uniquely designed to be of use to educators rabbis parents and students It features a chronological table of contents as well as six separate indexes arranged by Jewish holidays Torah and Haftarah readings character types symbols topics and proper names and places—to make the tales easily referenced in a wide variety of ways Anyone who needs a story to inspire a child to illustrate a point to develop a sermon or just to uplift his or her own thirsting soul will find just the right one in The Classic Tales **The Mouse God** Richard Kennedy,1979 A vain and lazy barnyard cat makes a coat of mouse skins to protect his fur while chasing mice The mice consider him their god and trust him to send them to heaven *The Origins of Religion, and Other Essays* Andrew Lang,1908 Essays mainly on pseudo religious topics spiritualism mythical lore art origins of religion partly taken from authors Custom and myth includes p 15 21 the bullroarer p 36 45 star myths p 62 75 the art of savages pl 107 128 theories of

the origins of religion astronomy **God's Backyard Pets and the Changing Seasons** Jennifer Smiley,2022-08-13 In 2007 the author took over the complete care and feeding of the birds squirrels and chipmunks In about 2004 she had inherited the care and feeding from her mother who had broken her hip and then became sick with heart problems When her mother passed away in 2007 there was not much there in the way of backyard pets but over the years it became built up and quite nice The author bought a digital camera in 2010 which made the possibility of winter spring summer and autumn photographs possible Over the years the number of pets has gone up and down and the decorations have gone up and down but the author s love and devotion has remained the same The author already owned the rabbit mice and hamsters back in 2004 and they are always included in her writings of God s backyard pets Occasionally we go out and about the neighborhood for it is quite scenic and describe other places such as Mary s Pond Leonard s Pond and the scenic trail at Fairhaven for Budgie the author s bunny always came along for walks or bicycle rides or kayak rafting and so too the mice and the hamsters The seasons play a large part in the lives of the pets and we have faithfully marked every winter spring summer and autumn Being so close to the land and to the water and what s going on with the pets it s only natural to feel the joys and woes of every season See the wonder of the squirrels chipmunks birds mice hamsters and bunnies though the miracle of each season Follow the joy of Christmas Easter and Thanksgiving through the eyes of God and the author These writings are specifically from 2015 to 2019 The author did not start with the intention of marking every season and holiday It just evolved naturally from wanting to further document the backyard lives of their pets And to do so in a way that would make a difference This book is dedicated to Budgie the author s number one pet and for whom she took on the project of the backyard pets in the first place She always did believe Whether a dozen pets or one pet we have enjoyed every minute of it
