Schouten, 2008-01-01 People in India form images of Jesus Christ that link up with their own culture Hindus have given Jesus a place among the teachers and gods of their own religion seeing in his life something of the wisdom and mysticism that is so central to Hinduism Christians in India also make use of the concepts provided by Hinduism when they wish to express the meaning of Christ Thus in any case Jesus is for Hindus and Christians a guru a teacher of wisdom who speaks with divine authority But for many Hindu philosophers and Christian theologians there is much more that can be said about him within the Indian framework He can be described as an avatara a divine descent or linked to the Brahman the all encompassing Reality This study looks at both Hindu and Christian views of Christ starting with that of the Hindu reformer Rammohan Roy at the beginning of the nineteenth century as well as those of the first Christian theologians of India The views of Mahatma Gandhi and the monks of the Ramakrishna Mission are discussed and those of influential Christian schools such as the Ashram movement and dalit theology Five intermezzos indicate how artists in India portray Jesus Christ **God's Rule on Earth - Disciple or Christian** Abraham Panampara, 2008 **Christianity For Dummies** Richard Wagner, 2011-04-20 Get to know the beliefs and practices inspired by Jesus Christ Discover what it means to be a Christian and follow the gospel Curious about Christianity This friendly guide helps you understand the basic teachings of the Christian faith exploring the common ground that all Christians share the differences among the major branches the key events in Christian history the
