Real Church Larry Crabb, 2009-05-04 Church as I know it usually leaves deep parts of me dormant unawakened and untouched I don't much like going So what now What's happening to the Church Why are so many people who for decades have been faithful steady churchgoers and others who want to start going to church but can't seem to find one that meets their needs losing interest in even attending church let alone getting involved What is fundamentally wrong with the types of churches Seeker Bible Emergent Liberal Evangelical that dot the religious landscape Larry Crabb believes it is time to rethink the entire foundation and focus of what we know today as church everything we're doing and are wanting to see happen In his most honest and vulnerable book to date the author reveals his own struggles in this area and then offers a compelling vision of why God designed us to live in community with Him and others and what the church he wants to be a part of looks like

The Study Joseph Mills, 2016-04-21 This book under construction over the past fifty years uses history and fiction to connect the dots of known and unknown periods in the development of the human race It presumes that God lives on a heavenly planet Xeros somewhere in our vast universe that all humans begin at Level 3 and have the opportunity to move up to Level 2 Angels and then to Level 1 Archangels that He is colonizing planets throughout this universe and that a battle between God and Satan good v evil permeates His every decision The book focus is on planet earth the use of a natural disaster to exterminate the dinosaurs the story of Adam and Eve and the process of populating planet earth the story of Noah and the great flood and the story of Jesus Christ the Son of God who was sent to save mankind The book then explains the development of Christianity the hidden story of the Nephilim the Rapture and Revelation Armageddon the thousand year reign and the new Heaven and the new Earth In summary The Study offers a message to the reader that each Level 3 person makes choices every day that each human being is so helpless without God's protection that the end of life on planet earth is very close and that one must believe in Jesus Christ to achieve life everlasting

Body/Brain - Soul/Mind , The Seven Cs of Consulting Mick Cope,2010-10-05 CLIENT CLARIFY CREATE CHANGE CONFIRM CONTINUE CLOSE THE SEVEN SECRETS OF CONSULTANCY Most change methods are effective For the most part each one is theoretically sound well researched and clearly articulated But when they re put in organizations they fail at least 70 to 80% of the time George Smart Managing Partner Strategic Development Incorporated The definition of a consultant is someone who facilitates organisational change and provides expertise on technical functional and business

topics during development or implementation In other words a consultant is someone who helps others to change However change isn't such an easy target to achieve Research shows that the vast majority of change programmes fail On a daily basis we hear about projects that are delayed cancelled over budget or boycotted by the end user The problem is that we can never force people to change remember the backlash against Jamie Oliver's healthy school meals campaign where parents handed junk food to their children through school fences The key to successful change is to engage with the end user and help them want to change The Seven Cs of Consulting offers a consistent and collaborative language that helps both consultant and client deliver value through sustainable change Based around the author's highly successful 7Cs model Client Clarify Create Change Confirm Continue Close this approach is simple and accessible but firmly grounded in research and real life experience The 7Cs approach opens up the complexity of sustainable change to the consultant and client and helps them explore and then avoid the real issues that cause change to fail within a more professional and trusting relationship

God's Divine Plan for Humanity Vol. 1 Felix Wantang, 2023-01-31 This book is Volume 1 of God's Divine Plan for Humanity series You are a very important part of God's divine plan for humanity God wants to draw you closer to him and bring you to that place where you reach the full potential of your life far beyond your imaginable dreams When you read this book you will never look at your life and the world the same again you will start to see the world and understand the Bible better than ever before This book will take you to God's creative library step by step to unveil the mysteries of God's plan for humanity using the language of heaven The knowledge you gather from this book will draw you closer to God just like Abraham Isaac Jacob Joseph Moses David and Joshua all used the secret of the language of heaven to draw closer to God and fearlessly fight the spiritual forces of this sinful world Learn the hidden secrets of the supernatural language of heaven and see the world through the eyes of the author of life Jesus Christ When you look at the world do you believe there is something seriously wrong with the whole system Do you believe there is something not natural that for some inexplicable reason is holding humanity hostage You can analyze it from all political angles but the truth is the world is controlled by supernatural spiritual forces and unless you understand what it is and how it operates you will remain a slave to the system The Bible teaches in Psalm 24:1-2 that God owns the world and everything in it If God owns it all then he is in absolute control and God has the tools to set you free from the satanic forces of this sinful world The battles we face in this world are not natural Any attempt to use natural weapons to fight these battles is a big mistake you cannot use natural weapons to fight a supernatural battle When you believe the enemy and look at life through the eyes of the enemy you become engulfed and enslaved by the enemy but when you believe in Jesus and look at life through the eyes of Jesus you will ultimately become united to Jesus In life what you believe determines what you see The battle is in your mind The choice is yours In this world you will have trouble But take heart I have overcome the world John 16:33
