**Mother - Father God** Randy Doster M. Msc. D.D., 2022-08-01 Our Father which art in heaven begins one of the great lessons taught by Jesus When we hear the words Our Father we are often impressed with an image of a great man with white hair watching over us from heaven above steering our lives As humans we seek a parental authority to tell us when we are straying from optimal behavior It is a primal need In that light the Bible provides us with instructions dictated by a personified God to the masters of the past whose stories are forever preserved in scripture But who is God The first of those biblical stories gives us a clue that we are created in the image of God In those words we infer that since we are human beings we must have been created in the image of an omnipotent humanlike being But is that God Is God a man at all In this book Randy Doster explores these questions and shows us how since ancient times humanity has recognized both masculine and feminine aspects of Creation In male dominated cultures the masculine creative aspect of God has become the dominant image but even in the Lord's Prayer we call on the feminine nurturing aspects of God to give us our daily bread Ancient cultures and philosophies recognized the presence of both masculine and feminine aspects of Creation not necessarily as people but as the creative and nurturing forces of nature that pervade everything which survive in some faith traditions today Some refer to Mother Father God to honor those aspects of Creation that thrive within and around us As we explore these ideas we discover that we are creative and nurturing beings created in the image of a creative and nurturing life force we lovingly refer to as God These pages take you on a journey which reveals new ways of looking at the truth that has always existed They reveal a different way of expressing God not a man in the clouds but a force of life that pervades within us just as it pervades everything around us As we explore our inner truth we find that there is naught else but God serving our highest good What we perceive as good and bad are not judgments of a humanlike deity but our own human perceptions of human life human morals and human judgment All is God All is Good All is

**The Maternal Face of God** Leonardo Boff, 1989

**Feminine by Design** John D. Garr, 2013-05-23 Women are the product of divine design the exquisite creation that God fashioned with careful meticulous and loving care Understanding how and why God created woman enables both women and men to recognize the rightful contributions that God designed women to make for the welfare of humanity Despite millennia of misguided efforts by men to

control and dominate them women were originally designed by God to be coequal with men and to have complete freedom to use any gift and to fulfill any role that he has given to them That design is still God's ideal for the God-fashioned woman and includes the following subjects Designed to Be Feminine Designed for Beauty Designed for Purity and Modesty Designed for Sexual Fulfillment Designed for Nurture and Relationship Designed for Freedom Whatever your race ethnicity gender faith or social status this book and the other volumes in this series will literally set you free from misconceptions that have restricted the roles of women As you are reconnected with the Hebraic foundations of your faith you will clearly understand God's original design and purpose for women and you will begin to help remove obstacles that have kept women from assuming their God-given roles in the family in society and especially in the community of faith     God as Feminine Joseph Sebastian, 1995 This systematic theological study aims at bringing the Femininity of God into inter religious dialogue between Hinduism and Christianity Since the arena of Hindu traditions is very vast a particular Hindu poet bhakta Subramania Bharati 1882-1921 known for his theology of Sakti in Hinduism is chosen Through a close and scientific study of his writings the Hindu vision of divine feminine is established Following that Christian vision of God as feminine is elaborately studied by analysing critically the important texts from the Bible from the writings of the church fathers and mystics and particularly of the showings of Julian of Norwich As the outcome of the dialogue between these two religions the urgent need for an inclusive God language in Christianity is proposed     **Mary, the Feminine Face of the Church** Rosemary Radford Ruether, 1977-01-01 Mary Radford Ruether's book makes a significant contribution to our understanding of Mary's role in the vital doctrine of the contemporary church In this unique study she brings together much hard to find material Her careful biblical scholarship enables us to reclaim a long ignored part of our religious tradition Useful for women's and other adult study groups this book includes help for study leaders     Body Metaphors, 1988     *When God Had a Wife* Lynn Picknett, Clive Prince, 2019-12-10 Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods including a 20th century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat Explores the Hebrew pantheon of goddesses including Yahweh's wife Asherah goddess of fertility and childbirth Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient goddess worshipping religion of the Israelites Despite what Jews and Christians and indeed most people believe the ancient Israelites venerated several deities besides the Old Testament god Yahweh including the goddess Asherah Yahweh's wife who was worshipped openly in the Jerusalem Temple After the reforms of King Josiah and Prophet Jeremiah the religion recognized Yahweh alone and history was rewritten to make it appear that it had always been that way The worship of Asherah and other goddesses was now heresy and so the status of women was downgraded and they were blamed for God's wrath However as Lynn Picknett and Clive Prince reveal the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives

on Drawing on historical research they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods including a 20th century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat Uncovering the Sacred Feminine in early Christianity the authors show how in the first century AD both Jesus and his great rival Simon Magus were attempting to restore the goddess worshipping religion of the Israelites The authors reveal how both men accorded great honor to the women they adored and who traveled with them as priestesses Jesus's Mary Magdalene and Simon's Helen But as had happened centuries before the Church rewrote history to erase the feminine side of the faith deliberately ignoring Jesus's real message and again condemning women to marginalization and worse Providing all the necessary evidence to restore the goddess to both Judaism and Christianity Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia **Seeking** Janet Claussen, Julia Ann Keller, 2003 Seeking Doing Theology with Girls is an introduction to theological methods and reflection with an emphasis on actively engaging girls in making connections between their experience and the wisdom of the Scriptures and Tradition The overriding theme of this manual is that the life experience of women brings richness and balance to the academic discipline of theology Topics covered include images of God gospel feminism women theologians morality sexual integrity ecofeminism and personal and global justice grounded in a theology of life **Sophia** Susanne Schaup, 1997 The resurgent interest in the wisdom of the Goddess and ancient matriarchal religions makes Sophia a timely read Schaup explains that the Divine Feminine has been with us all along hidden in ancient Christian scripture and has taken many different forms and names in Eastern and Western culture She is Sophia or Divine Wisdom Dr Schaup heralds a paradigm shift in our concept of God with this provocative chronicle of the manifestation of the Divine Feminine throughout history and in the world's diverse cultures With this beautifully written book Dr Schaup teaches us to recognize Sophia and Her relevance to our time so that we can restore Her to Her rightful place in our hearts and minds alongside the Fathergod and gain a new sense of wholeness

**The Trinity** Hans Schwarz, 2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent

centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today Mothers as the Image of God Juliann Bullock,2022-12-12 Is God a man If God is our Heavenly Father does that require God to be male Does the Bible ever describe God as a mother as well as a father If human fathers can show us what God is like can we see God s image in our mothers too How do women uniquely reveal the nature of the One who created both male and female in the image of God Mothers as the Image of God explores answers to these important questions along with many others This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God an image that is exquisitely displayed through mothering whether that takes place biologically through adoption or by pouring into spiritual children

**Divine Words, Female Voices** Jerusha Tanner Lamptey,2018-08-10 The relationship between Islam and feminism is complex There are many Muslim scholars who fervently promote women s equality At the same time there is ambivalence regarding the general norms terminology and approaches of feminism and feminist theology This ambivalence is in large part a product of various hegemonic androcentric and patriarchal discourses that seek to dictate legitimate and authoritative interpretations These discourses not only fuel ambivalence they also effectively obscure valuable possibilities related to interreligious feminist engagement Divine Words Female Voices is the follow up to Jerusha Lamptey s 2014 book Never Wholly Other in which she introduced the idea of Muslima theology and applied it to the topic of religious diversity In this new book she extends her earlier arguments to contend that interreligious feminist engagement is both a theologically valid endeavor and a vital resource for Muslim women scholars She introduces comparative feminist theology as a method for overcoming challenges associated with interreligious feminist engagement reorients comparative discussions to focus on the two Divine Words the Qur an and Jesus and feminist theology and uses this reorientation to examine intersections discontinuities and insights related to diverse theological topics This book is distinctive in its responsiveness to calls for new approaches in Islamic feminist theology its use of the method of comparative theology its focus on Muslim and Christian feminist theology in comparative analysis and its constructive articulation of Muslima theological perspectives **The**

**Divine Feminine** Anne Baring,2021 Reimagining God Johanna W. H. Van Wijk-Bos,1995-01-01 Johanna van Wijk Bos examines alternatives to the dominant male language associated with God in the Bible Focusing primarily on the Hebrew Bible **The Maternal Image of God in Victorian Literature** Rebecca Styler,2023-07-10 This book is the study of a religious metaphor the idea of God as a mother in British and US literature 1850 1915 It uncovers a tradition of writers for whom divine motherhood embodied ideals felt to be missing from the orthodox masculine deity Elizabeth Gaskell Josephine

Butler George Macdonald Frances Hodgson Burnett and Charlotte Perkins Gilman independently reworked their inherited

faith to create a new symbol that better met their religious needs based on ideal Victorian notions of motherhood and Mother Nature Divine motherhood signified compassion universal salvation and a realised gospel of social reform led primarily by women to establish sympathetic community Connected to Victorian feminism it gave authority to women s voices and to feminine cultural values in the public sphere It represented divine immanence within the world often providing the grounds for an ecological ethic including human animal fellowship With reference also to writers including Charlotte Bront Anna Jameson Charles Kingsley Elizabeth Charles Theodore Parker Harriet Beecher Stowe Mary Baker Eddy and authors of literary utopias this book shows the extent of maternal theology in Victorian thought and explores its cultural roots The book reveals a new way in which Victorian writers creatively negotiated between religious tradition and modernity

**The DEVIL'S ADVOCATE: A Spiritual Man's Case Against the LORD God** Dr. Alonzo Richard Fleming Jr., 2008-01-31 The Serpent Told the Truth But he is called the Devil And though LORD God admitted to the truth he still cursed all mankind plus GOD's creation Though he is the evil one he is worshipped as a loving God And his children act out of his evil nature universally Dr Alonzo Fleming Jr presents a compelling case against LORD God He is willing to say what everyone is thinking For centuries man has resisted and quieted the voice inside his own head that asks the obvious questions How could God curse his own children and creation then call it love How could he tell everyone else to love their enemies yet he gladly kills his own How could he instruct us to bless and not curse yet he curses Why would God set his children up to die in the first place We challenge the reader to consider what we say in the light of the world's present condition Who is controlling the present world He that blessed or he that cursed Be instructed
