DISCOVERING GOD'S KINGDOM BUSINESS Solomon Hailu, he kingdom of God is a profit driven business not simply a charitable organization or a non profit business Jesus presented the kingdom of God as a profitable business in all of his messages The kingdom of God is a place to work for God not just a place of begging God for something God gives every believer equal opportunity to work in His kingdom The very reason we are here on earth is to fulfil God's mandate of expanding His kingdom on earth However the Kingdom of God must involve in our lives before we involve in God's kingdom business The kingdom of God must shape our lives before we get involved in God's kingdom business One qualifies to do business in the kingdom of God if personally admitted to the Kingdom of God by being born again The book draws Biblical examples of people who effectively used their God given talents to work in the Kingdom of God and those who missed the opportunity in the kingdom of God by wasting their God given talents

100 Secrets to Staying in God's Rest and Prospering Blige Davidson, 2022-11-03 Within the depths of the Most High God's human creation lies a desire to know who this higher power is and what He is all about This higher power is Yahweh and He is God alone and besides Him there is no other To add many of God's created human beings have been given the right to become His children and many of His children want to know the depths of the mind of God To know the Most High God requires one to lay aside his selfish agenda pick up his cross the denial of your own interests fascinations and self centered needs that would impede your continual friendship with your Heavenly Father and follow wholeheartedly after Jesus Therefore the question remains who is willing to come after God earnestly and stand within His full counsel No one knows who God is except His beloved Son Jesus and to whom the Son reveals God the Father unto In addition no one knows the depth of the riches of the wisdom and knowledge of God except for the precious Holy Spirit of God God's holy ways are unsearchable and past finding out Yet the question remains who shall go after the Most High God to learn from Him and learn about Him To receive wisdom from the Most High God one must come to Him and ask because He gives wisdom to all men liberally and without reproach This book provides a piece of the counsel of the Most High God and allows His children to understand how much God wants to bless and show them how to be prosperous without sorrow If you want God the precious Holy Spirit of God says Come For those who hear God's voice the precious Holy Spirit of God says Come For those who are thirsty for God's righteousness the precious Holy Spirit of God says Come Whereby those who have this desire let them come and partake of the living water of

Swartz,2020 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South To be sure Western missionaries have carried religion abroad but the line of influence has often run the other way David R Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they have pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they have advocated for a conservative sexual ethic They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of the diverse array of evangelicals around the world Swartz shows that evangelical networks don t only extend outward but back home from the ends of the earth Discerning God's Will Together Danny E.
