

A photograph of a dirt road winding through a vineyard at sunset. The sky is a mix of orange, pink, and grey clouds. The vineyard rows are visible on both sides of the road, with wooden stakes supporting the vines. The overall mood is peaceful and contemplative.

God calls us to perfection, but he is not a perfectionist. And perfection is reached not so much by external conformity to an ideal as by inner faithfulness to God's inspirations.

tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus s prophecy Peter couldn t ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues Now we contemporary Christians cannot overlook this evidence Instead we must continue until we pass to the next generation Because the truth has to be told *Super-Abundant Grace* Keith D.

Stanglin,2022-06-14 What is the apostle Paul s message in his Letter to the Romans And how does it apply to us today Is there more to learn about Romans and is there more for the church to hear today Keith Stanglin takes this familiar epistle and makes sense of its author s original intent and its meaning for believers now With attention both to the historical background and to our contemporary situation he offers thirty one meditations that take readers through the entire letter beginning with the ancient arguments and arriving at modern exhortation Each chapter is accompanied by discussion questions for use in classes and study groups For scholars serving the church this book is a welcome supplement to a technical commentary For non specialists it is an introduction to Romans and an invitation to seek its wisdom All readers will see Paul s message of God s grace in fresh ways **The Prize of the High Calling of God** Stendal, Russell M.,2022-11-11

What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6 8 How can this be our reality In this latest book *The Prize of the High Calling of God* author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell s gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South

America He became a missionary jungle pilot at age nineteen Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia

Knowledge Worth Billions Arnold West,2020-03-12 I believe that the Holy Spirit the Comforter of the living Creator God has kept me awake for many hours and many nights in the last few months I will say He has been influencing me leading me to write these things that He wants me to put in this book When Jesus was resurrected from the dead and went back to heaven He said I will not leave you comfortless I will send you another comforter and he will teach you all things and bring all things to your remembrance whatsoever I have said unto you This book will give believers and nonbelievers the knowledge that all need Revelation 20 10 reads What Satan uses to deceive the nations numbered as the sands of the sea It s here in this book Ethics beyond Rules Keith D Stanglin,2021-08-17 An introduction to ethics that will help Christians

rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time How should Christians live How should we interact with one another Why do we think the way we do about right and wrong How should we approach today s complex moral questions Keith Stanglin realigns our ethical thinking around the central question What does real love require applying it to our ethical reasoning on many of the social issues present in today s culture abortion sexual ethics consumerism technology race and politics Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community But thinking objectively and reasonably about our ethical commitments is a process that s rarely taught in contemporary education or even in churches *Ethics Beyond Rules* is a clear and accessible introduction for thoughtful Christians who want to lead moral lives who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand Stanglin s love based framework for moral decision making engages Scripture and the historic Christian faith giving Christians the tools to clear mindedly consider the ethical problems of today and the foundation to confront new issues in the years to come **Radical**

Forgiveness Brian Zahnd,2013-05-07 Recover the true beauty of Christianity as found in forgiveness If Christianity is to be a compelling and relevant voice in the twenty first century it needs a fresh message Not a new innovation or novel interpretation but a return to our roots For if Christianity is not about forgiveness it s about nothing at all Beginning with the horror of the Holocaust *Radical Forgiveness* explores what forgiveness means and how far it should go in the real world of rape child abuse genocide and other atrocities With honesty and compassion Zahnd tackles questions such as Should we always forgive Is forgiveness always even possible Does forgiveness enable evil Does it sacrifice justice Are there ANY limits

Pushing you beyond intellectual exercises Radical Forgiveness will challenge your thinking by juxtaposing absolutely bottom line examples with the simple question What would you do Previously published as Unconditional **A Call to Inspire**, Ken, 2019-02-15 A Call to Inspire is a roadmap to a closer more intimate relationship with the Holy Spirit Travel with the authors just plain folks and witness the extraordinary moments God intended for them in ordinary events Their experiences were orchestrated by the Holy Spirit in answer to frequent prayers asking Him to use them as His instrument His ways were not spectacular yet He responded supernaturally with blessings immeasurably more than all we ask or imagine Ephesians 3:20 NIV You can experience the same You can learn from A Call to Inspire what Naaman learned from his experience with the Prophet Elisha 2 Kings 5 Naaman was a Syrian military commander who had leprosy In response to an Israelite servant girl's suggestion that he seek healing from Elisha Naaman went to Elisha's house Elisha refused to meet Naaman personally but sent a message to wash in the Jordan River seven times Naaman left in a rage because he expected Elisha to personally call upon his God for a miraculous healing Naaman's servants urged him to follow Elisha's directions Naaman yielded and was completely healed Naaman's pride and lack of obedience in faith were almost his undoing Naaman learned as you will that God's ways aren't always what we expect God does not always respond to those looking for a spectacular sign but more often to those seeking Him in the ordinary and mundane He intervenes in ways most people consider fate luck or coincidence Your book is a classic example Pastor Jeff Harter Obviously each chapter is longer than a typical daily devotional but it has the same effect edification for the believer and encouragement to see the Spirit's work in our own daily lives You and Linda have some intriguing and inspiring stories to share Pastor E J Sweeney **Preacher's Outline & Sermon**
