

A wide-angle photograph of a beach at low tide. The sand is a light tan color, and the ocean water is a deep blue-grey. In the distance, a large, billowing white cloud formation rises from the horizon, partially obscuring the sky. The sky is a mix of blue and white, with other smaller clouds scattered across it. The overall mood is serene and majestic.

investigation I discovered a lot of contributing themes that were hidden just beneath the surface so I thought I would get out my spiritual shovel and start digging And when I did I discovered hidden treasures On days when you just need a pick me up this book will get your mind off your depression or challenges Some readers say it s inspirational and will reveal ah ha moments right before your eyes Just the other day I was challenging myself concerning the next music release which entails a new genre of music for our kids and grandkids I was so overwhelmed by the challenge that I forgot who the real source of my success is I started flipping through this book and ran into the exact story I needed to continue down this road We still have to do the work but it s as if the huge door in front of us have hands on ours helping to push So that s what you will experience as the ground around you becomes unearthed and you will find hidden treasures in your field I recently discovered the ERV Easy Reading Version It breaks the verses down to more of a digestible language There is nothing worse than to read a whole chapter and then start scratching your head wondering What did He say I love following our Savior s example of storytelling so I have lots of stories experiences and testimonials woven throughout a book of memoirs I pray this experience will help you see a fresh new side of Jesus and find hidden treasures in your field ZIG ZIGLAR Since 1999 my father started encouraging Leon to write a book He would say If you ve got something to say write it down Well this book is a product of that encouragement and a true Treasure indeed Julie Norman CARLOS SANTANA Leon brought the Gospel DR WAYNE CORDEIRO Leon Patillo s life is a true God story His music love for Jesus and zest for life are interwoven into a multicolored tapestry of miracles and grace I have known Leon for many years He has ministered at our church and college and each time he has left behind a lasting shimmer of God s beauty and grace His life is a testimony of a man sold out to the King of Kings Dr Wayne Cordeiro New Hope Christian College PHILIP BAILEY Lead Vocalist for Earth Wind and Fire I have known Leon 4 decades In the beginning of our relationship he mentored me during our concert tour in Europe Leon Patillo is who God used to help me discover Hidden Treasures in my life www.leonpatillo.org *Islamic Liberation Psychology* Sarah Huxtable Mohr,2024-08-07 *Islamic Liberation Psychology* is a thoughtful and groundbreaking guide to liberatory and decolonial thought The book has a wide range of uses from individuals seeking self development to community organizers to change makers generally Chapters explore liberation psychology from an Islamic perspective and use autoethnography to frame the theory and make it more relevant and applicable This book makes a substantial contribution to a greater understanding of a variety of topics including anti racism feminism utopianism community development arts and creativity and other topics central to Islamic liberation psychology **In the Arms of Baby Hop** Kenneth Attaway,2006-10 Many times in my adult life I have had what I would call an awake out of body experience During these times I was peeking in at my life in a dream state thinking this cannot be my life I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot and the young adult who never settled for can t Well somewhere along the way the only thing left of who I was once was were just shreds of an

almost non existent life Now don t get me wrong there were some good times along the way but it certainly was not always smooth sailing But what came later in life was no comparison to the early years Not that long ago my life was filled with disappointment brokenness worry anxiety and fear I survived breakups and breakdowns sadness and pain grief and loss beyond description all of which led to a one way ticket to Depression Central Getting off the road to depression was very difficult for me but there is no job too hard for God If you can relate to the paralyzing despair that I went through then please know that I fellowship with you and understand the grip depression and anxiety can have on your life However I want you to know that your destination does not have to be a one way ticket to the land of despair instead your journey can bring you to a place of joy and peace if you simply trust and believe in God
