## **God And Americas Future:**

**The Bible and the American Future** Robert Jewett, Wayne Alloway, John G. Lacey, 2010-01-01 What does the Bible say about the American future Does it contain an apocalyptic vision in which conflicts are to be resolved by war Or does it contain a vision of coexistence under some system of conflict management While both visions have biblical foundations the apocalyptic alternative has dominated public discussion in the past generation Most people are not even aware that another vision can be derived from the same Bible and that it transcends the usual definitions of liberal conservative or evangelical politics The essays in this book written by distinguished scholars from various sectors of the theological spectrum throw surprising new light on these questions They were presented as lectures at an extraordinary theological conference sponsored by a large Methodist church in Lincoln Nebraska in October 2009 In contrast to the usual shouting matches between partisans this conference and this book featured liberal and conservative Protestant and Catholic scholars who calmly unearthed new insights about the Bible s relevance for the future of America and the world Readers will be astonished to see these differing viewpoints on the pages of a single book and even more amazed at the new common ground that is prepared by these fresh and profound furrows

recognized the importance of reliance upon God and wrote this into our Declaration of Independence But over time people change and 21st century America is a much different place So just how well do our efforts apart from God measure up Pastor and financial advisor Ed Chambers takes the reader on a closer look at the financial crisis facing our nation and with prophetic like insight traces the cause back to our spiritual condition as a people He further points out that America might have finally gone too far in its pursuit of mammon and tipped the scales of judgment against our nation If he is right then America is at the crossroads and history will be decided by our actions This is a must read book for anyone concerned about America s future Ed Chambers is the founding pastor of Fox Valley Family Church in St Charles Illinois He has also served as a licensed financial advisor helping seniors plan their retirement

**God's Arbiters** Susan K. Harris,2011-01-15 When the U S liberated the Philippines from Spanish rule in 1898 the exploit was hailed at home as a great moral victory an instance of Uncle Sam freeing an oppressed country from colonial tyranny The next move however was hotly contested should the U S annex the archipelago The disputants did agree on one point that the United States was divinely appointed to bring democracy and with it white Protestant culture to the rest of the world They were in the words of U S Senator Albert Beveridge God s arbiters a civilizing force with a righteous role to play on the world stage Mining letters speeches textbooks poems political cartoons and other sources Susan K Harris examines the role of religious rhetoric and racial biases in the battle over annexation She offers a provocative reading both of the debates religious framework and of the evolution of Christian national identity within the U S The book brings to life the personalities who dominated the discussion figures like the bellicose Beveridge and the segregationist Senator Benjamin Tillman It also features voices from outside U S geopolitical boundaries that responded to the Americans venture into global imperialism among them England s imperial poet Rudyard Kipling Nicaragua s poet diplomat Rub n Dar o and the Philippines revolutionary leaders Emilio Aguinaldo and Apolinario Mabini At the center of this dramatis personae stands Mark Twain an influential partisan who was for many the embodiment of America Twain had supported the initial intervention but quickly changed his mind arguing that the U S decision to annex the archipelago was a betrayal of the very principles the U S claimed to promote Written with verve and animated by a wide range of archival research God s Arbiters reveals the roots of current debates over textbook content evangelical politics and American exceptionalism shining light on our own times as it recreates the culture surrounding America s global mission at the turn into the twentieth century

**Because, Seriously America, Seriously!** Joshua Grant ,2021-01-05 Do you

think there is something else going on behind the scenes Do the government's actions seem to be focused on the American people or others that they shouldn't Just what is going on right now in America Well if you are like Mr Grant you might be wondering what is seriously going on in America right now We have a country that seems to be on the brink of another Civil War all due to the actions of the individuals in charge Because Seriously America seriously was created to give you a different perspective than the one being pushed by the media and on social media platforms In today's new concerning world what was once normal is not normal anymore Normalcy now seems to be whatever these individuals in charge make up in their head and push out onto the American people With this book Grant gives you his perspective as a straight white catholic American male trying to survive in a new America where white Americans like himself are now the enemy and most white Americans are being labeled racist or offensive for nothing other than their skin color being white Mr Grant talks about the interesting things that have led to us as a nation being so separated and divided and the narrative these people pushed to get us there Life can change very quickly and Mr Grant has experienced a life changing event himself As a man now living with a mechanical heart valve that keeps ticking to keep him alive Mr Grant gives you a different perspective and way to think about the claims that these individuals are making and why their claims along with their statements could mean the death of America if we don't stop these individuals from achieving their goals History is not there for you to like or dislike It is there for you to learn from it In addition if it offends you even better Because then you are less likely to repeat it It is not yours to erase It belongs to all of us unknown

literary images Issues such as government and politics popular and vanguard music and art and socio cultural institutions intermittently come to the fore Framing the volume s three pairs of national surveys is an introductory chapter which addresses the entire subject from a bird s eye view and a concluding chapter which by contrast delves into the cross fire of sentiments defining people whose images of America are both American and Scandinavian The discussion of America as perceived in Scandinavia sheds new light on intriguing inter Scandinavian cultural distinctions and borderlines Countless books and articles methods and theories have been devoted to the study of national and cultural identity Still the exchanges between such identities and the images they engender so indispensable for the participants in a global culture remain clouded by many misconceptions Images of America in Scandinavia whose editors and authors all have Scandinavian backgrounds will contribute an improved understanding of the cultural interplay between Scandinavia and the United States of America

The Cleansing of America W. Cleon Skousen, 2011 Dr W Cleon Skousen spent the majority of his life researching the gospel the U S Constitution the founding of America and writing numerous books and articles on the topic He is also one of the most well known respected defenders of America and the gospel the world has ever known At the time of his passing in 2006 his work was not yet finished His book The Cleansing of America written in 1994 and given into the care and keeping of his sons is now being brought forth for the first time ever Included in these pages are the events and stages the Lord has predicted through his servants the winding up scenes of this world It helps the reader understand the

nature of prophecy the known chronology of prophetic events and the importance of staying close to the Lord and his prophets during the difficult and challenging years prior to the Second Coming We are fast approaching those prophetic events Some are upon us even now If we are prepared and obedient we need not fear these events but rather embrace them for the blessings they portend *The Case for Biblical Antichrist, Global Government, and the Man Chosen to Save America* Luis Munoz, 2024-11-04 The godfather of the global mafia Rockefeller indicated that he and other globalists are relying on the right major crisis and the nations will accept the New World Order Moreover the renowned globalist and Obama's advisor Strobe Talbott said In the next century 21st nations as we know it will be obsolete all states will recognize a single global authority National sovereignty wasn't such a great idea after all And James Paul Warburg said We shall have World Government whether or not we like it The only question is whether World Government will be achieved by consent or conquest Who are America's true enemies How are they operating inside America How are they plotting to destroy America's democracy and sovereignty Robert F Kennedy Jr on April 1 2024 told CNN I can make the argument that President Biden is a much worse threat to democracy than Trump Again Robert on April 2 2024 told Fox News President Biden has done something no other president has done which is to order media particularly social media Facebook Instagram to censor his political opponent President Biden is a much worse threat to democracy and the reason for that is President Biden is the first candidate in history the first president in history that has used the federal agencies to censor political speech to censor his opponent And he added that Biden is a genuine threat to our democracy Keep in mind that Robert K is a liberal Democrat Former president Barack Obama and his wife Michael are using their Netflix Predictive Programming movie *Leave the World Behind* to reveal how he and the global gang intend to put the US government under a global dictatorship Their ploy includes A simple three stage maneuver that could topple a country's government from within That country's government is no other but the US government which will be the real target for a coup d'etat and civil war The first maneuver to destroy America is Isolation By that they mean disabling the sectors of communication and transportation making the target as deaf dumb and paralyzed as possible The second maneuver consists of creating a synchronized chaos to terrorize the American people with covert attacks and misinformation overwhelming their defense capabilities and leaving their weapon system vulnerable to extremists and their own military Without a clear enemy or motive people would start turning on each other If done successfully the third stage would happen on its own The Obama Netflix civil war movie describes the globalists plot to create the right major crisis that they have envisioned to establish a global government The plot seems to include widespread use of state terrorism to attack America from within with tens of thousands of radical Muslim terrorists that are already in America The goal is to topple the US government declare martial law change the Constitution and put the country under a global tyranny I am using this book to show that Obama and Biden have been working in league with the evil global mafia to cement America's transition from democracy to dictatorship Also this book shows the globalists plot for world government

and the man with the call and vision to lead it Barack H Obama the biblical Antichrist and awaited Mahdi of Islam Therefore Americans have a critical choice to make choose Obama s radicalized democrat gang and you will destroy America s democracy and sovereignty Choose Donald Trump and you will empower the man called to defeat the enemies of humanity and tyranny Trump is the man destined to vindicate God s name and restore America to its rightful place before God takes His people in the rapture

**God's Choice** Alan Peshkin,1988-06-15 Is Bethany Baptist Academy God s choice Ask the fundamentalist Christians who teach there or whose children attend the academy and their answer will be a yes as unequivocal as their claim that the Bible is God s inerrant absolute word Is this truth or arrogance In God s Choice Alan Peshkin offers readers the opportunity to consider this question in depth Given the outsider s rare chance to observe such a school firsthand Peshkin spent eighteen months studying Bethany s high school interviewing students parents and educators living in the home of Bethany Baptist Church

members and participating fully in the church's activities From this intimate research he has fashioned a rich account of Christian schooling and an informed analysis of a clear alternative to public education      *Participating in God's Mission* Craig Van Gelder, Dwight Zscheile, 2018-01-11 Explores how the church has engaged and should engage the American context What might faithful and meaningful Christian witness look like within our changing contemporary American context After analyzing contemporary challenges and developing a missiological approach for the US church Craig Van Gelder and Dwight Zscheile reflect on the long complex and contested history of Christian mission in America Five distinct historical periods from the beginning of the colonial era to the dawn of the third millennium are reviewed and critiqued They then bring the story forward to the present day discussing current realities confronting the church discerning possibilities of where and how the Spirit of God might be at work today and imagining what participating in the triune God's mission may look like in an uncertain tomorrow      God's Plan To Save America L. Nelson "Mac" McAlexander, 2013-11 In a dream I had back in 1977 thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2:17 and or 3:12 In subsequent dreams I was writing a book titled God's Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2:17 Let the one who has an ear hear what the spirit says to the congregations To him that conquers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it      *Prophetic Visions of America's Future* Kingdom Life Ministry, 2006-01-10 Prophetic Visions from past historical figures in American history      Is This the End? Bible Study Guide Dr. David Jeremiah, 2016-10-04 We have almost become immune to the reality of today's headlines from terrorism to natural disasters to political upheavals to refugees to disease to nuclear threats to failing economies and the list goes on People are thinking and asking Is this the end Nobody can answer that question specifically In fact Jesus warned about setting dates for the end of the age But this we can say Never have so many world level events developed so rapidly and with such catastrophic implications These events bring to mind the apostle Paul's words about birth pangs before the end of the age In *Is This the End Study Guide* Pastor David Jeremiah looks at ten major developments in America and the world that almost defy imagination Just a few years ago nobody could have imagined the things we hear about daily in the news We need to understand these events what they are what the Bible says about them

and how we should respond as followers of Christ Follow Dr Jeremiah as he unfolds five developments in America and five developments on the international stage all of which beg the question Is this the end
