## God And Caesar:

Rendering unto Caesar Christopher D Surber,2014-11-25 What does it mean to render to Caesar what is his and render to God what is His How a believer understands this text will to a large degree determine how they will approach matters of nationalism and politics as they follow Jesus Dr Chris Surber Matthew 22 15 22 is a passage usually seen as essentially about paying taxes Author Chris Surber takes us deeper into Jesus meaning as he includes the historical context and the crowd to whom Jesus was speaking

*Render to Caesar* Christopher Bryan,2005-08-25 At the end of the 20th century postcolonialism described the effort to understand the experience of those who had lived under colonial rule This kind of thinking has inevitably brought about a reexamination of the rise of Christianity which took place under Roman colonial rule How did Rome look from the viewpoint of an ordinary Galilean in the first century of the Christian era What should this mean for our own understanding of and relationship to Jesus of Nazareth In the past Jesus was often depoliticized treated as a religious teacher imparting timeless truths for all people Now however many scholars see Jesus as a political leader whose goal was independence from Roman rule so that the people could renew their traditional way of life under the rule of God In *Render to Caesar* Christopher Bryan reexamines the attitude of the early Church toward imperial Rome Choosing a middle road he asserts that Jesus and the early Christians did indeed have a critique of the Roman superpower a critique that was broadly in line with the entire biblical and prophetic tradition One cannot worship the biblical God the God of Israel he argues and not be concerned about justice in the here and now On the other hand the biblical tradition does not challenge human power structures by attempting to dismantle them or replace them with other power structures Instead Jesus message consistently confronts such structures with the truth about their origin and purpose Their origin is that God permits them Their purpose is to promote God's peace and justice Power is understood as a gift from God a gift that it is to be used to serve God's will and a gift that can be taken away by God when misused *Render to Caesar* transforms our understanding of early Christians and their relationship to Rome and demonstrates how Jesus teaching continues to challenge those who live under structures of government quite different from those that would have been envisaged by the authors of the New Testament

**God and Caesar** Shirley Williams,2004-06-01 Shirley Williams a practicing Catholic explores the relationship between Christian teaching the Church and public life in the modern world *God and Caesar* includes discussion of the transformation of pre industrial society by modern progress and the subsequent distancing of human beings from God the current cynicism about politicians and the political process the prevailing crisis in the priesthood the new roles that have opened up for women in the Catholic Church and the effects of globalization in the twenty first century *God and Caesar* is an immediately relevant work for modern society by one of Britain's most respected figures

**Christ and Caesar** Seyoon Kim,2008-10-07 This title looks at what kind of responses Paul made to the Roman Empire The author subjects the methods of current interpreters to critical scrutiny and discusses what makes an anti imperial interpretation of Pauline writings difficult

**Idols: The Church and the Struggle for America's Soul** Rick D. Boyer, 2022-02-09 Once one nation under God America today is desperately sick And the Church seems to have no answers How can a nation so churched be so untouched by the Gospel Why has the Glory departed leaving a nation racked by political hatred drug addiction and shattered families God Caesar and Idols asks these questions and calls the Church to seek God's Word for answers Too many Christians no longer make political choices on the basis of eternal truth but instead make them on the basis of purely financial considerations It's time for the Church to break its addiction to humanistic government schooling and instead bring them up in the nurture and admonition of the Lord This book challenges the Church to reject cheap grace and the easy temptation to be tolerant of society's rebellion We must again honor the authority of God's Word and embrace the life altering power available when we reject our cultural idols and proclaim the whole counsel of God without compromise Armed with careful scriptural exegesis and supported by the words of great Christians from church history God Caesar and Idols encourages the American Church to again contend for the faith in today's culture whatever the cost

**God and Caesar** John Eidsmoe, 1997-12-05 Jesus said Render therefore to Caesar the things that are Caesar's and to God the things that are God's thereby approving at least for this age the idea of human government The hard part is deciding what actually belongs to Caesar and what should be reserved exclusively for God How Christians are to understand and apply Jesus words has been a point of controversy since the days of the apostles Many difficult issues that continue to trouble Christians are dealt with in this book Is there a biblical pattern for human government What should we as Christians expect from government Should Christians participate in government What does the Bible have to say about issues related to government such as wealth and poverty left and right crime and punishment the family education censorship and pornography civil disobedience liberation theology military service Do some systems of government follow biblical teaching more closely than others What about American democracy how does it measure up Would a socialist or redistributive economic and governmental system be more biblical John Eidsmoe brings a wealth of biblical insight theological reflection and practical experience to bear on the crucial issue of how biblical Christianity and politics relate Here at last is a book that simply and clearly shows how we really can give both God and Caesar their due

**God and Caesar** Michael Bauman, David W. Hall, 1994 *Jesus vs. Caesar* Dr. Joerg Rieger, 2018-04-17 When we observe a tension between Jesus and Caesar we acknowledge that a fundamental tension remains at the heart of Christianity When this tension is poorly understood Christians face disastrous consequences The tension is not between religion and atheism or secularism Nor is it between organized religion and personal spirituality The tension is located within the heart of Christianity itself because it is a radical conflict between true and false forms of Christian faith Jesus embodies and exposes this tension in ways that illuminate both how God is with us and what must change for a world that participates in God's life This book serves as an indictment of the pieties of empire whether government corporate or any other forms of the faith that dominate and exclude One form of Christian faith Jesus versus another form of Christian faith Caesar Whom

and what will we trust and serve What did Jesus disclose to the religious economic and political worlds of Israel and Rome This tension between true and false forms of religion is also deeply rooted in the Jewish traditions The Hebrew prophets were gravely concerned about established forms of Jewish religion that appear to be respectable but result in oppression The prophet Isaiah hears the voice of God pronouncing judgment You serve your own interest on your fast day and oppress all your workers Isaiah 58 3 True religion loosens the bonds of injustice Isa 58 6 while self serving religion is false religion This tension between true religion and false religion is a critical opportunity for those who would follow Jesus instead of Caesar

God and Caesar in America Gary Hart, 2005 An informed discussion of the relationship of faith and politics by former U S Senator Gary Hart *The Irresistible Revolution* Shane Claiborne, 2008-09-09 Living as an Ordinary Radical Many of us find ourselves caught somewhere between unbelieving activists and inactive believers We can write a check to feed starving children or hold signs in the streets and feel like we ve made a difference without ever encountering the faces of the suffering masses In this book Shane Claiborne describes an authentic faith rooted in belief action and love inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world Shane s faith led him to dress the wounds of lepers with Mother Teresa visit families in Iraq amidst bombings and dump 10 000 in coins and bills on Wall Street to redistribute wealth Shane lives out this revolution each day in his local neighborhood an impoverished community in North Philadelphia by living among the homeless helping local kids with homework and practicing resurrection in the forgotten places of our world Shane s message will comfort the disturbed and disturb the comfortable but will also invite us into an irresistible revolution His is a vision for ordinary radicals ready to change the world with little acts of love **Sermons on Obeying God** H. S. Ryu , Table of Contents Jesus the perfect man and God Love your God Only God can save us Ask God to help you pray for people Thank God who helps us to help Christians Jesus will be back God s prophets and Jesus Jesus the true Light God keeps God s promise and accomplishes God s words A shoemaker and his guests God helps us to wait for Christ God Help us listen and obey God no matter what How does God lead God s people God can change you and your people United States of America V. those who seek to follow Jesus rediscover the spirit of the early church and represent the kingdom of God Jesus for President stirs the imagination of what the church could look like if it placed its faith in Jesus instead of Caesar A fresh look at Christianity and empire Jesus for President transcends questions of Should I vote or not and Which candidate by thinking creatively about the fundamental issues of faith and allegiance

When Max Weber wrote about the rationalization of modern Western society over a hundred years ago he could not have foreseen the lengths to which such rationalization has been taken in an Amazon warehouse or fulfillment center There poorly paid associates who are often temporary workers with few benefits scurry among the bins retrieving and packing just about anything that can be imagined A handheld device keeps track of their movements It directs them to the next item to pick and a timer starts 14 seconds to scan in the next item four aisles over for example The device warns them if they are falling behind and keeps track of their pick rate Falling behind calling in sick and other offenses can cost a worker their job so some associates have resorted to urinating in bottles to avoid taking bathroom breaks In January 2018 Amazon received patents on a wristband that can track a warehouse worker s arm movements
