Keeping Hope Alive Freddie Power, 2009-08-25

Keeping Hope Alive is about the incredibly supernatural things that God comes and does in the lives of everyday people. He comes meeting the needs of the individuals on the streets in kids Bible Clubs for the homeless and on mission trips. The scripture says that if you give a cup of cold water in His name we have done everything. When the Keeping Hope Alive teams go out rather than a cup of cold water we give out bottled water in hospitals, roses at the bus station on Mothers Day, candy to little children in apartment communities and bread to the poor on mission outreaches. We hear story after story from those we encounter of how blessed they are by the simple act of love that we extend to them in Jesus' name. This book shares the details of many of these encounters where God showed up blessing individuals through these simple acts of obedience. As we put our arms around them He places His arm around them too. When we give to them He gives to them too. These pages are filled with stories of Hope. Hope that has been revitalized, instilled and even seen become reality as we minister through the non-profit Christian organization of Keeping Hope Alive.
