Heaven Douglas Connelly, 2011-10-18 Heaven is hard for us to picture We think of floating on clouds singing praises and playing harps or walking on streets of gold While we know we want to go to heaven we are a little nervous about what it will be like In this eight session LifeGuide Bible Study provide a biblical perspective on heaven something richer and more exciting than we can imagine

Embracing Contemplation John H. Coe, Kyle C. Strobel, 2019-02-26 What does a Christian life lived by the Spirit look like Bringing together Protestant scholars and practitioners of spiritual formation this volume offers a distinctly evangelical consideration of the benefits of contemplation Drawing on historical examples from the church including John Calvin Richard Baxter Jonathan Edwards and John Wesley this book considers how contemplative prayer can shape Christian living today Light, 1925 The Northwestern Lutheran, 1981

Your Ever Grateful, Devoted Friend: Sigfrid Karg-Elert's letters to Godfrey Sceats Harold Fabrikant, 2000 Godfrey Sceats 1888 1966 was an amateur musician organist composer and by profession a linguist proficient in German French and Spanish He first heard Karg Elert's music around 1910 when several accomplished Englishmen were starting to take note of it with enthusiasm Many of the letters are published side by side in German and English and a comprehensive appendix completes the volume Unity, 1916 The Lutheran Pioneer, 1879

Studies in the Book of Psalms William Swan Plumer, 1866 The Psalms are wonderful They have been read repeated chanted sung studied wept over rejoiced in expounded loved and praised by God's people for thousands of years The most ancient of these productions is now 1866 three thousand three hundred and twenty six years old The least ancient of them is two thousand four hundred and fifty three years old The difference in date between the most ancient and the most modern of them is eight hundred and seventy three years They were all written in Asia so that we in this Western world can have no national pride respecting them Yet pious people here and all over the earth have found and can find no compositions more suitable for delineating their devout emotions and for expressing their pious sensibilities than those of inspired Psalmists If to any man these songs are unsavory the reason is found in the blindness and depravity of the human heart Hengstenberg The Psalms are expressions of holy feeling which can be understood by those only who have become alive to such feeling Other things being equal he who has the most heavenly mind will be the most successful student of the Psalms Introduction

There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29
