Willes,2024-10-05 Veteran hockey writer Ed Willes takes an irreverent look back at the sometimes thrilling often infuriating and always fascinating history of the Vancouver Canucks Cheering for the National Hockey League s Vancouver Canucks

over the last half century has required patience commitment and a forgiving nature It s not that the Canucks have been uniformly awful or drearily predictable Far from it as this past season would attest But every time they seemed close to delivering the ultimate prize to their fan base the indomitable faithful they slipped on a banana peel and tumbled straight into the abyss Most of their failings were self inflicted The franchise s ownership history is as uneven as its won loss record But some have been so random and so accidental the faithful can legitimately wonder what they did to anger the hockey gods It started in 1970 with a spin of the carnival wheel which gifted Hall of Fame centre Gilbert Perreault to the Buffalo Sabres and left the Canucks with Dale Tallon And it s continued uninterrupted for over 50 years For decades veteran Vancouver hockey writer Ed Willes has had his own vantage point on this team that has in his words been haunted by dark and unnatural forces since its inception And Willes s knowledge extends far beyond the most infamous chapters of the story As this irreverent often bitterly funny chronicle shows the litany of woe stretches back farther and runs deeper than many Canucks fans realize and stars several of the biggest names in hockey history Willes s account tells the story of a uniquely confounded franchise and its obsessive followers who have thus far been denied the thrill of a Stanley Cup championship Their consolation has been the dubious comfort of wallowing in collective misery      **The Toronto Maple Leafs** Eric Zweig,2017-10-28 A complete history of the Toronto Maple Leafs as told by the players coaches and reporters On December 19 1917 the Toronto Arenas took to the ice for the first NHL game ever played Over the next hundred years the franchise changed names twice home rinks twice and won 13 Stanley Cups on its way to becoming one of the most successful and storied franchises in NHL history The Toronto Maple Leafs The Complete Oral History gives the most comprehensive record of the team from its formation to the present day With first hand accounts of some of the biggest names ever to play the game Syl Apps Darryl Sittler Mats Sundin as well as coaches managers and commentators Eric Zweig gives readers the full insider history of Canada s most iconic team      **East Coast NHLers** Paul White,2011-09-09 The stories of the lives and careers of players from the Maritimes and Newfoundland      *Uncle John's Bathroom Reader: Shoots and Scores* Bathroom Readers' Institute,2012-06-01 Updated expanded this entry in the bestselling bathroom reader series is full of hockey trivia on the sport s colorful history legendary players and more The Bathroom Readers Institute has added seventy all new pages to this collection of tales and trivia about the Greatest Game on Ice You ll find loads of new articles plus updated facts throughout So tighten your laces and grab your stick it s Hockey Time Read about Octopuses rubber rats and other animal ice capades What s up with those hockey haircuts The science behind the slap shot Why are hockey goalies so weird And of course how did Gretzky get so good Get ready for some end to end action      Written in Blue and White Greg Oliver,2014-10-01 Hockey history like you ve never seen it before Who knew that paperwork could be so fascinating In *Written in Blue and White* author Greg Oliver explores the fascinating archives of Allan Stitt one of hockey s leading collectors unearthing gem after gem that details the history of the Toronto Maple Leafs through the past century Explore
