An exposition of the Epistle to the Hebrewes. Wherein the text is cleared; Theopolitica improved; the Socinian comment examined George LAWSON (Rector of More, Salop.),1662 **A Far Better Life** James G. Friesen,2008-06-25

The Sermon on the Mount is not supposed to read like a collection of standards that we should be striving to achieve Listen to the Master s voice It is not saying You should do better It is saying Let me help you do better Soft and welcoming yet compelling Jesus invites us to make Him our guide The Sermon on the Mount is where we learn to take our first steps A Far Better Life opens up The Sermon on the Mount with such clarity that readers can almost hear Jesus delivering it Staying with everyday language and common sense concepts Dr Friesen connects Jesus central ideas point by point with Christian counseling This is one of those books that will be around for a long time because it is both an introduction to Christian counseling and a troubleshooting volume for counselors and their clients Here is Jesus message The Father eagerly wants to join you in your living space to provide healing for the wounds that keep you from living a far better life Jesus intent is for you to invite the Father into every area of your life especially into the most difficult moments He will transform them and that will entirely change the way you live A free PDF discussion guide is available for this text from the author s Web site www.jamesgfriesen.com

The Reality of Heaven Dr. John Thomas Wylie,2019-02-01 This is a publication of biblical spiritual and theological insights of knowledge into the immortal subject the Reality of Heaven It originates from the spiritual experiences of a gospel pastor preacher who has prepared himself for quite a while for that day when he would encounter how the reality of heaven is much better If you are concerned about the reality of heaven I have good news for you While heaven will give the believer the individuals who are redeemed a final home this publication clarifies the extraordinary superb eternal heaven that we are constrained to express in nullifications and images of loftiness and superbness the well known view that heaven is like the most lavish mansions or places we know on earth But that greatly misses the mark concerning the reality of heaven I recognize we all adherents are closer to heaven s gates than we might suspect Along these lines I approach the subject the reality of heaven with an all the more academic and increasingly spiritual intrigue My spiritual intrigue made me provoke some famous ideas in this book and my own interest incited me to address numerous important inquiries for example How do we gain entrance Is heaven a place or state of mind Will we know each other in heaven Or on the other hand Will our resurrection bodies be like Who will receive rewards What opportunities or occupations exist for the believer in heaven This publication answers inquiries regarding the believer s final hope and the believer s final home heaven I trust this publication The Reality of Heaven will touch your spirit and mind as you read Philippians 1 21 23 reads For me to live is Christ and to die is gain But if I live in the flesh this is the fruit of my labour yet what I shall choose I wot not For I am in a strait betwixt two having a desire to depart and to be with Christ which is far better Reverend Dr John Thomas Wylie **With Christ Far Better. Schutter,2021-09-09 When did we come to believe the best thing you can do with death is ride off from it In *Cowboys Are Not Supposed to Cry* Mark W Schutter tells his story of living a life with grief that began in his midtwenties The death of his young wife left him alone and although life was tough he vowed to show the world that he was tougher Remarrying and having a daughter to onlookers from the outside life seemed happy again until in an anguished night of prayer Mark heard the words that to be the husband and father he wanted to be he must reconcile the past embrace the present redeem the future *Cowboys Are Not Supposed to Cry* is a story that will challenge you with questions that often have no answers about death life love and the way we think about grief In this memoir of love loss grief and healing Mark shares his experiences trying to be who he thought everyone expected him to be This account written from the unique perspective of a man questions what society deems acceptable behavior for grieving men and their healing This journey is one we all must face full of deep love painful loss and the healing of the soul Mark pulls back the curtain to show how death is only the beginning You will carry your grief the joys and sorrows occupy the same space because healing is never perfect and that is okay because there is always hope Grief is not something you just get over and even the toughest cowboys may sometimes cry **The Death of a Faithful Minister, in Obedience to the Will of God: a Sermon Delivered in Campbell Street, Meeting-House, Glasgow, March 17th, on Occasion of the Death of the Rev. Nugent,2016-06-16 For centuries Christians sought to rescue people from this world Today we re trying to fix it While this shift is helpful in some ways in other ways it can be quite dangerous *Endangered Gospel* flips the script on this conversation by stressing the core gospel truth that rather than ushering in a new world through social activism God s people already are the new world in Christ It s not our

job to make this world a better place but to be the better place God has already made in this world That s good news If we let go of this truth we become servants of the world and not God We also lose the great joy and abundant life that God intended us to have in community Jesus himself said that the world will know we are Christians by our love for one another not the fervor of our activism Social action makes us feel relevant and alive but it can t be the center of our new life in Christ Endangered Gospel explores how we might enthusiastically embrace the social dimensions of the gospel without divorcing them from the church or forcing them on the world Read this book hear the gospel story afresh and embrace the good news of God s kingdom **Sparks of Divine Glory: A Practical Study of the Attributes of God** C. McMahon,2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty **An Invitation to Love** William A. Making the World a Better Place Jacqueline Jones Royster,2023-06-27 In Making the World a Better Place Royster argues that African American women must be taken seriously as historical actors who were more consistently and more variously engaged in community and nation building than they have been given credit for Their considerable rhetorical expertise becomes evident when looking carefully at their work in terms of identity agency authority and expressiveness Their writings constitute a substantial artifactual record of their levels of engagement their excellence in

sociopolitical work and the legacies of leadership and action The writing of African American women during the nineteenth century reflects their own perceptions of the ways and means of their lives They deserve to be recognized as consequential contributors to the narratives of the nation rather than marginalized as a group To that end Jacqueline Jones Royster offers a deeper understanding often through their own words of these women their practices and their achievements Divine Inspirations Saundra D.
