**The Subtle Body**

Stefanie Syman, 2010-06-15 In *The Subtle Body* Stefanie Syman tells the surprising story of yoga's transformation from a centuries old spiritual discipline to a multibillion dollar American industry. Yoga's history in America is longer and richer than even its most devoted practitioners realize. It was present in Emerson's New England and by the turn of the twentieth century it was fashionable among the leisure class. And yet when Americans first learned about yoga what they learned was that it was a dangerous alien practice that would corrupt body and soul. A century later you can find yoga in gyms, malls and even hospitals and the arrival of a yoga studio in a neighborhood is a signal of cosmopolitanism. How did it happen? It did so, Stefanie Syman explains through a succession of charismatic yoga teachers who risked charges of charlatanism as they promoted yoga in America and through generations of yoga students who were deemed unbalanced or even insane for their efforts. *The Subtle Body* tells the stories of these people including Henry David Thoreau, Pierre A. Bernard, Margaret Woodrow Wilson, Christopher Isherwood, Sally Kempton and Indra Devi. From New England the book moves to New York City and its new suburbs, between the wars to colonial India to postwar Los Angeles to Haight Ashbury in its heyday and back to New York City post 9/11. In vivid chapters it takes in celebrities from Gloria Swanson and George Harrison to Christy Turlington and Madonna. And it offers a fresh view of American society showing how a seemingly arcane and foreign practice is as deeply rooted here as baseball or ballet. This epic account of yoga's rise is absorbing and often inspiring, a major contribution to our understanding of our society.

**The Heavens in Ephesians** M. Jeff Brannon, 2011-11-03 The expression in the heavens appears five times in Ephesians and is not found at any other point in the New Testament. The two appearances which have provoked the most debate are the session of earthly believers in 2:6 and the presence of the spiritual forces of evil in 6:12. M. Jeff Brannon conducts a lexical, exegetical and conceptual analysis of the expression, arguing against the prevailing interpretation of the term and provides in-depth examinations of three significant concepts associated with it, namely the redeemed on earth having a heavenly status, evil powers in heaven and the cosmology of Ephesians. Brannon uses a wide range of sources: Greek, Jewish, the Apostolic Fathers and the Septuagint. Brannon concludes that there is no basis for a distinction between the terms heavens and in the heavens in Ephesians. He also asserts that Qumran and apocalyptic texts can shed light upon and assist in a proper understanding of the difficult passages in which the expression appears.

**In The Heavens** H.A. Ironside, 2014-09-05 There is nothing redundant in God's Word. Men write books and very frequently pad them in order to give quantity as well as quality, but there is nothing like that in the Bible. God's words are tried as silver tried in a furnace of earth, purified seven times, and therefore we may well give our most careful attention to every item and every expression used. What is the outstanding theme of the Epistle to the Ephesians? It opens up the truth of the privileges and responsibilities of the church as the body and bride of Christ. It brings before us our position as believers who have been

quickened raised and seated in Christ in heavenly places There are very remarkable similarities between certain Old Testament books and New Testament Epistles The Epistle to the Romans for instance corresponds to the book of Exodus the letter to the Hebrews is the counterpart of Leviticus and the Epistle to the Ephesians is the New Testament book of Joshua In Joshua we have the people of Israel entering the possession of their inheritance In Ephesians believers are called to enter now by faith into the possession of that inheritance which eventually we shall enjoy in all its fullness We are far richer than we realize All things are ours and yet how little we appropriate It is said in the prophecy of Obadiah that when the Lord returns and His kingdom is established the people of Israel shall possess their possessions This is a challenge to us Do you possess your possessions Or are your heavenly estates like castles in Spain about which you dream but never really possess I trust the Spirit of God may lead us into the present enjoyment of our inheritance in Christ For our purpose the Epistle may be divided very simply without breaking it up into many portions that would be difficult to carry in our memories We shall divide it into two parts the first three chapters giving us the doctrine and the last three the practical outcome the first division gives us our inheritance and the last the behavior that should characterize those who are so richly blessed Often that is the divine order of Scripture instruction in the truth first practice in accordance with the truth afterwards H A I     *The Collected Works of Witness Lee, 1955, volume 3* Witness Lee, *The Collected Works of Witness Lee 1955 volume 3* contains messages given by Brother Witness Lee in May through September 1955 Historical information concerning Brother Lee s travels and the content of his ministry in 1955 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into six sections as follows 1 Eight messages given in Baguio Philippines on May 7 through 12 These messages are included in this volume under the title Reward and Punishment 2 Seven messages given in Baguio Philippines on May 8 through 15 These messages were previously published in a book entitled *The Living and Principles of the Kingdom People* and are included in this volume under the same title 3 Twenty one messages given in Manila Philippines on May 22 through September 11 Chapters 8 through 21 of this section were previously published in a book entitled *The Way for a Christian to Mature in Life* During the compilation of the messages for *The Collected Works of Witness Lee* five more messages were discovered and were added to the beginning of this section In addition two chapters were moved from the previously published book entitled *How to Be Useful to the Lord* and inserted at the beginning of this section The resulting twenty one chapters are included in this volume under the title *The Way for a Christian to Mature in Life* 4 Twelve messages given in Manila Philippines in June and July These messages were previously published in a book entitled *The Central Work of God and Proper Spiritual Experience* and are included in this volume under the same title 5 Five messages given in Manila Philippines on June 29 through August 31 These messages are included in this volume under the title *Concerning How to Lead the Meetings of the Church* 6 Twenty messages given in Manila Philippines on July 2 through September 5 These messages are included in this volume under the title *Concerning How to Enter into Fellowship with the*

*The Theosophical Path* Katherine Augusta Westcott Tingley, 1918     **The Advocate of Christian Holiness**, 1875

**The Holy Word for Morning Revival - The Reality of the Body of Christ** Witness Lee / Watchman Nee, 2018-12-03

This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Thanksgiving weekend conference held in Charlotte North Carolina November 22-25 2018 The general subject of the conference was The Reality of the Body of Christ Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ     **Happiness** Darrin M. McMahon, 2006 An intellectual history of man's most elusive yet coveted goal Today we think of happiness as a natural right but people haven't always felt this way Historian McMahon argues that our modern belief in happiness is a recent development the product of a revolution in human

expectations carried out since the eighteenth century He investigates that fundamental transformation by synthesizing two thousand years of politics culture and thought In ancient Greek tragedy happiness was considered a gift of the gods During the Enlightenment men and women were first introduced to the novel prospect that they could in fact should be happy in this life as opposed to the hereafter This recognition of happiness as a motivating ideal led to its consecration in the Declaration of Independence McMahon then shows how our modern search continues to generate new forms of pleasure but also

paradoxically new forms of pain From publisher description **The Zend-Avesta, and Solar Religions** M. Edgeworth

Lazarus,1852 **Practical Yoga for Everyone** Howard Murphet,2001-07 This book presents a simple introduction to the basic exercises of yoga how to do them simply and safely and how they benefit both body and mind It gives valuable hints about the lifestyle to adopt for longevity and good health and as well as a view of Hatha Yoga in the context of the life enhancing and deeply spiritual philosophy that underpins it **A Journey Into Christian Understanding** C. H. Ren,2000

**White Lama** Douglas Veenhof,2011-05-10 An amazing often overlooked story of the man who brought Yoga and Tibetan culture to America Theos Bernard s colorful enigmatic and sometimes contradictory life captures an intersection of East and West that changed our world After years of forcibly stopping foreigners at the borders the leaders of Tibet opened the doors to their kingdom in 1937 for Theos Bernard He was the third American to set foot in Tibet and the first American ever initiated into Tantric practices by the highest lama in Tibet When Bernard left that sacred land he was sent home with fifty mule loads of priceless essential Buddhist scriptures from government and monastery vaults Bernard brought these writings to America where he achieved celebrity as a spiritual master Appearing four times on the cover of the largest circulation magazine of the day befriending some of the most famous figures of his era including Charles Lindbergh Lowell Thomas Ganna Walska and W Y Evans Wentz and working with legendary editor Maxwell Perkins the charismatic and controversial White Lama introduced a new vision of life and spiritual path to American culture before mysteriously disappearing in the Himalayas in 1947 Biography travel and adventure a history of Tibet s opening to the West and the story of Buddhism and Yoga s arrival in America White Lama The Life of Tantric Yogi Theos Bernard Tibet s Lost Emissary to the West is the first work to tell his groundbreaking story in full and is a narrative that thrills from beginning to end Includes 15 photographs shot in Tibet in 1937 by Theos Bernard part of a collection that has been described as the best photographic record of Tibet in existence *The sermon Bible [extr. from sermons on the Bible by various authors ,1892* **Jai Maha Leela** PRAMOD
