## Heaven Scent:

Heaven's Scent David Woodman, 2008-08-05 Heaven's Scent is an adventure in romantic and poetic imagery filled with deep spirituality Entering this world of love and romance melts into the folds of a realm reaching into the fabric of our soul Travel together with two lovers looking for the intimacy born of desire To love and to be loved Sometimes this journey takes years for the searching soul to find Ultimately it might be right at the heart's door crying for a reply Come away with me my beloved and enter into the delicacies of my rich and aromatic embrace **Heaven Scent** Virginia Alison, 2013-10-28 Blown in on the breeze from the woman who haunts his dreams the scent of Jasmine drives the cowboy to the brink of insanity in this compelling trilogy set in modern day Texas When the lovers manage to be in the same place at the same time their lives are overshadowed by the entrepreneur Jethro Riles who has his sights set on buying Creek Ranch along with the entire town for his own gain no matter what the cost Encompassing strong family bonds within a powerful yet light hearted romantic saga from the first lost note and missed telephone call Evan and Ginny fight against the odds to find their own little piece of heaven However fate conspires against them as they rush headlong towards their destiny which waits just around the corner over the hill **Heaven Sent** W. M. J. Kreucher, Friendship Loss Love When a young boy travels to Topinabee to spend the summer with his grandfather he learns more about life than he ever expected HEAVEN SENT is a coming of age story that begins in the woods of Northern Michigan If you enjoy a story that is sometimes sassy and irreverent sometimes poignant and always delightful pick up a copy of HEAVEN SENT Heaven Michael Joseph Scanlon, 2011-03 Heaven A Gift Unfailing starts by stirring the imagination of readers and getting them to think upwards about the existence of Heaven This compelling book then describes these realities clearly with examples coming from the Roman Catholic Protestant Muslim and even secular faiths Finally it outlines the best way to get to Heaven First time author Michael Joseph Scanlon discovered a need to find these answers for himself then he realized a desire to help others by describing what he found in layman's terms He credits his faith as his biggest inspiration in writing I have had some hard knocks in life Writing helped me to put these hardships in a better context *Piece of Work* Laura Zigman, 2006-09-25 Perfect for book clubs this rollicking novel follows a stay at home mother as she re enters the workforce and juggles the demands of orchestrating a has been celebrity's comeback Julia Einstein knew that being a stay at home mom had a lot in common with her former job as a celebrity publicist endless irrational demands little to no appreciation and constant hustle But it isn't until her husband is laid off from his job and she's forced to go back to work and resurrect screen legend Mary Ford's career that Julia realizes how very much she prefers an actual child to a formerly famous client For example her child doesn't steal ten thousand dollar leather coats from photo shoots Nor does he require a constant fresh supply of a soda that is no longer in production He doesn't curse at Julia pronounce her name Einstein with a thick layer of disdainful irony or incessantly poke at her with his index finger while reciting odd variations on childlike rhymes like a psych patient on day pass With a mortgage looming and three years out of

the business however Julia knows she has no choice but to make Mary's comeback a success Even if it kills her Which at this pace is a possibility But if there is one thing Julia has learned from her time off from the office it's that sheer determination can solve almost everything After all if she can get through suburban living with its uncontrolled clutter and playground politics how hard can it be to resuscitate the career of an aging desperate has been And get over the fact that her husband is a better stay at home mom than Julia ever was **Heaven Scent** Labeena Ishaque,1998 *Click Here* Gary B.

**God Really, Really Likes You** Becky Proctor,2021-12-30 Have you ever felt alienated from angry at intimidated by or otherwise disconnected from God You are not alone Countless people go through life feeling among other things that God doesn t like them but this book shares life changing news God really really likes you just the way you are barefaced unfiltered unpolished on your worst hair day ever In this book the author shares her own struggles with misunderstanding God beginning as a child I was a child who didn t ask many questions From bits and pieces of fundamental sermons and overheard conversations my image of God was anything but loving I pictured God as the enforcer the disapprover a bad Santa ready to catch me doing something bad She kept a respectful distance from God for years Learn what motivated her to finally accept God s offer of grace how simple it was to do and how fulfilling life is now that she knows God not only loves her but likes her as well and how God reveals Himself in the simplicity of everyday life So no matter how raggedly how despicable you are feeling God likes you and loves you He created you in His own image You are not some randomly occurring experiment or some fatally flawed lump of humanity You are not a victim of your circumstances or of another s bad decisions or someone else s selfish dreams You are God s creation made for a divine purpose to walk through this life on a journey that goes beyond your wildest dreams And the best part of all God s got your back every step of the way
