

# MEMORIES

Death leaves heartache  
No one can heal.  
Memories are treasures  
No one can steal.  
Some may forget you  
Now that you are gone,  
But we will remember  
No matter how long.  
You will always stay  
Loved and remembered,  
In every way.  
No tears, no verse,  
Can ever say how much  
We miss you every day.

Animals have been with us since the state of existence or being. The bible tells us God created the animal kingdom for his pleasure. When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here. Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him. Animals have a mind that gives them the ability to think and have feelings. Animals have a certain intelligence we do not possess such as an internal guidance system. Both dogs and cats have this ability and I would imagine there are other animals as well. God created everything with a purpose and a need the animals kingdom is one such example. Many people believe God's purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life. However does the bible teach this? In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them. Many people consider the life of an animal as having a very small worth. To them an animal just lives and dies. Many people have the attitude of so what. The bible tells us God doesn't care for an attitude such as this because he values the life of his animals very much. Throughout the entire bible the information found pertaining to the animal kingdom is very precise. The bible tells us the animals are to be forever. God had this intention when he created them and this application of thought remains today and forever. The bible never mentions mankind alone is to receive eternal life. How different would our lives be without animals. There would be no pets for those who are lonely and without family. There would be no zoos for family outings. There would be no circus acts with animals. There would be no dog as a best friend. There would be no Seeing Eye dogs. There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc. I believe we simply overlook the fact there is a purpose for all of God's creatures. The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom. We need to know God's purpose for them. The bible explains in detail God's plan for his animals even after death. God wants us to know about them or he would never have emphasized their importance in his word. Many people are reluctant to discuss the animal kingdom from a biblical point of view. I find this strange to say the least. God has included them in his written word but many ministers will say very little if anything about them. The scriptures in this book are from the King James Bible. What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word. The bible is never contradictory. We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us. If we had the power to give our pet's eternal life would we want the life of our animals to be temporal? If God loves his animals more than we could ever love them shouldn't this type of love indicate his love for them is tremendous. Since we know God can give animal's eternal life could be there any single reason to give them life that would be only temporary? First we should know the bible is not dull, dismal or neutral. The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions. The interpretations of scriptures have

been defined several ways over the years and this has caused confusion in many churches. We will read scriptures about the animal kingdom that many of you may not know are in the bible. We will read scriptures that are clearly stated to mean one thing and one thing only and that is: Animals are to be in heaven. By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom. You may then decide if the scriptures do indeed tell us animals have a soul, do they have a spirit, did God create them with a purpose in this life, is he going to give them eternal life. With God's help you will decide. For more information please visit [www.dutchman3d.com](http://www.dutchman3d.com)

*I Am Forever* Alex Baillie, 2011-06-01. Description: I AM FOREVER is a story about a world in which everyday items, possessions, ideas, and concepts begin vanishing from existence. Charles Freemore is an office worker who leads an uneventful life until the world around him begins to change. The story is both about the ever-changing surroundings that Charles finds himself in and of his realisation that he is only the person who can remember all of the things that are disappearing. With each passing day Charles begins to question his own sanity and even the nature of what is real as he frantically attempts to find out what is happening to not only him but all humanity. What makes this novel unique is that it shows how we take a lot of things for granted and what life would be like if these possessions had never existed. The story initially states that the world may be a better place, however, as it progresses this is questioned as society becomes unrecognizable and Charles struggles with an increasing feeling of isolation. The novel has a thought-provoking end and leaves the reader questioning just what is possible in the world.

About the Author: Alex Baillie is 27 years old and lives in Kelvindale in Glasgow. Currently, Alex works in the banking industry; he has been writing short stories since he was a teenager and he recently wrote a short screenplay that has been made into a film by the Royal Scottish Academy of Music and Drama. Alex's main literary influence is Philip K. Dick, with novels such as *Time Out of Joint* and *The Man in the High Castle*. Other works that have inspired him include Philip Pullman's

His Dark Materials Trilogy and The Stand by Stephen King Alex aspires to write novels that challenge people's perceptions of normality and the nature of what reality is

**Letters to Heaven** Ken Horn, 2022-08-13 It was a summer of content Three generations of family in one household The escapades of two very rambunctious grandkids caught the hearts of friends and neighbors here in Michigan as they followed the stories of Liam and Zellie on social media Until the day we lost our precious two year old Zellie Opa's little girl The world crashed down on my shoulders so hard it drove me to my knees I had choices to make to look up or look away I looked up I thought I knew God and I tried to bargain with Him Nothing seemed to work Answers I received though helped me form a letter which I sent directly to God After that I wrote directly to Zellie These are Letters to Heaven With these letters I shared the horrible pain our family was going through Friends and family responded to the raw view of pain and prayers they read about There was no getting around the emotions of that stinging loss but we all began healing at about the same time From that agonizing moment to this day I find God sending people our way to help us on our life's journey together He also sent us quick glimpses into Heaven which you'll read about in this book I learned the hard way that the pain never goes away And it may sound strange to say but you don't want it to because that means forgetting Determined not to forget my beautiful Zellie's face or the way she wiggled when she laughed I chose to remember And the pain I merely survived This story will take you through a grandfather's love loss and a rediscovery of faith With that faith hope emerged the hope of seeing Zellie again in Heaven Because trust me Heaven is real Really real
