Heavenly Helpings:

Heavenly Helpings ,1992* **God's Plan** Andrea Erickson Lindsey,2024-03-04 One of the most important things we can do as parents and leaders as we read and search the scriptures is to attend carefully and focus seriously on the points of doctrine taught by apostles and prophets The author of this book quoted President Boyd K Packer s marvelous statement about how the teaching of doctrine changes lives and builds faith and testimony like nothing else can That being true it is crucial that parents or caretakers utilize every occasion to help children understand the doctrine of the gospel of Jesus Christ Familiarity with doctrine can give them a proper perspective on life fortify them against the wiles and temptations of the devil help them find comfort in difficult times bring the Holy Spirit into their daily walk and talk and come to know their Lord and Savior in ways that nothing else can Any effort therefore to assist children in understanding the doctrine found in holy scripture and the teachings of latter day apostles and prophets can be fundamental and foundational for our little ones In that spirit I applaud the effort of Andrea Erickson Lindsey to help parents help children Having worked successfully as a seminary teacher within the Church Educational System she is able to present the doctrine of the Church in a clear and understandable manner Andrea is a former student of mine and so I know something of her earnest desire patience and perseverance in pushing forward this project It is my hope that the lessons and examples provided within this book will assist parents and loved ones to bring the children up in the nurture and admonition of the Lord Ephesians 6 4 see also Enos 1 1 About the Author Andrea Erickson Lindsey received her master s degree in religious education from Brigham Young University in 2009 She was a Professional Religious Educator for The Church of Jesus Christ of Latter day Saints teaching both Seminary and Institute She taught at Education Week EFY Especially for Youth and Best of EFY for several years Her extensive training and experience in working with and teaching the youth is an important and valuable resource for parents during these difficult times **Warfare** Tony Evans,2018-09-04 You re at war Are you winning Your fight is not with the problems you can see depression a broken marriage addiction or financial troubles These are just the symptoms the true disease the true battle is against the devil and his armies But the devil s not afraid of mere humans like you and me So how are we supposed to fight More importantly how are we supposed to win Warfare is a guide to fighting the battles that matter In it you ll learn to identify how spiritual warfare is impacting your soul family church and culture who the armies are and what role they play God angels demons and the devil how to use the arsenal of spiritual weapons God provides how to claim the victory God has already won When we fight the right battles with the right weapons fear gives way to courage futility gives way to purpose and failure gives way to victory *The Friends' Library: Comprising Journals, Doctrinal Treatises, and Other Writings of Members of the Religious Society of Friends* William Evans,1849 **The Battle is the Lords** Tony Evans,2008-09-01 Do you want to be challenged to deepen your understanding of the characteristics and requirements of Almighty God The Understanding God Series contains the bulk of Pastor Tony Evans compelling and hard hitting resources
