Heavenly Breakfast:

Heavenly Breakfast Samuel R. Delany, 1979 **Group Works** Ethan Philbrick, 2023-04-25 An exciting new reflection on the role of artistic collaboration collectivism and the politics of group formation in the neoliberal era The artist and author Ethan Philbrick's *Group Works* reimagines the group by undertaking an historiographic archaeology of group aesthetics and politics Written against both phobic and romantic accounts of collectivity *Group Works* contends that the group emerges as a medium for artists when established forms of collective life break down Philbrick pairs group pieces in dance literature film and music from the 1960s and 1970s downtown Manhattan scene alongside a series of recent group experiments Simone Forti's dance construction *Huddle* 1961 is put into relation with contemporary reperformances of Forti's score and huddling as a feminist political tactic Samuel Delany's memoir of communal living *Heavenly Breakfast: An Essay on the Winter of Love* 1969-78 speaks to performance artist Morgan Bassichis's 2017 communal musical adaptation of Larry Mitchell's 1977 text *The Faggots and Their Friends Between Revolutions* Lizzie Borden's experimental documentary of feminist collectivity *Regrouping* 1976 sits alongside visual artist Sharon Hayes's 2014 piece on Manhattan's Pier 54 *Women of the World Unite they said* and Julius Eastman's insurgent piece of chamber music for four pianos *Gay Guerrilla* 1979 resonates alongside contemporary projects that take up Eastman's legacy by artists such as Tiona Nekkia McClodden By analyzing works that articulate the politics of race gender and sexuality as questions of group formation Philbrick approaches the group not as a stable idealizable entity but as an ambivalent way to negotiate and contest shifting terms of associational life *Group Works* presents an engaging exploration of what happens when small groups become a material and medium for artistic and political experimentation *Dangerous Visions and New Worlds* Andrew Nette, Iain McIntyre, 2021-10-26 Much has been written about the long Sixties the era of the late 1950s through the early 1970s It was a period of major social change most graphically illustrated by the emergence of liberatory and resistance movements focused on inequalities of class race gender sexuality and beyond whose challenge represented a major shock to the political and social status quo With its focus on speculation alternate worlds and the future science fiction became an ideal vessel for this upsurge of radical protest *Dangerous Visions and New Worlds: Radical Science Fiction 1950 to 1985* details celebrates and evaluates how science fiction novels and authors depicted interacted with and were inspired by these cultural and political movements in America and Great Britain It starts with progressive authors who rose to prominence in the conservative 1950s challenging the so-called Golden Age of science fiction and its linear narratives of technological breakthroughs and space conquering male heroes The book then moves through the 1960s when writers including those in what has been termed the New Wave shattered existing writing conventions and incorporated contemporary themes such as modern mass media culture corporate control growing state surveillance the Vietnam War and rising currents of counterculture ecological awareness feminism sexual liberation and Black Power The 1970s when the genre reflected the end of various dreams of the long Sixties and the

faltering of the postwar boom is also explored along with the first half of the 1980s which gave rise to new subgenres such as cyberpunk *Dangerous Visions* and *New Worlds* contains over twenty chapters written by contemporary authors and critics and hundreds of full color cover images including thirteen thematically organised cover selections New perspectives on key novels and authors such as Octavia Butler Ursula K Le Guin Philip K Dick John Wyndham Samuel Delany J G Ballard John Brunner Judith Merrill Barry Malzberg Joanna Russ and many others are presented alongside excavations of topics works and writers who have been largely forgotten or undeservedly ignored **Samuel R. Lloyd, 2022-11-15 Why Black dignity is the paradigm of all dignity and Black philosophy is the starting point of all philosophy This radical work by one of the leading young scholars of Black thought delineates a new concept of Black dignity yet one with a long history in Black writing and action Previously in the West dignity has been seen in two ways as something inherent in one's station in life whether acquired or conferred by birth or more recently as an essential condition and right common to all of humanity In what might be called a work of observational philosophy an effort to describe the philosophy underlying the Black Lives Matter movement Lloyd defines dignity as something performative not an essential quality but an action struggle against domination Without struggle there is no dignity He defines anti Blackness as an inescapable condition of American life and the slave's struggle against the master as the primal scene of domination and resistance Exploring the way Black writers such as Frederick Douglass Langston Hughes and Audre Lorde have dealt with themes such as Black rage Black love and Black magic Lloyd posits that Black dignity is the paradigm of all dignity and more audaciously that Black philosophy is the starting point of all philosophy Death by Espresso Alex Erickson, 2018-06-26 A sleuthing bookseller has her hands full with a hyperactive wedding planner a meddlesome mother of the bride and murder Bookstore caf owner Krissy Hancock has plenty to keep her occupied outside business hours like preparing for her best friend's wedding She's meeting Vicki's parents at the Pine Hills Ohio airport it's the least she can do as maid of honor even if her relationship with Mr and Mrs Patterson is a bit strained Besides her own dad is coming in on the same flight But there are a few additional arrivals too Her father's brought a date and the Pattersons both actors seem to have an entire entourage trailing behind them Uninvited guests are a headache especially when one turns out to be allegedly at least the most important wedding planner in all the world Though Vicki and Krissy have already made arrangements for a small simple party Vicki's snobby drama queen mother has her own ideas Cathy the wedding planner is raring to go possibly energized by the chocolate covered espresso beans she compulsively munches But while the caffeine keeps her awake it doesn't keep her alive and after Cathy chokes on an espresso bean after being hit in the head Krissy has to find out who ended her supposedly stellar career **Fodor's In Focus Charleston** Fodor's Travel Guides, 2015-05-12 Written by locals Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years Fodor's correspondents highlight the best of Charleston including historic downtown attractions famed cuisine lovely inns and scenic nearby plantations Our local experts vet every recommendation to ensure you make the most of your time whether it's your first trip or your fifth This travel guide includes Dozens of maps An 8 page color insert with a brief introduction and spectacular photos that capture the top experiences and attractions throughout Charleston Hundreds of hotel and restaurant recommendations with Fodor's Choice designating our top picks Major sights such as White Point Gardens and the Battery Old Slave Mart Museum Sullivan's Island
