**Memories of Heaven** Dr. Wayne W. Dyer, Dee Garnes, 2020-02-25 In the popular vein of Heaven Is for Real and now available in paperback Memories of Heaven written by 1 New York Times best selling author Dr Wayne W Dyer and friend and collaborator Dee Garnes collects astonishing real life stories of children who vividly remember heaven from the time before they were born Dr Wayne W Dyer and co author Dee Garnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine our infants and toddlers In fact Dee had an interaction with her own young son that convinced her of this Curious about this phenomenon Wayne and Dee decided to issue an invitation to parents all over the world to share their experiences The overwhelming response they received prompted them to put together this book which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families They tell of dialogues with God give evidence that they themselves had a hand in picking their own parents speak about long deceased family members they knew while in the dimension of Spirit verify past life recollections and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm and even of times when telepathic communication took place as well as the ability to decide just when they would come here to Earth This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals and to realize that there is far more to this earthly experience than what we perceive with our five senses

*On My Way to Heaven* Michele E. Davis, 2009-10-07 Summary Life has a way of taking you through many unexpected twists and turns Know that God does not do these things to us He allows things to happen to not only get our attention but to prepare us to operate and function

within His purpose He has for our lives Walk the journey of despair confusion and lifes altering circumstances within On My Way to Heaven Envision how God allows adversities and people to walk in and out of our lives to assist in our preparation As we learn life lessons we should embrace forgiveness and learn how to become better instead of bitter Once this is achieved a place of peace will be upon you And Jesus said to Paul But rise and stand on your feet for I have appeared to you for this purpose to make you a minister and a witness both of the things which you have seen and of the things which I will yet reveal to you Acts 26 16 As Jesus spoke to Paul on his Journey to Damascus he speaks to us today      **Waverley novels** Walter Scott,1839      *Whispers from Heaven* Barbara S.
