**The Heavy-petting Zoo** Clare Pollard, 1998 Clare Pollard wrote most of these poems while still at school in Bolton Too young perhaps to expect anyone to take her seriously but young enough to question that assumption and much else besides Her poems are fresh and energetic barbed with a modern girl's natural cynicism but tempered with open eyed hope as well as wry acceptance In *The Heavy Petting Zoo* the male of the species is shown in all his preening glory his growling and posturing exposed but also given marks out of ten The book gives us the world according to Clare Pollard writing as a teenager an insider's in your face portrayal of the tarnished lives of today's bright young things

**Animals, Deviance, and Sex** Carmen M. Cusack,2015-10-13 *Animals Deviance and Sex* proposes that deviance is a fluid term that advances cultural gender human and societal norms but deviant labels that presume unequivocally to segregate superior human morality from animal sexuality may fail to see the forest for the trees A plain reading of the word deviance may suggest scientific or quantitative classifications Indeed animal species may be grouped and analyzed according to generalized norms for each species However deviance may indicate moral relativism which is fundamentally tied to historical and contemporary understandings of human sexuality and human animal relationships *Animals Deviance and Sex* argues that traditional and progressive classifications analyses and implications of human deviance could authentically be reworked in consideration of animals anatomy breeding copulation gender mating nonconsent and sexuality Morally and ethically gray areas voluntarily and knowingly traversed by human animal sexual linkages have expanded and become increasingly normalized by popular culture *Animals Deviance and Sex* s treatment of these trends is amusingly complex yet unpretentious truthfully proficient and careful Each chapter assiduously and succinctly tethers animal science anecdotes behavior and social science current events human animal relationships law and theory throughout dozens of exotically themed subchapters *Animals Deviance and Sex* is a well organized oeuvre demonstrating professional expertise and experience
