a dynamic equivalent that reflects the intended meaning of the author more clearly As a whole the full Biblical Hebrew for All Volumes 1 5 series features 6 223 Grammar examples directly from the Hebrew Bible 27 Paradigm Charts covering all verb classes 1500 Verb forms parsed and translated 890 Terms in BHS footnotes with examples The frequency of nouns and verbs shown throughout The full five volume series literally lifts the veil in that it comprises a selection of 400 passages from the Hebrew Bible all fully explained and literally translated to illustrate the fact that a basic knowledge of Biblical Hebrew will enable the reader to compliment any standard English translation and discover much more from the original text As a result of his own passion and drive to teach others language Tian Hattingh has put together straightforward methods and approaches which facilitate students to efficiently learn Biblical Hebrew as well as other languages too Since 2002 Tian has been engaged in working and running ESL IELTS language schools in Asia and on taking sight in photographs of some of Tian s many hundreds if not thousands in total of enthusiastic happy and joyful language students one can immediately know that a wonderful teacher and tutor has been found Tian has a passion and natural gift for learning studying and teaching languages to aspiring students and has been doing so for the last 47 years since he began studying the Zulu language in South Africa in 1974 The year 1974 also saw Tian begin studying Hebrew and it was not long before he was running beginner classes at a polytechnic in Rustenburg South Africa teaching others the Hebrew language Since that time Tian has spent considerable time traveling in Israel further developing his understanding of Biblical Hebrew and between 2014 to 2016 Tian conducted classes for beginners in Biblical Hebrew in the city of Shenzhen China Since 2016 since moving to Vietnam as well as continuing to work at ESL IELTS language schools Tian has focused on teaching Biblical Hebrew via online methods based upon the system of learning expressed and illustrated in the five volumes of Biblical Hebrew for All The five volumes cover the following Volume 1 Basic Grammar Strong Verbs Volume 2 Weak Verbs Volume 3 Doubly Weak Verbs Volume 4 Textual Criticism Volume 5 Lifting the Veil **Biblical Hebrew for All** Tian Hattingh,2022-07-11 *Biblical Hebrew for All* Tian Hattingh,2022-02 **Biblical Hebrew for All** Tian Hattingh,2021-04-28 This is a uniquely different textbook for studying Biblical Hebrew It was written by a fellow student who found that gaining some very basic knowledge of the language dramatically and positively changed his previously held views of the Old Testament In addition the author realized that the language was actually not so difficult to master and that someone with an average intelligence like himself could with a bit of dedication and effort actually master the bulk of the material He started teaching his friends in South Africa and later in China They were ordinary folk from all walks of life who also for some time wanted to gain a basic insight into the original language of the Old Testament but did not want to in any way become involved in formal academic studies The author was delighted to find that the style and pace in which he presented the material coupled with the their enthusiasm resulted in these laymen and women immediately making rapid and lasting progress They agreed that the new insights gained even from the first lesson were fascinating and they were excited by the prospect of learning more He soon realized that the textbooks

available at that time were not written with these type of students in mind and he started making hand outs suitable for his special target population With the encouragement of his mentor from a few decades earlier to whom this book is dedicated and another genius in the field he perfected the notes technically and they became the genesis of what is now presented in this publication **Hebrew for All** Harold Levy,1972 **Biblical Hebrew for All** Tian Hattingh,2022-03-11 This is Biblical Hebrew for All Volume 3 Intermediate Second Edition the third book in a five volume series titled Biblical Hebrew for All Volumes 1 5 Biblical Hebrew for All Volume 3 Intermediate Second Edition is intended as a self study textbook for beginners and undergraduate students focused on weak verbs and irregular verbs From the preface of Biblical Hebrew for All Intermediate Volume 3 After successfully mastering the structures of strong and weak verbs students are now able to move on to the next and last step in understanding the verbs of the Hebrew Bible In this volume we deal with a number of verbs that display a combination of two weak characteristics and are therefore known as the doubly weak verbs In addition a number of totally unique verbs as well as the stative verbs are covered About Biblical Hebrew for All Volumes 1 5 As a whole the full Biblical Hebrew for All Volumes 1 5 series features 6 223 Grammar examples directly from the Hebrew Bible 27 Paradigm Charts covering all verb classes 1500 Verb forms parsed and translated 890 Terms in BHS footnotes with examples The frequency of nouns and verbs shown throughout The full five volume series literally lifts the veil in that it comprises a selection of 400 passages from the Hebrew Bible all fully explained and literally translated to illustrate the fact that a basic knowledge of Biblical Hebrew will enable the reader to compliment any standard English translation and discover much more from the original text As a result of his own passion and drive to teach others language Tian Hattingh has put together straightforward methods and approaches which facilitate students to efficiently learn Biblical Hebrew as well as other languages too Since 2002 Tian has been engaged in working and running ESL IELTS language schools in Asia and on taking sight in photographs of some of Tian s many hundreds if not thousands in total of enthusiastic happy and joyful language students one can immediately know that a wonderful teacher and tutor has been found Tian has a passion and natural gift for learning studying and teaching languages to aspiring students and has been doing so for the last 47 years since he began studying the Zulu language in South Africa in 1974 The year 1974 also saw Tian begin studying Hebrew and it was not long before he was running beginner classes at a polytechnic in Rustenburg South Africa teaching others the Hebrew language Since that time Tian has spent considerable time traveling in Israel further developing his understanding of Biblical Hebrew and between 2014 to 2016 Tian conducted classes for beginners in Biblical Hebrew in the city of Shenzhen China Since 2016 since moving to Vietnam as well as continuing to work at ESL IELTS language schools Tian has focused on teaching Biblical Hebrew via online methods based upon the system of learning expressed and illustrated in the five volumes of Biblical Hebrew for All The five volumes cover the following Volume 1 Basic Grammar Strong Verbs Volume 2 Weak Verbs Volume 3 Doubly Weak Verbs Volume 4 Textual Criticism Volume 5 Lifting the Veil □□□□ □□□ ,□□□□! Kugel,2012-05-01 James Kugel s essential introduction and companion to the Bible combines modern scholarship with the wisdom of ancient interpreters for the entire Hebrew Bible As soon as it appeared How to Read the Bible was recognized as a masterwork awesome thrilling The New York Times wonderfully interesting extremely well presented The Washington Post and a tour de force a stunning narrative Publishers Weekly Now this classic remains the clearest most inviting and readable guide to the Hebrew Bible around and a profound meditation on the effect that modern biblical scholarship has had on traditional belief

Moving chapter by chapter Harvard professor James Kugel covers the Bible's most significant stories the Creation of the world Adam and Eve Cain and Abel Noah and the flood Abraham and Sarah Jacob and his wives Moses and the exodus David's mighty kingdom plus the writings of Isaiah Jeremiah and the other prophets and on to the Babylonian conquest and the eventual return to Zion Throughout Kugel contrasts the way modern scholars understand these events with the way Christians and Jews have traditionally understood them The latter is not Kugel shows a naive reading rather it is the product of a school of sophisticated interpreters who flourished toward the end of the biblical period These highly ideological readers sought to put their own spin on texts that had been around for centuries utterly transforming them in the process Their interpretations became what the Bible meant for centuries and centuries until modern scholarship came along The question that this book ultimately asks is What now As one reviewer wrote Kugel's answer provides a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition
