**Erwin Ramsdell Goodenough**

## **Hebrew Philosophical Genius A Vindication:**

*The Hebrew Philosophical Genius* Duncan Black Macdonald, 1936      **Hellenistic influence on the book of wisdom and its consequences** James M. Reese, 1970      *A Biblical Theology of Gerassapience* Joel A. A. Ajayi, 2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In *A Biblical Theology of Gerassapience* the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise      *Drama of the Divine Economy* Paul M. Blowers, 2012-10-11 The theology of creation interconnected with virtually every aspect of early Christian thought from Trinitarian doctrine to salvation to ethics Paul M Blowers provides an advanced introduction to the multiplex relation between Creator and creation as an object both of theological construction and religious devotion in the early church While revisiting the polemical dimension of Christian responses to Greco Roman philosophical cosmology and heterodox Gnostic and Marcionite traditions on the origin constitution and destiny of the cosmos Blowers focuses more substantially on the positive role of patristic theological interpretation of Genesis and other biblical creation texts in eliciting Christian perspectives on the multifaceted relation between Creator and creation Greek Syriac and Latin patristic commentators Blowers argues were ultimately motivated less by purely cosmological concerns than by the urge to depict creation as the enduring creative and redemptive strategy of the Trinity The drama of the divine economy which Blowers discerns in patristic theology and piety unfolded how the Creator invested the end of the world already in its beginning and thereupon worked through the concrete actions of Jesus Christ and the Holy Spirit to realize a new creation      *The Moral Philosophy of Judaism* Martin Sicker, 2010-05-14 The concern of *The Moral Philosophy of Judaism* is with the first principles that underlie the approach of Judaic ethics to the manifold issues confronting mankind generally and adherents of Judaism in particular in the contemporary world The book explores the fundamental biblical concept of mans moral autonomy and its implications the meaning and significance of the fundamental

biblical doctrine of man being created in the image of God the nature of an individuals moral judgment the complex issue of the relationship between natural morality and law and between law and justice in Judaism the concept of imitatio Dei and its implications the meaning of good and evil from a Judaic perspective and biblical formulation of the Golden Rule and the reasons for its reformulation in later rabbinic literature as a general guide to the establishment of a socially harmonious moral and just society

**Johannine Theology** Paul A. Rainbow, 2014-09-05 In this magisterial synthesis Paul A Rainbow presents the most complete account of the theology of the Johannine corpus available today Both critical and comprehensive this volume includes all the books of the New Testament ascribed to John the Gospel the three epistles and the book of Revelation

*The Politics of Philo Judaeus* Erwin Ramsdell Goodenough, 1938

Philosophy David K. Naugle, 2012-09-30

Philosophy pervades every sphere of life from the defense of the gospel to the formulation of Christian doctrine to the daily decisions we make In this work distinguished professor David Naugle gives us a firm understanding of the basic issues thinkers and sub disciplines in the field of philosophy as well as an invitation to engage with the contemporary challenges therein He discusses the importance of prolegomena assumptions and methods and the vocation of Christian philosophers Naugle also outlines the differences between the Hebrew and Greek mindsets and provides biblical perspectives through an Augustinian approach Above all Naugle teaches us how to philosophize in light of God and the gospel

*Smart Jews* Sander L. Gilman, 1997-01-01

Smart Jews addresses one of the most controversial theories of our day the alleged connection between race or ethnicity intelligence and virtue Sander Gilman shows that such theories have a long disturbing history He examines a wide range of texts scientific treatises novels films philosophical works and operas that assert the greater intelligence and often lesser virtue of Jews The book opens with a discussion of concepts that relate intelligence and race particularly those that figure in the controversial bestseller *The Bell Curve* it then describes scientific theories of Jewish superior intelligence that were developed in the nineteenth and early twentieth centuries Gilman explores the reactions to those theories by Jewish scientists and intellectuals of that era including Sigmund Freud Ludwig Wittgenstein and Hugo von Hofmannsthal The conclusion turns to how such ideas figure in modern novels and films from F Scott Fitzgerald s *The Last Tycoon* to Stephen Spielberg s *Schindler s List* and Robert Redford s *Quiz Show* Gilman demonstrates how stereotypes can permeate society finding expression in everything from scientific work to popular culture And he shows how the seemingly flattering attribution of superior intelligence has served to isolate Jews and to cast upon them the imputation of lesser virtue A fascinating highly readable book Smart Jews is an essential work in our ongoing debates about race ethnicity intelligence and virtue Sander Gilman is Henry R Luce Professor of the Liberal Arts in Human Biology at the University of Chicago His works include *Difference and Pathology* *Stereotypes of Sexuality* *Race and Madness* *Jewish Self Hatred* *Anti-Semitism* and the *Hidden Language of Jews* and *Inscribing the Other* Nebraska 1992

The "Truth" of the Bible Stanley A. Cook, 2023-04-25

**The Problem of Evil in the Ancient World** Mark Edwards, 2023-06-22 The aim of this book is to ascertain how ancient

Greek and Latin authors both pagan and Christian formulated and answered what is now called the problem of evil. The survey ranges chronologically from the classical and Hellenistic eras through the Roman era to the end of the pagan world. Six of the twelve chapters are devoted to Christianity including Manichaeism as one thesis of the book is that the problem of evil takes an acute form only for Christians since no other philosophy of antiquity posits a personal God exercising providence over individuals without having to overcome countervailing forces. None the less it will also be shown that Greek philosophies Platonism in particular come close to the Christian formulation. Being conscious of the affinity between Greek thought and their own early Christians respond to the problem of evil in the same way as the philosophers by questioning the existence of evil rather than of the divine.

*The Document Within the Walls* Guia Risari, 1999 Giorgio Bassani is an Italian Jewish writer from Ferrara famous largely for *The Garden of the Finzi Contini*, *The Golden Rimmed Eye Glasses* and other novels brought together in *Il Romanzo di Ferrara* 1980. In this monumental work Bassani describes the life of the Italian Jews under Fascism. Bassani may be seen as not just a fictional writer but as a witness of persecution of Jews under Fascism. His *Romanzo* is not so much a novel but a multifaceted document on Jewish life in the peninsular. This volume takes into account a close reading of Bassani's literary theories on witnessing the Shoah and the historical debate on Italian discriminatory politics. The book is thus both literary criticism and an analysis of anti-Semitism and Jewish assimilation in Italy.

*Qoheleth* James L. Crenshaw, 2013-08-31 In this substantive yet accessible volume Crenshaw brings to life the Bible's strangest sage. A superb introduction for students and scholars alike. William P. Brown, William Marcellus McPheeters, Professor of Old Testament at Columbia Theological Seminary. Rarely does a biblical book evoke admiration from a Nobel laureate in literature, a newspaper columnist, a prize-winning poet, and a popular songwriter. Ecclesiastes has done that, and for good reason. Its author, who called himself Qoheleth, stared death in the face and judged all human endeavors to be futile. For Qoheleth, observation is the only avenue to understanding an arbitrarily wrathful and benevolent deity created and rules over the world, and death is unpredictable, absolute, and final. His message is simple: seize the moment for death awaits. James L. Crenshaw begins by examining the essential mysteries of the book of Ecclesiastes: the speaker's identity, his emphasis on hidden or contradictory truths, and his argument of the insubstantiality of most things and the ultimate futility of all efforts. Moving from the ancient to the contemporary, Crenshaw again analyzes Qoheleth's observations about the human condition, this time testing if they can stand up against rational inquiry today. In exploring Qoheleth's identity, the foundations of his outlook, and his recommendations, Crenshaw engages modern readers in a conversation about one of the most disagreed-upon biblical books. In *Qoheleth*, Crenshaw draws on related literature from the ancient Near East and traces the impact of Qoheleth in both Christian and Jewish traditions, summarizing a lifetime of scholarship on the book of Ecclesiastes. While exploring Ecclesiastes and its enigmatic author, Crenshaw engages scholars and modern interpreters in genuine debate over the lasting relevance of Qoheleth's teachings and the place of Ecclesiastes in the biblical canon.

**Understanding Wisdom Literature** David

Penchansky,2012-03-21 Israelite wisdom literature David Penchansky argues records the disputes of ancient sages over basic human questions What is the purpose of life Is God just Why do we suffer Does God even exist Penchansky sees conflicting answers to these questions in Proverbs Job Ecclesiastes Ben Sira and the Wisdom of Solomon and does not try to harmonize them Instead he finds meaning in the very dissonance and contradiction within these texts Employing the latest scholarship yet remaining accessible to nonspecialists and students Penchansky strikingly focuses on the big picture behind wisdom literature making it easy for readers to follow and appreciate these challenging texts without undermining each book's distinctive features In the process Penchansky opens up this rich and fertile vein of Israelite thought and demonstrates the renewed relevance of ancient Hebrew wisdom for today **The Hebrew philosophical genius** Duncan Black

Macdonald,1965 Pondering the Imponderable Martin Sicker,2010-03-25 Pondering the Imponderable explores the philosophical and theological problems of God and their implications from a Judaic perspective including the attempts at knowing the unknowable and naming the unnamable that have been articulated over the course of some two millennia as well as how the chasm between man and God is bridged through revelation and the implications of these ideas for the ultimate question of what takes place after death resurrection immortality of the soul or transmigration or reincarnation In discussing these issues the non specialized reader will be introduced to the vast corpus of rabbinic literature written over a period of some two millennia to the present day and to many works that have never been translated into English

**Alienated Wisdom** Giuseppe Veltri,2018-08-21 The present study addresses problems of an epistemological nature which hinge on the question of how to define Jewish thought It will take its start in an ancient question that of the relationship between Jewish culture Greek philosophy and then Greco Roman and Christian thought in connection with the query into the history and genealogy of wisdom and knowledge Our journey into the history of the denomination Jewish philosophy will include a leg that will lead us to certain declarations of political moral and scientific principles and then on to the birth of what is called philosophia perennis or in Christian circles prisca theologia Our subject of inquiry will thus be the birth of the concept of Jewish philosophy Jewish theology and Jewish philosophy of religion A special emphasis will fall on the topic treated in the last part of this study Jewish scepticism a theme that involves a philosophical attitude founded on

dialectical enquiry as the etymology of the Greek word skepsis properly means Irony of Theology and the Nature of Religious Thought Donald Wiebe,1991 Donald Wiebe critically examines the pervasive assumption that theology is a form of religious thought that is both compatible with and supportive of religious faith The irony he argues is that theology is in fact detrimental to religion and the religious way of life **The Vitality of Enjoyment in Qohelet's Theological Rhetoric**

Eunny P. Lee,2012-02-14 This study explores the interplay between the commendation of enjoyment and the injunction to fear God in Ecclesiastes Previous studies have tended to examine these seemingly antithetical themes in isolation from one another Seeing enjoyment and fear to be positively correlated however enables a fresh articulation of the book's theology

Enjoyment of life lies at the heart of Qohelet's vision of piety which may be characterized as faithful realism calling for an authentic engagement with both the tragic and joyous dimensions of human existence Winner of the 2007 John Templeton Award for Theological Promise     **Jewish Historiography Between Past and Future** Paul Mendes-Flohr, Rachel Livneh-Freudenthal, Guy Miron, 2019-07-22 From its modest beginnings in 1818 Berlin Wissenschaft des Judentums has burgeoned into a scholarly discipline pursued by a vast cadre of scholars Now constituting a global community these scholars continue to draw their inspiration from the determined pioneers of Wissenschaft des Judentums in nineteenth and twentieth Germany Beyond setting the highest standards of philological and historiographical research German Wissenschaft des Judentums had a seminal role in creating modern Jewish discourse in which cultural memory supplemented traditional Jewish learning The secular character of modern Jewish Studies initially pursued largely in German and subsequently in other vernacular languages e g French Dutch Italian modern Hebrew Russian greatly facilitated an exchange with non Jewish scholars and thereby encouraging mutual understanding and respect The present volume is based on papers delivered at a conference sponsored by the Leo Baeck Institute in Jerusalem by scholars from North American Europe and Israel The papers and attendant deliberations explored ramified historical and methodological issues Taken as a whole the volume represents a tribute to the two hundred year legacy of Wissenschaft des Judentums and its singular contribution to not only modern Jewish self understand but also to the unfolding of humanistic cultural discourse

## Enjoying the Beat of Phrase: An Psychological Symphony within **Hebrew Philosophical Genius A Vindicatio**

In a world consumed by displays and the ceaseless chatter of immediate conversation, the melodic beauty and emotional symphony developed by the written word frequently disappear into the background, eclipsed by the constant sound and disruptions that permeate our lives. But, located within the pages of **Hebrew Philosophical Genius A Vindicatio** a stunning literary treasure filled with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this fascinating masterpiece conducts visitors on a mental trip, skillfully unraveling the hidden tunes and profound influence resonating within each carefully crafted phrase. Within the depths with this poignant analysis, we will investigate the book is key harmonies, analyze their enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
