Evans, 1979 **Understanding Hebrew Idiom & Figurative Language** Troy J. Edwards, 2023-01-10 Does God hate certain people or does He love everyone Is He jealous of anyone Does He struggle with anger Is He looking for people to be terrified of Him Is He self centered and vindictive Can He be provoked easily Does He lead people astray Is He punishing children grandchildren and great grandchildren for the sins of their forefathers Some argue that the Bible teaches that God is the one who accomplishes all of this Sadly some have reached these incorrect conclusions because they were unable to appreciate the figurative and idiomatic language of Scripture This book *Understanding Hebrew Idiom & Figurative Language* teaches us how portrayals of God when examined from the perspective of the Ancient Near Eastern culture from which Scripture was written give us a truly stunning image of the God who is exactly like Jesus **A Homiletical Praxeology on the Persuasiveness of Literary Forms** Ferdi P. Kruger, 2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew's Gospel and the Hebrew sermon The book's uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative

perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice The Visions of Daniel the Hebrew Prophet Robert Johns,2012 For centuries controversy has raged over the authorship and genuineness of the book of Daniel Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel or is it a forged document written centuries later to encourage Israelites being oppressed by the Seleucid king Antiochus Epiphanes Robert Johns addresses these issues and more in his thesis on Daniel s visions Importantly Johns establishes when Daniel was provided with his visions and he defines why God provided Daniel with the visions The Visions of Daniel the Hebrew Prophet examines the metal image the beast with eleven horns the Seventy sevens chapter eight s little horn and the 2 300 evening mornings It demonstrates that the enigmatic 1 290 days and 1 335 days are anything but enigmatic and it identifies the reason why Daniel s fifth and final revelation is so detailed Appendices address issues of general nature such as the historicity of Jesus the Christ the popularity of dispensationalism the identity of the abomination that desolates and the integrity of novels representing the Christian fiction genre which focus on a seven year tribulation period at the end of history This book will be of value to every Christian who has an interest in Bible prophecy and eschatology Euthanasia, Suicide, and Despair: Can the Bible Help? Michael J. Lowis,2015-10-21 Despite its title this is not a morbid or depressing book but one that it is hoped will bring encouragement and comfort to all who are experiencing life s difficulties even to the point of wondering if they wish to continue living However the question of whether or not it is morally acceptable for people to receive help to end their lives prematurely is a divisive one but it is one that cannot be ignored Some countries have already legalized voluntary euthanasia whilst others are still wrestling with this ethical dilemma We all hope that we will never be faced with this situation but if it does arise where can we turn for help and guidance The Bible is one useful resource as over fifty passages have been identified that relate to coping with desperate life circumstances along with a few instances where a life has been ended prematurely In addition to identifying and discussing these passages this book also provides helpful background on the history of the biblical sources used along with factors influencing their interpretation Reading this book should provide strength and courage to persevere through life s adversities **Grace beyond the Grave** Stephen Jonathan,2014-05-19 Grace beyond the Grave explores the possibility of the opportunity for repentance and salvation on the other side of the grave Stephen Jonathan pastor and theologian explores posthumous salvation as a viable evangelical alternative to the traditional view that death ends all possibility of salvation doing so with humanity integrity and devotion to Scripture Jonathan is not dissuaded from asking provocative questions for fear of being thought unorthodox While scholarly Grace beyond the Grave will be of benefit to pastors theological students and lay people alike During nearly three decades of a teaching ministry

Jonathan became increasingly conscious that the common mechanical answers to the more pressing questions are often inadequate and need revisiting Grace beyond the Grave will both unsettle the theologically comfortable and reassure the open minded in equal measure *Jews and Christians in the First and Second Centuries: How to Write Their History* Peter J. Tomson, Joshua J. Schwartz, 2014-08-21 The papers in this volume are organized around the ambition to reboot the writing of history about Jews and Christians in the first two centuries CE Many are convinced of the need for a new perspective on this crucial period that saw both the birth of rabbinic Judaism and apostolic Christianity and their parting of ways Yet the traditional paradigm of Judaism and Christianity as being two totally different systems of life and thought still predominates in thought handbooks and programs of research and teaching As a result the sources are still being read as reflecting two separate histories one Jewish and the other Christian The contributors to the present work were invited to attempt to approach the ancient Jewish and Christian sources as belonging to one single history precisely in order to get a better view of the process that separated both communities In doing so it is necessary to pay constant attention to the common factor affecting both communities the Roman Empire Roman history and Roman archaeology should provide the basis on which to study and write the shared history of Jews and Christians and the process of their separation A basic intuition is that the series of wars between Jews and Romans between 66 and 135 CE a phenomenon unrivalled in antiquity must have played a major role in this process Thus the papers are arranged around three focal points 1 the varieties of Jewish and Christian expression in late Second Temple times 2 the socio economic military and ideological processes during the period of the revolts and 3 the post revolt Jewish and Christian identities that emerged As such the volume is part of a larger project that is to result in a source book and a history of Jews and Christians in the first and second centuries *Destination Holiness* Christie Loney, 2010-07-30 Destination Holiness invites you on a journey Each week provides a theme that is developed each day along with scriptures and stories that encourage the reader to consider their own lifes journey There are Challenges and Love Notes from the author and all along the way a sense that it was written as a personal letter just for you Indeed it was as the author and finisher of our faith journey toward holiness is Jesus Christ and this book is truly His inspiration *Hebrews* William L. Lane, 1991 Examines the biblical book of Hebrews focusing on chapters nine through thirteen In each phrase of every verse analyzes Judaic thought and language and points out shifts of syntax and vocabulary from Old Testament times to the days of the early church when Hebrews was written *Faith* Dale Larsen, Sandy Larsen, 2011-10-18 If you ever struggle with uncertainties about faith you ll find good company in the pages of the Bible Dale and Sandy Larsen lead you through nine LifeGuide Bible studies on people who struggled with faith to encourage you in your journey to deeper trust **Should the Church Teach Tithing?** Russell Earl Kelly, 2001-01-11 Following a thorough examination of every biblical text on tithing Dr Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving After discussing sound biblical reasons for Christians to replace tithing he presents God s better

principles of grace Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing Following several chapters which discuss disputed texts relating to pastoral support this book traces the early development of church support as found in the Church Fathers before Nicea This book leaves no question or objection about tithing unanswered It is a must read for any serious Bible student There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing
