Hegemony And Greek Historians

John Bagnell Bury

Hegemony And Greek Historians:

Hegemony and Greek Historians John Moore Wickersham,1994 In this book John Wickersham studies the concept of hegemony in the histories of Herodotus Thucydides Xenophon and Ephorus He shows the growth of hegemony as a major theme of the historians and an important concern of classical Greek civilization While concentrating on the single theme of hegemony Wickersham also offers an overall appreciation of each author studied and of the Classical Greek historians as a group *Hegemony and Greek Historians* John Moore Wickersham,1972 **The Ancient Greek Historians (Harvard Lectures)** John Bagnell Bury,1909 Rhetorical Adaptation in the Greek Historians, Josephus, and Acts vol.I John M.

Duncan,2022-10-24 Greco Roman rhetorical theorists insist that speakers must adapt their speeches to their audiences in order to maximize persuasiveness and minimize alienation Ancient historians adorn their narratives with accounts of attempts at such rhetorical adaptation the outcomes of which decisively impact the subsequent course of events These depictions of speaker audience interactions moreover convey crucial didactic persuasive insights to the historians own audiences This monograph presents a detailed comparative analysis of the intra and extra textual functions of speeches and audience responses in Greek historiography Josephus and Acts with special emphasis on Luke s distinctive depiction of the apostles as adaptable yet frequently alienating orators This is volume I of a set of two volumes *Slaves, Warfare, and Ideology in the Greek Historians* Peter Hunt,2002-05-09 This book challenges conventional opinion by arguing that slaves and Helots played an important part in classical Greek warfare Although rival city states often used these classes in their own forces or tried to incite their enemies slaves to rebellion or desertion such recruitment was ideologically awkward slaves or Helots despised and oppressed classes should have had no part in the military service so closely linked with citizenship with rule and even with an individual s basic worth Consequently their participation has tended to drop out of the historical record Focusing on Herodotus Thucydides and Xenophon this study attempts to demonstrate the actual role played by slaves and Helots in warfare the systematic neglect of the subject by these historians and the ideologies motivating this reticence

Greek Historians John Marincola,2001-12-13 This survey of more recent work on Herodotus Thucydides and Polybius synthesises some of the most important research from the last few decades The Greek Histories Mary Lefkowitz,James Romm,2024-01-02 From the leading scholars behind The Greek Plays a collection of the best translations of the foremost Greek historians presenting a sweeping history of ancient Greece as recorded by its first chroniclers Just the thing to remind us that human history though lamentably a work in progress is always something we can understand better Sarah Ruden translator of The Gospels and author of The Face of Water The historians of ancient Greece were pioneers of a new literary craft their work stands among the world s most enduring and important legacies and forms the foundation of a major modern discipline This highly readable edition includes new and newly revised translations of selections from Herodotus often called the father of history Thucydides Xenophon and Plutarch the four greatest Greek innovators of historical narrative Here the

reader will find their most important and most widely taught passages collected in a single volume The excerpts chart the landmark events of ancient Greece and provide a comprehensive account of the entire classical Greek age From the start the Greek historians demonstrated how broad and varied historical writing could be and brought their craft beyond a mere chronicle of past events This volume explores each author's interest in religion leadership character and the lessons of war How for instance should readers interpret Herodotus inclusion of speeches and dialogues dreams and oracles as part of the factual record What did Thucydides understand about human nature that as he said stays constant throughout time How did Plutarch frame historical biography as a means of depicting the moral qualities of great men Complete with introductions to the works of each historian footnotes providing context and explaining obscurities maps and an appendix on the Greek conduct of war this volume is an invaluable resource for students and passionate readers of history alike

Hegemony and Power Howard H. Lentner, Mark Haugaard, 2006-07-24 This book provides the first systematic examination of the relationship of hegemony and power Nine essays delve into the diverse analytical aspects of the two concepts and an introduction and conclusion by the editors respectively forge a synthesis of their theoretical coherence Hegemony has long existed as a term in political science international relations and social theory but its meaning varies across these fields While each has developed its own local language games for treating the idea they all conceptualize hegemony as a form of power Building on the recent rigorous exposition of power this book subjects hegemony to a clarifying debate In doing so it advances the power debate Components of the literature assume a relationship between power and hegemony but no previous work has performed a concentrated and consistent analytical examination of them until now

Essays on the Greek Historians and Greek History Henry Dickinson Westlake, 1969 **Song of Wrath** J. E. Lendon, 2010-11-02 Song of Wrath tells the story of Classical Athens victorious Ten Years War 431-421 BC against grim Sparta the first decade of the terrible Peloponnesian War that turned the Golden Age of Greece to lead Historian J E Lendon presents a sweeping tale of pitched battles by land and sea sieges sacks raids and deeds of cruelty and guile along with courageous acts of mercy surprising charity austere restraint and arrogant resistance Recounting the rise of democratic Athens to great power status and the resulting fury of authoritarian Sparta Greece's traditional leader Lendon portrays the causes and strategy of the war as a duel over national honor a series of acts of revenge A story of new pride challenging old Song of Wrath is the first work of Ancient Greek history for the post cold war generation *Ancient Greek History and Contemporary Social Science* Mirko Canevaro, 2018-06-06 The first full length academic study to deal exclusively with female stardom in British cinema

Aspects of Greek History, 750-323 BC Terry Buckley, 1996 Aspects of Greek History 750-323 BC is an up to date textbook on ancient Greek history that topic by topic uses a wealth of original sources to interpret this history for those with little prior knowledge of the subject Chapter by chapter the relevant historical periods from the age of colonisation to Alexander the Great are reconstructed The book covers the main literary sources Aristotle Diodorus Herodotus Plutarch

Thucydides and Xenophon Greek political and military history from the beginnings to Alexander's Battle of Gaugamela It includes maps a glossary of Greek terms and a full bibliography Overall this is an indispensable collection of material for the student of classics as well as the general reader who requires a grounding in Greek history Rhetorical Adaptation in the Greek Historians, Josephus, and Acts vol II John M. Duncan, 2022-10-24 Greco Roman rhetorical theorists insist that speakers must adapt their speeches to their audiences in order to maximize persuasiveness and minimize alienation Ancient historians adorn their narratives with accounts of attempts at such rhetorical adaptation the outcomes of which decisively impact the subsequent course of events These depictions of speaker audience interactions moreover convey crucial didactic persuasive insights to the historians own audiences This monograph presents a detailed comparative analysis of the intra and extra textual functions of speeches and audience responses in Greek historiography Josephus and Acts with special emphasis on Luke's distinctive depiction of the apostles as adaptable yet frequently alienating orators This is volume II of a set of two volumes *Aspects of Greek History 750-323BC* Terry Buckley, 2010-02-25 Offers an introduction to the central period of Greek History for students of classics This title constructs the relevant historical periods from the age of colonization to Alexander the Great The Greek Historians T. James Luce, 2002-09-11 The Greeks invented history as a literary genre in the fifth century B C The first historians owed much to Homer and adopted his vivid and direct style in narrating historical events Yet despite the influence of Homer the birth of history was basically a reaction against mythical accounts of the past Homer wrote about war and travel in foreign lands in the distant and mythical past In contrast the Greek historians of the fifth century wrote about contemporary or very recent events where eye witnesses could be interviewed and facts checked The Greek Historians follows the development of history from Herodotus via Thucydides Xenophon and Polybius until the Hellenistic age It introduces the individual writers and their topics yet it also outlines their attitudes to historiography and their criticisms of each other Such themes as the uses and value of truth and causation are traced as well as the growing constraints on free speech under Hellenistic monarchs and the Romans Written in an accessible and captivating manner with suggestions for further reading this book serves as a lucid introduction to Greek historians and writing of history

Chronological Tables of Greek History. Accompanied by a Short Narrative of Events, with References to the Sources of Information and Extracts from the Ancient Authorities Carl Ludwig Peter, G. Chawner, 2025-08-07 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Topics on Greek and Roman History** Arthur Lewis Goodrich, 1900 **Problems in Greek History** John Pentland Mahaffy, 1892 **Greek History: The Basics** Robin Osborne, 2014-05-30 Greek History The Basics is a concise and compelling introduction to the study of Ancient Greece from the end of the Bronze Age to rule by Rome With a chapter on each crucial period of Greece's ancient history the book covers the key topics approaches and issues at the heart of Greek

History including The invention of politics and the rise of democracy The central role played by the Greek city The insights from cultural political demographic and economic history The benefits and pitfalls of working with different types of sources Featuring maps illustrations a timeline and annotated guides to further reading this book is an engaging and authoritative introduction for students of Ancient Greek History The Essential Greek Historians Stanley Burstein, 2022-03-01 Burstein's The Essential Greek Historians is an excellent collection of texts representing the development of historiography in the ancient Greek world Each text is presented in an engaging and readable translation with an insightful introduction exploring the purposes behind its composition the significance of its contribution to the growth of historiography as a literary genre and the context in which its author thought and wrote These texts include not only familiar favorites like Herodotus and Thucydides but also sources such as The Parian Marble and Memnon's History of Heracleia which give a broader and richer view of the ways in which Greeks engaged with history In one economical volume Burstein has created an indispensable introduction to the historical thought of the ancient Greeks No student of Greek historiography should be without it Erik Jensen Salem State University Includes an introduction maps and selections from Herodotus The Histories Thucydides History of the Peloponnesian War Xenophon's The Hellenica Aristotle's The Constitution of Athens The Parian Marble Polybius The Histories Memnon's History of Heracleia Plutarch's Life of Alexander See the full Table of Contents on the www.hackettpublishing.com book title page
