Dogmatics in English for the very first time This masterwork will appeal to scholars students pastors and laity interested in Reformed theology and to research and theological libraries Bavinck was a man of giant mind vast learning ageless wisdom and great expository skill Solid but lucid demanding but satisfying broad and deep and sharp and stabilizing Bavinck's magisterial Reformed Dogmatics remains after a century the supreme achievement of its kind J I Packer Regent College

Luminescence, Volume 2 C. K. Barrett, Fred Barrett, 2017-08-09 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley's sermons preached largely in small and medium sized Methodist churches in the Northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one's tradition and theology The sermons in these volumes demonstrate what such preaching can look like While the first volume presented sermons on the Gospels and Acts this second volume covers the rest of the New Testament and extensive portions of the Old Testament

Secularism and the Pursuit of Transcendence, Volume II Stanley E. Porter, Wendy J. Porter, 2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us

Expository Lectures on the Heidelberg Catechism, Vol. 2 of 2 (Classic Reprint) George W. Bethune, 2015-07-16 Excerpt from Expository Lectures on the Heidelberg Catechism Vol 2 of 2 God alone is judge He only has authority None can judge him for he is supreme and his will is the law and all other beings are his creatures and therefore his subjects He does sometimes delegate his authority as to parents or magistrates but the judgment in his sight is void if it be not according to his law He therefore is really the judge It is then a most blasphemous thing to quarrel with God's doings or to doubt the justice of his most holy law and righteous sentences It is a most presumptuous

thing to sit in harsh judgment upon our fellow men our fellow subjects and sinners for God has said Vengeance is mine I will repay About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Reformed Ethics : Volume 2 (Reformed Ethics)** Herman Bavinck,2021-12-07
