The Heir's Army Emery Gallagher,2021-05-09 Her first adventure began with a letter from a stranger a second will give her an entirely new mission Stranded far from home by injuries and the onset of winter Charlie of Windsong finds refuge in the home of a sympathetic noblewoman to rest and wait for spring Left homesick and disheartened by the outcome of her surreal night on the Mountain of Souls Charlie is considering giving up her quest to return home when she receives another letter from her mysterious acquaintance Grandmother The letter alleges that Charlie s father believed dead for several years is not only still alive but living close by in Shala Despite considerable doubts Charlie can t quite resist investigating and she decides to set aside her search for the sapphire dagger to try to find her father instead What starts as a search for one man quickly involves her in something much larger and more complex than she could have imagined Trading solitary travel to join a band of political rebels Charlie now finds herself at the center of a movement that will not only take her across Shala and beyond but will also potentially change the course of history in the Eastern Lands forever Charlie has come to enjoy the independence and self reliance she has learned since leaving her sheltered life at Windsong to travel alone but committing to a cause larger than herself requires putting aside her own desires for the success of the mission As she struggles to contribute to a group that views her as an outsider she must fight to hold onto her autonomy and determine where her loyalties lie

Reimar Breaking Jonathan Rivalland,2016-08-19 Of all the known worlds of all their nations and all their peoples there is little rarer than the Helions Each of these ancient structures is a vast freestanding portal to other worlds made by an unknown hand long before humanity arose Those who control one can claim vast wealth by means of trade and movement through these portals And on the world of Brisia it is controlled by the nation of Reimar Through both scheming and conflict Reimar won out against its competitors to claim the territory in which the Helion stands But Reimar s rivals do not sit idle and should widespread conflict break out between the more powerful nations even the smaller countries have grudges to settle Reimar s wealth and prestige flows from trade especially cross world trade through the Helion But there are signs of an imminent rebellion especially among the younger members of more distant noble houses and some rival nations are eager to take advantage of any internal distractions Princess Siera du Tealdan has shown herself to be a strong

and innovative military commander while her older brother Ramiros enjoys life at the court of their father King Abarron du Tealdan When the situation in Reimar takes a shocking turn for the worse Siera's military expertise is desperately needed With no mercenaries available for hire Siera must pull off a miracle Having only one skyship armed with ballistae and an under strength Royal Guard she must fend off the rebellion while at the same time dealing with Reimar's old enemy Il'n that has declared an opportunistic war in order to raid and pillage across the border If the rebels gain control of the Helion the kingdom will suffocate Reimar Breaking the Prelude to the Iberan War is the first volume in the Iberan War series
