Heir To The Flame:

Heir to the Flame Shanty Lewis, 2004-11-01 What if you could see yourself in the face of someone else What if you could hear what they were thinking as they stood looking up at a perfect blue sky with a serpentine crack running down the middle What if their choices in life would affect you profoundly yet you could not say a word as you watched them wander blindly on and on What if that person possessed a piece of your mind and your identity that you had never been consciously aware of How would you get it back And who would be able to help you if you were your own worst enemy Flamebound Heir Navneet Singh, Book Structure Prologue The Fall of Eldarion Part I The Spark Chapter 1 The Orphan of Greylight Chapter 2 The Witch of the Weeping Wood Chapter 3 Fire Beneath the Mountain Part II The Rising Flame Chapter 4 Blood in the Court Chapter 5 The Return of the Marked Chapter 6 Trial by Ember Part III Ashes and Thrones Chapter 7 The Dragon's Accord Chapter 8 Betrayal at Dawn Chapter 9 The Heir Ignited Epilogue The Crown of Flame Ice Marlijn van der Zand, The ancient stones of Castle Thornwick groaned under the weight of winter s endless grip their surfaces slick with ice that never melted Princess Lyralei pressed her palm against the frost covered window of her tower chamber watching her breath form crystalline patterns in the frigid air Below the courtyard lay buried beneath snow that had fallen for three consecutive years without pause transforming her once vibrant kingdom into a wasteland of perpetual winter The curse grows stronger she whispered to herself her voice barely audible above the howling wind that rattled the ancient casements The ice beneath her touch began to spread creeping across the glass in delicate deadly fractals She jerked her hand away clenching her fists as the familiar shame washed over her Twenty one years had passed since the day of her birth when the court's most trusted seer had delivered a prophecy that would forever alter the fate of Aethermoor The old woman s words still echoed through the halls like a haunting refrain Born of winter s heart shall she be with power to freeze the very sea But fire s heir shall be her bane unless true love breaks winter s chain Lyralei s father King Aldric had initially dismissed the prophecy as the ramblings of an aging mystic But as his daughter grew so did the unnatural cold that seemed to follow in her wake Flowers withered at her touch water froze in her presence and gradually the entire kingdom began to succumb to an endless winter that defied all natural law A sharp knock interrupted her brooding Your Highness came the familiar voice of Meredith her lady in waiting Your father requests your presence in the great hall There are visitors Heir of Fire Sarah J.
