**The Heir's Proposal** Raye Morgan,2013-01-01 Marc Huntington needs to protect his ancestral estate when he discovers it's being sold out from under him Luckily keeping an eye on the main competition is no hardship Torie Sands is as beautiful as she is secretive Torie grew up as the butler's daughter on the Huntington estate and she's back to clear her family name not to fall for enigmatic Marc all over again How will she gain the trust of this hard suspicious man whose years as a navy SEAL have left him wounded and wary

*The Heir's Army* Emery Gallagher,2021-05-09 Her first adventure began with a letter from a stranger a second will give her an entirely new mission Stranded far from home by injuries and the onset of winter Charlie of Windsong finds refuge in the home of a sympathetic noblewoman to rest and wait for spring Left homesick and disheartened by the outcome of her surreal night on the Mountain of Souls Charlie is considering giving up her quest to return home when she receives another letter from her mysterious acquaintance Grandmother The letter alleges that Charlie's father believed dead for several years is not only still alive but living close by in Shala Despite considerable doubts Charlie can't quite resist investigating and she decides to set aside her search for the sapphire dagger to try to find her father instead What starts as a search for one man quickly involves her in something much larger and more complex than she could have imagined Trading solitary travel to join a band of political rebels Charlie now finds herself at the center of a movement that will not only take her across Shala and beyond but will also potentially change the course of history in the Eastern Lands forever Charlie has come to enjoy the independence and self reliance she has learned since leaving her sheltered life at Windsong to travel alone but committing to a cause larger than herself requires putting aside her own desires for the success of the mission As she struggles to contribute to a group that views her as an outsider she must fight to hold onto her autonomy and determine where her loyalties lie

**Heirs to Forgotten Kingdoms** Gerard Russell,2014-11-20 Despite its reputation for religious

intolerance the Middle East has long sheltered many distinctive and strange faiths one regards the Greek prophets as incarnations of God another reveres Lucifer in the form of a peacock and yet another believes that their followers are reincarnated beings who have existed in various forms for thousands of years These religions represent the last vestiges of the magnificent civilizations in ancient history Persia Babylon Egypt in the time of the Pharaohs Their followers have learned how to survive foreign attacks and the perils of assimilation But today with the Middle East in turmoil they face greater challenges than ever before In *Heirs to Forgotten Kingdoms* former diplomat Gerard Russell ventures to the distant nearly impassable regions where these mysterious religions still cling to survival He lives alongside the Mandaeans and Ezidis of Iraq the Zoroastrians of Iran the Copts of Egypt and others He learns their histories participates in their rituals and comes to understand the threats to their communities Historically a tolerant faith Islam has since the early 20th century witnessed the rise of militant extremist sects This development along with the rippling effects of Western invasion now pose existential threats to these minority faiths And as more and more of their youth flee to the West in search of greater freedoms and job prospects these religions face the dire possibility of extinction Drawing on his extensive travels and archival research Russell provides an essential record of the past present and perilous future of these remarkable religions **Heirs in Exile** J.N.

David O. Daulton,2014-07-24 Very often the Father gives to His children special presents They are given along with thousands of other blessings on a daily basis and if we are truly honest with ourselves and look at these presents we will be all the more grateful This is an account based on the facts presented in the Bible and largely on the prophetic Scriptures I realize that many in the church those who claim to be Christians will not allow themselves to believe on these Scriptures This is heartbreaking for I believe this will be to their great harm This book will try to convince the reading Christian of how truly

dear he or she is to the Father and how He longs for us to be close to Him in His Son And no it isn't inspired but God did through His Word turn the lights on This is more than a bedtime story for children of all ages My hope is that it will be a great encouragement for though we may grow a bit weary in our journey we still enjoy the good fight We are very dear to the One who has already won it and He looks forward to greeting us on the other side And men everywhere should seek Him with a new zeal for He will soon rise to shake violently the earth Even so come Lord Jesus **Cases Argued and Determined in**
