which he feels is his by right is expected to go Nefertiti's oldest daughter but Akhenaten refuses to name an heir. Attended as the son of a god but isolated from his family, Tutankhamun spends his days surpassing his tutors, gaining his omnipotent father's attention only by extreme achievement or reckless courage. Though dominated by her oldest sister, Tutankhamun's born rival, young princess Ankhesenamun is drawn to the proud and mysterious black-eyed boy. As events in her home become intolerable and terrifying, Ankhesenamun finds that the prince her mother and sister fear is the only one that she can trust. Broken by the burden of a war with his own people, Pharaoh begins to lose control. Paranoid and accustomed to utter indulgence, he wields his absolute authority with ever more brutal hands. He betrays his young daughter in the cruelest of ways before his sudden death leaves the royal family without a king and beset on all sides by their own countrymen. Ankhesenamun wants nothing to do with the ensuing power struggle between the Great Royal Wife Nefertiti and the First Daughter and her lover. But as a beautiful young king's widow, her hands are bound to the throne. Horrified at the prospect of another unwanted marriage, Ankhesenamun turns to Prince Tutankhamun and they flee the palace. But Tutankhamun is destined to be Pharaoh as he has always known. Murder makes him a king at age ten, and he persuades a fragile Ankhesenamun to be his Great Royal Wife. Though Akhenaten has destroyed his family's hold on power, Tutankhamun fearlessly takes up the crown. He pledges to make everything right again, not only for his enraged and traumatized people but for the princess he loves with a fierce possessive loyalty. Encouraged by his counsellors, Tutankhamun breaks his father's laws and calls back the ancient gods to Egypt. In return, the gods bless the young king with the love of his people and a tranquil home. Ankhesenamun regains her strength and sets out to command her palace and learn the ancient rites of Egypt's goddesses. Though challenged by a mysterious and painful affliction that threatens to cripple him in only a few years, Pharaoh is determined to become a warrior and resurrect the mighty imperial army of his ancestors. As the pair grows to maturity, they break free of the horrors of childhood and discover a love so powerful it's blinding. It seems that all is well in Egypt but as Pharaoh and his wife enchant each other, new enemies rear up against them. Corrupt courtiers and a powerful empire growing out of the north, as well as a snake in the very heart of the king's home, all threaten the young king and queen of Egypt, and Tutankhamun must become increasingly ruthless to battle them all. When a horrible act of terror and defiance against the king brings Tutankhamun face to face with his father's ghost, he loses faith in himself and must decide what sort of man he will be. Ankhesenamun adores her young husband, and she is determined to be nothing like her mother. But though blessed with a child, she has fatal complications with her next pregnancy. She battles with love and fear daily, and after another tragic loss, she questions if she wants more children. Her marriage is strained by Tutankhamun's growing comfort with the darker sides of power, and she is determined to keep him from losing his soul like Akhenaten did. She wants nothing more than the life she has with Tutankhamun without any interruption from the ghosts of the past. Just when Ankhesenamun and her husband learn to accept fate and enjoy their blessings, Tutankhamun dies a tragic death while fighting Egypt's fiercest

enemies The pampered and delicate young queen is left alone and as she brings her husband to his final rest she discovers the terrifying truth that her husband's death might have been set up by enemies in her very home Caught in a viper's nest of greed and betrayal Ankhesenamun must plunge into a world of intrigue and corruption if she means to avenge her family and save her people from a usurper Hanging her own life in the balance she must play a subtle and deadly game of power in order to destroy a killer Major Daddy Cara Colter,2014-05-15 When Major Cole Standen retired from the Canadian Armed Forces he figured he'd quit the rescuing business for good Then five irresistible tykes turned up on his doorstep in the middle of the night desperate for his help But he hadn't counted on sharing child care duties with their auntie Brooke Callan a wide eyed beauty who seemed as if she could use a little rescuing herself Knee deep in diapers and baby bottles Cole soon realized there was far more to Brooke than just her vulnerable eyes and kissable lips Perhaps it was being around a ready made family but this soldier was suddenly picturing himself with a brood of his own and beautiful Brooke as his not so temporary second in command Chasing Dreams Cara Colter,2014-05-15 Dubbed the brainy one Jessica King felt safest in an ivory tower So working in a garage for brooding mechanic Garner Blake was well outside her comfort zone But she would make the best of it because her father had requested it Yet a daughter's duty was not what Jessica felt when Garner challenged her opinions and looked at her that way Both of which he did much too often No she felt alive And petrified Because she was beginning to realize she'd never known herself or what she really wanted **What a Woman Should Know** Cara Colter,2014-05-15 WHAT A MAN'S GOTTA DO J D Turner couldn't let Tally select a mate without understanding how things should be between a man and a woman Especially since the innocent beauty was going to be raising his little boy So he took it upon himself to show her just how life and real love could be Tally Smith had a plan to find the right man to marry and create the perfect family for little Jed That is until J D kidnapped her on the premise that he was going to show her what she and Jed really needed Well she had a little news for him what this woman and child needed was him **The Nineteenth Century**,1896 **The Law Reports of the Incorporated Council of Law Reporting for England and Wales** Great Britain.
