Heirs of the Fire Robert Cullen, 1997 Cynical journalist and editor of the Washington Tribune Colin Burke exposes the president's plans to sell advanced missiles to Saudi Arabia despite official denials and unwittingly unleashes a storm of violence and intrigue that sets ablaze the Middle East

Heir of Fire Sarah J. Maas, 2014-09-11 One of the best fantasy book series of the past decade TIME From the #1 bestselling author of *A Court of Thorns and Roses* *Heir of Fire* is the third book in the epic bestselling fantasy series following Celaena's journey from woman to warrior The heir of ash and fire bows to no one A new threat rises in the third book in the #1 bestselling *Throne of Glass* series by Sarah J. Maas Celaena Sardothien has survived deadly contests and shattering heartbreak but now she must travel to a new land to confront her darkest truth That truth could change her life and her future forever Meanwhile monstrous forces are gathering on the horizon intent on enslaving her world To defeat them Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons If she is to win this battle she must find the courage to face her destiny and burn brighter than ever before

Heir of Fire and Ice Marlijn van der Zand, The ancient stones of Castle Thornwick groaned under the weight of winter's endless grip their surfaces slick with ice that never melted Princess Lyrlei pressed her palm against the frost-covered window of her tower chamber watching her breath form crystalline patterns in the frigid air Below the courtyard lay buried beneath snow that had fallen for three consecutive years without pause transforming her once vibrant kingdom into a wasteland of perpetual winter The curse grows stronger she whispered to herself her voice barely audible above the howling wind that rattled the ancient casements The ice beneath her touch began to spread creeping across the glass in delicate deadly fractals She jerked her hand away clenching her fists as the familiar shame washed over her Twenty-one years had passed since the day of her birth when the court's most trusted seer had delivered a prophecy that would forever alter the fate of Aethermoor The old woman's words still echoed through the halls like a haunting refrain Born of winter's heart shall she be with power to freeze the very sea But fire's heir shall be her bane unless true love breaks winter's chain Lyrlei's father King Aldric had initially dismissed the prophecy as the ramblings of an aging mystic But as his daughter grew so did the unnatural cold that seemed to follow in her wake Flowers withered at her touch water froze in her presence and gradually the entire kingdom began to succumb to an endless winter that defied all natural law A sharp knock interrupted her brooding Your Highness came the familiar voice of Meredith her lady in waiting Your father requests your presence in the great hall There are visitors

Fire's Fury Sharada M Subrahmanyam, History gets distorted over the generations but the Heirs of the Elements still remember the things the way it was The Heirs one each for Earth Air Fire Water and Ether carry on the legacy of their forbearers but even they do not know all the hidden facts of the creation of the universe Join the Heirs as they try to fight a dangerous enemy mere days after they claimed their place as the Heirs of the Elements Will the loss of our history destroy our future Or will the world survive despite all the odds being against it The
