Show Boat Performing Race in an American Musical draws on exhaustive archival research to tell the story of how Jerome Kern Oscar Hammerstein II and a host of directors choreographers producers and performers among them Paul Robeson made and remade the most important musical in Broadway history *Women Adapting* Bethany Wood,2019-05-15

When most of us hear the title *Gentlemen Prefer Blondes* we think of Marilyn Monroe and Jane Russell s iconic film performance Few however are aware that the movie was based on Anita Loos s 1925 comic novel by the same name What does it mean *Women Adapting* asks to translate a Jazz Age blockbuster from book to film or stage What adjustments are necessary and what if anything is lost Bethany Wood examines three well known stories that debuted as women s magazine serials *Gentlemen Prefer Blondes* Edith Wharton s *The Age of Innocence* and Edna Ferber s *Show Boat* and traces how each of these beloved narratives traveled across publishing theatre and film through adaptation She documents the formation of adaptation systems and how they involved women s voices and labor in modern entertainment in ways that have been previously underappreciated What emerges is a picture of a unique window of time in the early decades of the twentieth century when women in entertainment held influential positions in production and management These days when filmic adaptations seem endless and perhaps even unoriginal *Women Adapting* challenges us to rethink the popular platitude The book is always better than the movie *The Concise Oxford Companion to American Theatre* Gerald Martin Bordman,1987

American boom which Rose harnessed to attain extraordinary wealth and the birth of Israel where Rose staked his claim to immortality Mark Cohen tells the unlikely but true story based on exhaustive research of Rose s single handed rescue in 1939 of an Austrian Jewish refugee stranded in Fascist Italy an event about which Rose never spoke but which surfaced fifty years later as the nucleus of Saul Bellow s short novel *The Bellarosa Connection* *Firebrands* Gioia Diliberto,2024-10-30

Guaranteed to change how you picture Prohibition this lively history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast *Firebrands* is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women s political power since women gained the right to vote and their influence on the American political scene wouldn t be equaled for decades In Gioia Diliberto s fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman s Christian Temperance Union who campaigned fiercely to introduce Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In *Firebrands* Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture *Checklist of Writings on American Music, 1640-1992* Guy A. Marco,1996 Cumulative index to all three volumes of *Literature of American Music in Books and Folk Music Collections*
