## **Hell Up In Harlem:**

**Larry Cohen** Tony Williams, 2016-04-18 Now in a revised edition this book is the only published study devoted to Larry Cohen and his significance as a great American filmmaker The first edition is long out of print and often sought after This edition covers all the director's films television work and screenplays and contains an updated interview with the director as well as interviews with his colleagues Janelle Webb Cohen Michael Moriarty and James Dixon The filmography and bibliography are also updated

**Robin Wood on the Horror Film** Robin Wood, 2018-11-12 Robin Wood's writing on the horror film published over five decades collected in one volume Robin Wood one of the foremost critics of cinema has laid the groundwork for anyone writing about the horror film in the last half century Wood's interest in horror spanned his entire career and was a form of popular cinema to which he devoted unwavering attention Robin Wood on the Horror Film Collected Essays and Reviews compiles over fifty years of his groundbreaking critiques In September 1979 Wood and Richard Lippe programmed an extensive series of horror films for the Toronto International Film Festival and edited a companion piece The American Nightmare Essays on the Horror Film the first serious collection of critical writing on the horror genre Robin Wood on the Horror Film now contains all of Wood's writings from The American Nightmare and nearly everything else he wrote over the years on horror published in a range of journals and magazines gathered together for the first time It begins with the first essay Wood ever published Psychoanalysis of Psycho which appeared in 1960 and already anticipated many of the ideas explored later in his touchstone book Hitchcock's Films The volume ends fittingly with What Lies Beneath written almost five decades later an essay in which Wood reflects on the state of the horror film and criticism since the genre's renaissance in the 1970s Wood's prose is eloquent lucid and convincing as he brings together his parallel interests in genre authorship and ideology Deftly combining Marxist Freudian and feminist theory Wood's prolonged attention to classic and contemporary horror films explains much about the genre's meanings and cultural functions Robin Wood on the Horror Film will be an essential addition to the library of anyone interested in horror science fiction and film genre

**The Fall Girl** Deidre Berry, 2022-04-29 Being a sugar baby has its privileges Unlimited credit cards designer clothes exotic vacations and a Central Park penthouse those are just a few of my favorite things There's no better place to be than in the lap of luxury but what's a girl to do when it all comes crashing down and her wealthy investment banker boyfriend goes on the run leaving her holding the bag in a multi million dollar Ponzi scheme Whatever the answers are I need to think fast and figure them out quick because with the gravy train permanently derailed I'm discovering that nobody is who I thought they were Overnight friends become enemies and true colors begin to show With nowhere to turn a return to my old south side Chicago neighborhood just may help put things in perspective It could also be my one last chance to face the past create a life that's truly mine and find out if the best things in life really are free

**The Taking of New York City** Andrew Rausch, 2024-11-05 For a time in the 1970s New York City seemed to many to be genuinely on the cusp of collapse

Plagued by rampant crime graft catastrophic finances and crumbling infrastructure it served as a symbol for the plight of American cities after the convulsions of the 1960s This tale of urban blight was reinforced wherever one looked whether in the news media memorably captured in the infamous New York Daily News headline Ford to City Drop Dead or the countless movies that evoked the era s uniquely gritty sense of dread The Taking of New York City is a history of both New York and some of the decade s most definitive films including The French Connection 1971 the first two Godfather movies 1972 1974 Taxi Driver 1976 Serpico 1973 Dog Day Afternoon 1975 and many more It was also an era in which the city wrestled with the racial tensions still threatening the tear the nation apart never more so than in Blaxploitation classics such as Shaft 1971 and Super Fly 1972 These films depicted the city that never sleeps as a grim violent place overridden with muggers pimps and killers Projected at drive ins and inside their local movie houses rural America saw New York as a nightmare a vile dystopia where the innocent couldn t rely on the local law enforcement who were seemingly all on the take If one took Hollywood s word for it the only way a person was able to find justice in 1970s New York City was by grabbing a gun and meting it out themselves Author Andrew Rausch meticulously separates fact and fiction in this illuminating book Attentive to the ways that New York s problems were exaggerated or misrepresented it also gives an unvarnished look at just how bad things could get in the Rotten Apple and how movies told that story to the country and the world **There Was a Time** Alan

Leeds,2020-02-25 A behind the scenes look at the Chitlin Circuit during American s most vital period of soul music from the eyes and ears of a young Jewish kid from Queens who joined the team of the hardest working man in show business and learned the art of the music business at the hand of the performer who mastered it In the mid 60s Alan Leeds was a young DJ looking for his way into the music business An interview with James Brown to promote a local show in Virginia led to an opportunity to promote one of Brown s concerts which then led to Brown hiring him to help run his tours Soon Leeds was wearing many hats and traveling around the country as Brown battled a complicated web of local promoters and managers all too willing to try to rip him off In this riveting book part memoir part history Leeds weaves a wholly new and remarkable portrait of Brown as an idiosyncratic iconoclast determined artist and forceful businessman It is a rare look into a world little known to white America immediately following the Civil Rights Movement Leeds discovers that Brown is a fascinatingly complex man and their experiences both business and personal range from emotional to humorous All the while they navigate the complicated world of popular Black music in America told by someone who actually lived it Over the course of his long life in music as a tour manager archivist writer and fan Alan Leeds had a ringside seat for some of the greatest moments in soul and funk history from James Brown in the sixties to Prince in the eighties to D Angelo in the first years of the 21st century His eye for detail and his abiding love for the music shine through in this affectionate inspirational memoir Alan is one of my all time heroes Ahmir Questlove Thompson Alan Leeds is one of those cats that absorbs the situation can recite it back to u word for word always on point with details graphics That is what drew me closer to observing him other than his

big red Afro We all started with James Brown around the same time I didn't know what all Alan was doing at the time but I knew if JB hired him he had to be on Heel Toe or else u got to Blow That was one of JB's famous expressions to me while he was laughing but u knew he was serious To this day when Alan speaks about something that happened back in our JB days u can just about take it to the Bank Thxs Mr Leeds for helping to preserve that funky sometimes funky up history Bootsy Collins

**Making a Promised Land** Paula J. Massood, 2013-01-22 Making a Promised Land examines the interconnected histories of African American representation urban life and citizenship as documented in still and moving images of Harlem over the last century Paula J Massood analyzes how photography and film have been used over time to make African American culture visible to itself and to a wider audience and charts the ways in which the Mecca of the New Negro became a battleground in the struggle to define American politics aesthetics and citizenship Visual media were first used as tools for uplift and education With Harlem's downturn in fortunes through the 1930s narratives of black urban criminality became common in sociological tracts photojournalism and film These narratives were particularly embodied in the gangster film which was adapted to include stories of achievement economic success and later in the century a nostalgic return to the past Among the films discussed are Fights of Nations 1907 Dark Manhattan 1937 The Cool World 1963 Black Caesar 1974 Malcolm X 1992 and American Gangster 2007 Massood asserts that the history of photography and film in Harlem provides the keys to understanding the neighborhood's symbolic resonance in African American and American life especially in light of recent urban redevelopment that has redefined many of its physical and demographic contours

**Historical Dictionary of African American Cinema** S. Torriano Berry, Venice T. Berry, 2015-05-07 As early as 1909 African Americans were utilizing the new medium of cinema to catalogue the world around them using the film camera as a device to capture their lives and their history The daunting subject of race and ethnicity permeated life in America at the turn of the twentieth century and due to the effect of certain early films specific television images and an often biased news media it still plagues us today As new technologies bring the power of the moving image to the masses African Americans will shoot and edit on laptop computers and share their stories with a global audience via the World Wide Web These independently produced visions will add to the diverse cache of African American images being displayed on an ever expanding silver screen This wide range of stories topics views and genres will finally give the world a glimpse of African American life that has long been ignored and has yet to be seen This second edition of Historical Dictionary of African American Cinema covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1400 cross referenced entries on actors actresses movies producers organizations awards and terminology this book provides a better understanding of the role African Americans played in film history This book is an excellent access point for students researchers and anyone wanting to know more about African American cinema

**The Moviegoing Experience, 1968-2001** Richard W. Haines, 2010-06-28 The experience of going to the movies be it a single screen theater twin multiplex or drive in

is affected by many different factors that have shifted over the years Just as movies emerged from silent to talking black and white to color there has invariably been change in the way movies are made copied distributed and viewed This change in the moviegoing experience for better or for worse is worth studying This work examines the American moviegoing experience from 1968 to 2001 the way in which movies are made and regulated including the demise of the Production Code and the emergence of the ratings system as well as changes in lighting cinematography and coloring techniques The projection practices of the past and present during and after the presence of the Projectionists Union and the advent of the platter which allowed for automated projection are discussed How home video and cable affected the content of films after the eighties and the history of computerized special effects leading to the development of digital cinema projection are included The work also covers the changing types of venues over the last third of a century and other aspects that affect positively or negatively the entire moviegoing experience
