boyfriend made working unbearable Unable to tolerate the whispers she transferred to the medics secretly hoping to find the man who had not only vanished without a trace but had somehow been forgotten by everyone who had ever met him except her Now a series killer is targeting the people Maya has saved undoing her every miracle And it is only a matter of time before the killer's sights turn to her

**Wife, Inc.** Suzanne Leonard, 2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality women have been freed from the necessity of securing a husband for economic stability sexual fulfillment or procreation Marriage is a choice and increasingly women and men are opting out Yet despite these changes the cultural power of marriage has burgeoned What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self discipline may win entry The newly exalted professionalized wife is no longer reliant on her husband's status or money instead she can wield her own power provided she can successfully manage the business of being a wife Wife Inc tells a fiercely contemporary story revealing that today's wives do not labor in kitchens or even homes Instead the work of wifedom occurs in online dating sites on reality television in social media and on the campaign trail Dating marital commitment and married life have been reconfigured No longer the stuff of marriage vows these realms are now controlled by brand management and marketability To prosper women must appear confident empowered and sexually savvy Guiding readers through the stages of the wife cycle Suzanne Leonard follows women as they date prepare to wed and toil as wives using examples from popular television film and literature as well as mass market news women's magazines new media and advice culture The first major study to focus on this new definition of working wives Wife Inc reveals how marriage occupies a newly professionalized role in the lives of American women Being a wife is a business that takes a lot more than a vow to maintain this book tells that story
