Hellenes and Hellions Alexander Karanikas,1981 *Hellenes and Hellions* Alexander Karanikas,1981-01-01 **Greek Americans** Charles C. Moskos,2018-12-13 This is an engrossing account of Greek Americans their history strengths conflicts aspirations and contributions This is the story of immigrants their children and grandchildren most of whom maintain an attachment to Greek ethnic identity even as they have become one of this country s most successful ethnic groups **Greek Americans** Peter C. Moskos,2017-07-05 This is an engrossing account of Greek Americans their history strengths conflicts aspirations and contributions Blending sociological insight with historical detail Peter C and Charles C Moskos trace the Greek American experience from the wave of mass immigration in the early 1900s to today This is the story of immigrants most of whom worked hard to secure middle class status It is also the story of their children and grandchildren many of whom maintain an attachment to Greek ethnic identity even as they have become one of America s most successful ethnic groups As the authors rightly note the true measure of Greek Americans is the immigrants themselves who came to America without knowing the language and without education They raised solid families in the new country and shouldered responsibilities for those in the old They laid the basis for an enduring Greek American community Included in this completely revised edition is an introduction by Michael Dukakis and chapters relating to the early struggles of Greeks in America the Greek Orthodox Church success in America and the survival and expansion of Greek identity despite intermarriage This work will be of value to scholars of ethnic studies those interested in Greek culture and communities and sociologists and historians [Bouboulina and the Greek Revolution](#) April Kalogeropoulos Householder,2023-07-10 Using a variety of methodologies from multi disciplinary backgrounds this volume is the first to present an in depth analysis of the life and times of Laskarina Bouboulina the legendary heroine of the Greek Revolution and one of the most important figures in modern Greek history the Mediterranean and indeed the world At the age of fifty and mother to ten children Bouboulina commanded a fleet of ships from the island of Spetses and became the first female admiral in world naval history But her success on the battlefield is only part of the story by considering her three century impact on feminism cultural production and as a touchstone of diasporic Greek identity the contributors to this volume also expand our understanding of her far reaching and under recognized contributions *In Byron's Shadow* David Ernest Roessel,2002 In Bryon s Shadow draws on a wide range of sources to create a model for literary history that synthesizes literary investigation and cultural studies to develop a fuller understanding of the historical forces influencing the Anglo American conception of modern Greece Jacket
 Reading Greek America Spyros D. Orfanos,2002 [Return Narratives](#) Theodora D. Patrona,2017-08-29 This book is a comparative study of six Italian American and Greek American literary works written in the three last decades of the 20th century and examined in pairs Based on the common theme of the authors return either metaphorical or literal to the country of origin and its culture Return Narratives explores the common motifs of mythology ritual and storytelling where the third

generation writers resort to in their quest for self definition With a common historical and cultural background in the old neighboring countries Greece and Italy and a similar reception in the new world facilitating a comparative approach the ethnic writers of the two literatures clearly envisage ethnic space as a site of resilience and empowerment *Encyclopedia of North American Immigration* John Powell,2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more An Amulet of Greek Earth Helen Papanikolas,2002 In her book *An Amulet of Greek Earth* author Helen Papanikolas explains and describes the vibrant culture these immigrants brought with them to the new world The Romiosini culture as it was called provided the foundation for their new lives and was often the cause of strife as they passed on their beliefs and traditions to successive generations of Greek Americans BOOK JACKET Encyclopedia of Race, Ethnicity, and Society Richard T. Schaefer,2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity play in society and in our daily lives Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society **The Greenwood Encyclopedia of Multiethnic American Literature: D - H** Emmanuel Sampath Nelson,2005 Alphabetically arranged entries in five chronological volumes focus on individual authors works and topics related to multiethnic American literature **Greeks in Michigan** Stavros K. Frangos,2012-05-02 The influence of Greek culture on Michigan began long before the first Greeks arrived The American settlers of the Old Northwest Territory had definite notions of Greeks and Greek culture America and its developing society and culture were to be the New Athens a locale where the resurgence in the values and ideals of classical Greece were to be reborn Stavros K Frangos describes how such preconceptions and the competing desires to retain heritage and to assimilate have shaped the Greek experience in Michigan From the padrone system to the church communities Greek institutions have both exploited and served Greek immigrants and from scattered communities across the state to enclaves in Detroit Greek immigrants have retained and celebrated Greek culture Modern Greek Studies Yearbook ,1996 **American Studies** Jack Salzman,1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 **Papers in Comparative Studies** ,1996 *Arts & Humanities Citation Index* ,1997 **Whitaker's Cumulative Book List** ,1982 *Illinois Documents List* ,1982
