RECOLLECTIONS OF A FAMILY WHO LIVED THEIR LIVES AS SHOWBOAT ENTERTAINERS ON AMERICAN RIVERS

Children of the Ol Man River which was first published in 1936 tells the colorful and witty life story of the Bryants a poor
 family who found fortune aboard the Mississippi steamboat they built and performed on at the beginning of this century In
 addition to chronicling his own family s history Bryant provides an excellent introduction to the importance and history of
 river travel and entertainment on the most famous of American rivers For many years colorful showboats traveled the Ohio
 and Mississippi rivers and their tributaries bringing entertainment to eager audiences in communities large and small
 Huntington was a regular stop for the showboats which made their arrival known by the musical strains of a powerful steam
 calliope audible for miles around Hearing the music people would make a beeline for the 10th Street river landing to have a
 look at the boat and see what time the show would start Some of the boats were lavish floating palaces while others were far
 from grand Some traveled only for a summer season or two others for years Billy Bryant s Showboat plied the inland
 waterways of the Ohio River watershed from before the First World War until 1942 bringing a blend of melodrama and
 vaudeville laughter and therapeutic tears into the lives of isolated people in rural communities along the way **A Bicycle**
