Eudora Welty and Walker Percy Marion Montgomery, 2003-12-18 Eudora Welty and Walker Percy were friends but very different writers even though both were from the Deep South and intensely interested in the relation of place to their fiction This work explores in each the concept of home and the importance of home to the homo viator man on his way and anti idealism and anti romanticism The differences between Welty and Percy and in their fiction were revealed in the habits of their lives Welty spent her life in Jackson Mississippi and was very much a member of the community Percy was a wanderer who finally settled in Covington Louisiana because it was as he called it a noplac The author also asserts that Percy somewhat envied Welty and her stability in Jackson and that for him place was such a nagging concern that it became a personal problem to him as homo viator

Lowie,1910 *The Other Side of Paradise* Staceyann Chin,2009-04-14 Staceyann Chin has appeared on television and radio discussing issues of race and sexuality but it is her extraordinary voice that launched her career as a performer poet and activist here she shares her unforgettable story of triumph against all odds in this brave and fiercely candid memoir No one knew Staceyann s mother was pregnant until a dangerously small baby was born on the floor of her grandmother s house in Lottery Jamaica on Christmas Day Staceyann s mother did not want her and her father was not present no one except her grandmother thought Staceyann would survive It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years But when the three were separated Staceyann was thrust alone into an unfamiliar and dysfunctional home in Paradise Jamaica There she faced far greater troubles than absent parents So armed with a fierce determination and exceptional intelligence she discovered a way to break out of this harshly unforgiving world Staceyann Chin acclaimed and iconic performance artist now brings her extraordinary talents to the page in a brave lyrical and fiercely candid memoir about growing up in Jamaica She plumbs tender and unsettling memories as she writes about drifting from
