dead body I couldn't look away It was as if my ability to move my eyeballs was disabled I could hear familiar distant spirit voices asking me if I wanted to be buried in a coffin or cremated I couldn't tell them I was already dead MEXICO I was climbing into a hot air balloon that would carry us thousands of feet into the sky held aloft by a nylon sack and propelled by wind and fire Wicker nylon human flesh all the things that should not be in close proximity to naked flames And how the hell do you steer the thing Ummm you don't I fell apart involuntarily as my fear of heights overtook me like never before I needed to be bitch slapped but no one was up for it excuse the pun **The Days of Our Age** Stephen Burbridge,2007

Bite-sized World Ruth Badley,2021-12-22 Travel eating out and live entertainment are celebrated in this entertaining but unexpectedly nostalgic memoir of recent times before a global pandemic confiscated the freedoms we previously took for granted *Growing Old Outrageously* Hilary Linstead,Elisabeth Davies,2013-07 Two old school friends reconnect unexpectedly after 35 years and discover that they both love travelling and the more exotic and far flung the location the better Not having a clue whether they will get along the eccentric pair embark on a trial journey to Morocco That tentative beginning has turned into a series of wonderfully unusual holidays and Hil and Liz have been circumnavigating the globe ever since This book tells of their travels *Memoirs of a World Traveler* Andrew Young,2008-07-01 Fate Undenied Synopsis From a young age Jonathan Fitzgerald was groomed to become his father William's successor to lead Fitzgerald International As an only child Jonathan was the heir to the highly successful company On his flight to a business conference along with his best friend Maxwell Adams their small plane was caught in a deadly snowstorm and the two men perished in the furious blizzard When they found themselves in the afterlife Maxwell happily embraced his new existence but Jonathan was not ready to surrender his humanity just yet Going against a warning given he somehow is able to cross the dimension back into a limbo of physical existence But he's no longer a human being and becoming one again seemed like an impossible undertaking Undaunted somehow he prevails and finds a way to come back but the perception he had of his old life is forever changed by reality After witnessing a crime being committed he's marked for death by the hit men who want to silence him at any cost As he finds himself fighting to stay alive he's forced to run in a relentless pursuit that takes him from the United States through Europe and Central America But just as life seemed to fall into place he finds himself a prisoner of his own making unable to escape the choices of his past He came to accept that his fate couldn't be denied at best he could circumvent the intended path but the final destination would still be the same **Too Young to be Old: From Clapham to Kathmandu** Frank Kusy,2016-11-04 a hilarious memoir about enlightenment and old age a superb lead in to Frank's travel memoirs proper honest whimsical and keenly observing Frank is a wonderful story teller I really warmed to him As Frank Kusy turns 27 he is unexpectedly put in charge of an old people's home in Clapham South London Driven to distraction by a crazy cast of characters he seeks solace in Buddhism only to find himself up to his ears in plasticine pigs and marathon chanting sessions Will he make his mum happy by holding down a proper job Will he make her unhappy by becoming a writer

Will he get to share cheese sandwiches with Kevin in Kathmandu And will he be forced to exchange his underpants in Japan
