The Hellraiser Films and Their Legacy Paul Kane, 2015-05-07 Best selling horror novelist Clive Barker's 1987 film Hellraiser has become an undisputed horror classic spawning a movie franchise that to date includes eight films Exploring not only the cinematic interpretations of the Hellraiser mythos but also its intrusion into other artistic and cultural forms this volume begins by identifying the unconventional sources of Barker's inspiration and following Barker from his pre Hellraiser cinematic experience through the filming of the horror classic It examines various themes such as the undermining of the traditional family unit and the malleability of the flesh found throughout the film series and the ways in which the representation of these themes changes from film to film The religious aspects of the films are also discussed Characters central to the franchise and the mythos are examined in detail

City of God Paulo Lins, 2007-12-01 The searing novel on which the internationally acclaimed hit film was based A Scarface like urban epic punctuated with lyricism and longing Publishers Weekly City of God is a gritty gorgeous tour de force from one of Brazil's most notorious slums Cidade de Deus a place where the streets are awash with narcotics where violence can erupt at any moment over drugs money and love but also a place where the samba beat rocks till dawn where the women are the most beautiful on earth and where one young man wants to escape his background and become a photographer When City of God erupted on screens worldwide it became one of the most critically and commercially successful foreign films of recent years But few were aware of the story behind the film Written by Paulo Lins who grew up in the favela shantytown Cidade de Deus in Rio de Janeiro and who spent years researching its gang history City of God began life as a coruscating harrowing novelistic account of twenty years in the illicit pursuits of the youth gangs born from the favela With plot devices sometimes as minimal as the dawning of a new day City of God seems more like a mosaic than a novel but it's a mosaic with unforgettably vibrant colors Booklist

Dark Kingdom Firestar, 2007-12 The year following my diagnosis of breast cancer having a total mastectomy and chemotherapy I felt as if I was out at sea in the midst of a storm The faster I ran from the darkness and turmoil the closer it came I was frightened but learned to depend on the energy of the Universe Accepting my new body image was very difficult Due to my insecurities low self esteem and self confidence I placed my marriage in jeopardy I had to learn to trust in the positive energy of the Universe to help me heal I needed to allow God and His angels to take me in their hands and carry me Depending on the power of the Universe established inner strength and courage to be a survivor We have a choice in how we react and respond to situations the lessons that life presents to us Learning to let go of certain feeling and situations is difficult but it makes each day more peaceful and comfortable Everything happens for a reason and it is up to us to learn from the lessons which are presented to us You can be a survivor when you accept that being a survivor is a state of mind which is dictated by you and not others I realized that guilt and shame are wasted energy and I was loved and can love others Everyone's path in recovery and rediscovery will be different We cannot compare ourselves to others We are individuals with different childhood experiences different backgrounds personalities and with different support systems I hope that Journey to New Beginnings gives you a sense of comfort and hope Each year will be another path of learning experiencing the joys of living and life enjoying the extraordinary in the ordinary
