the best day of the year that their hearts really came to life The whole neighborhood was buzzing with excitement in the weeks before the scary holiday Every house had ghosts and pumpkins on the porch and the kids were busy making their costumes But for Mia and Leo Halloween was more than just a day it was a season and a wonderful trip that was yet to come As October began the air was filled with a certain kind of excitement The red and gold trees told secrets to anyone who would listen and the smell of falling leaves could be smelled in the cool autumn breeze During that time the world seemed to slow down so Mia and Leo could really enjoy the season they both loved A trip to Farmer Jenkins pumpkin patch was something that everyone looked forward to every year A Halloween treasure trove was hidden away on this nice piece of land on the edge of their town As far as the eye could see there were rows and rows of orange pumpkins that were waiting for their big moment Their dreams grew and imaginations ran wild and Mia and Leo couldn't wait to find the right pumpkin As they walked through the pumpkin patch their fingers would touch the rough bumpy skins of the gourds Their hearts were full of wonder and they had big smiles on their faces When they found pumpkins with strange shapes they would laugh and think of the stories they could tell When they thought they had found the one they would see another pumpkin a few rows down that was even more beautiful This year was different though Mia and Leo were looking at the rows of orange balls when they noticed one that caught their eye and seemed to be talking to them It wasn't the biggest or roundest but there was something interesting about it Its skin was a deep orange color and its stem was bent in a funny way as if it was hiding something important Mia yelled This one with the excitement that only Halloween can bring out in a kid and the two of them rolled the chosen pumpkin toward the checkout line rustling leaves and making a lot of noise as they went Farmer Jenkins a friendly man with a white beard so thick that Santa Claus would be jealous smiled at them Even though he had seen many kids choose pumpkins over the years Mia and Leo's picks stood out That's a special one you've got there kids he said referring to a magical world Mia and Leo tried to get Farmer Jenkins to tell them more but he just ignored them with a strange grin Mia and Leo got together in their garden that night as the sun went down below the horizon and turned the sky orange and purple They got out their carving tools and started carving the pumpkin they had picked As they skillfully drew a friendly skeleton on it they thought about how it would look when it was done As Leo cut into the pumpkin the moon cast a soft white shimmer over their work But then as if it were being pushed by something else a bright light shot out of the pumpkin's cut It gave Mia and Leo a warm alluring glow that made their faces flush As they looked into the glowing middle of the pumpkin they gasped in surprise They were surprised to see a shimmering opening that looked like a window to another world and drew them in by saying they would have an adventure there They decided to take a risk without thinking twice because they were very interested Through the portal they ran away together from their safe neighborhood and garden They had no idea that the magic in a simple pumpkin would change their lives in such a big way On the other side of the portal the world of Pumpkin Ville was waiting to be discovered It was outside of the realm of fantasy That's where Halloween really

came to life Every building tree and even animal was made out of pumpkins and each one was brighter and more interesting than the last As they walked down streets lined with pumpkins their eyes grew wide with wonder and their carved faces lit up with smiles Pumpkin Pops a happy pumpkin man with a bright orange smile says that Pumpkin Ville is a beautiful place where pumpkins enjoy Halloween all year long They were happy to take him up on his offer to lead them Their trip was full of interesting things they found and new people they met Pumpkin Jig a colorful scarecrow who was very good at spinning joined them in the dance Jack a sage colored pumpkin with a carved face told them stories about the history of Pumpkin Ville to keep them busy And they ate the tasty pumpkin treats that Pumpkin Pie a nice pumpkin chef had made Mia and Leo were most excited about how their own pumpkin which they had made changed back into their own world It had also come to life It was smiling and jumping around eager to go on adventures with them Mia and Leo had a good time in Pumpkin Ville but they knew that their time there was short They missed their homes their families and the places they were used to They went up to Pumpkin Pops with sad hearts and asked him to help them use the portal to get back home They found a pumpkin portal that if they follow Pumpkin Pops will take them back to their land They had tears in their eyes as they said goodbye to their new friends knowing that they would always remember their amazing trip Mia and Leo went back to their quiet neighborhood and looked at the pumpkin they had carved with smiles on their faces From their past experiences they knew that magic can be found in the strangest places even in the middle of a pumpkin Mia and Leo continued to carve pumpkins every October because it was a tradition for them They were sure that something special was hiding beneath the ordinary Their memories of Pumpkin Ville stayed with them showing how strong their friendship was and how magical Halloween was As time went on Mia and Leo s Halloween traditions became something they looked forward to every year As they got older they let other people hang out with them On cool fall nights they told wide eyed kid s stories about their wonderful trip to Pumpkin Ville As they carved more and more pumpkins each with its own story their love for Halloween grew As they got older they learned to appreciate the beauty of the season and became known in their neighborhood as Halloween fans who could turn their small house into a haunted wonderland that could compete with the scariest haunted houses Still every Halloween there was a small chance that they would find another great pumpkin They understood that magic could be found again every time they carved a pumpkin and not just on a single trip As the sun went down in the yard on a cool October evening Mia and Leo began to work on a very complicated pumpkin design It was a glimpse of a kind spirit whose ghostly form twisted and spun like strands of smoke As Leo carefully carved the ghost s face something wonderful happened again The pumpkin shined like it did on that night when they were kids and something bad happened From inside a soft golden glow filled the air with joy and longing Leo and Mia gave each other sly looks They both knew that magic was calling them back As they reached out to touch the burning pumpkin they let out a lot of air Its surface was warm and welcoming luring them into the shimmering portal that suddenly appeared in front of them They didn t think twice before taking each other s

hands and walking into the unknown When they came out to the other side they found out they were in a part of Pumpkin Ville that had never been seen before This was the Pumpkin Patch of Wishes in Pumpkin Ville where pumpkins got bigger and stronger Every pumpkin had a special ability it could make wishes come true Wanda a beautiful pumpkin fairy with a sparkle in her eye was there to meet them She told Leo and Mia about the cool things about this special patch and gave them the chance to make a wish but it had to be true and good for everyone Ready, Fire, Aim Melissa Carbone,2017-10-10 Entrepreneur Melissa Carbone scares people for a living and she does it so well she has her market cornered Melissa Carbone s company Ten Thirty One Productions creates immersive horror experiences with life like monsters and magic and other frights More than 500 000 guests have attended her attractions and they show no sign of slowing down But it wasn t always this way an activist and lifelong horror fan Melissa built her brand from the ground up and in order to do that she had to surmount her number one obstacle fear of failure Known for securing one of the largest investments in the history of the show from Mark Cuban on ABC s Shark Tank Melissa lives by the philosophy that it s important to dream epically and have the guts to jump for it And success has followed Collaborations and relationships with iconic industry and political leaders like Live Nation Legendary Pictures and the White House are just a small piece of the story In Ready Fire Aim How I Turned a Hobby Into an Empire Carbone shares her philosophy of embracing all the shots that hit and the ones that missed that enabled her to turn her hobby into an empire She will reveal the secrets tips and anecdotes that can help you turn your dreams for your career into your reality You will find inspiration to Choose boldly Choose to be in the top 1% of successful individuals every day Activate your ideas Activation is where millionaires and billionaires are made this is the key difference between the dreamers and those who have it all Kill the fear of failure Failure is the best way to prepare you for success Building your empire will require constant learning reinvention and growth Ready Fire Aim is the story of entrepreneurship that pushes you to live with the audacity to take the first shot *The Magical Costume* AQEEL AHMED,2023-09-19

Summary about this story Tommy was a young boy who was active and creative He lived in the beautiful and quiet town of Pumpkin Hollow which was surrounded by hills and forests that looked beautiful in the fall Pumpkin Hollow was known for its beautiful scenery especially during Halloween when the line between the real world and the magical was thinner and amazing things could happen Tommy has always loved Halloween so he was looking forward to the night when the ordinary becomes extraordinary The people in the town had a great time celebrating Halloween They decorated their homes with scary decorations put happy pumpkins on their doorsteps and baked pumpkin pies that filled the air with their smell As October got closer the joy was clear and Tommy s heart was full of eagerness While looking through his grandparents attic one sunny afternoon Tommy found an old dusty box hidden among things that had been forgotten He found a ghostly white dress with silvery threads that sparkled in the dim light The dress was made of many layers of fabric and thought When he put it on the fabric seemed to fit him perfectly making him look almost like a ghost Tommy liked how mysterious the outfit

made him feel so he kept it for himself He had no idea that this choice would make Halloween night the scariest one of his lives As the sun went down on Halloween night Tommy wore the great outfit and walked into a changed Pumpkin Hollow Children dressed as everything from evil ghouls to friendly witches marched through the streets which were lit up with lanterns and filled with scary music Tommy who was now a real ghost walked around town People were amazed by what they saw and couldn't believe what they were seeing On his way he stopped in the town square where he saw ghostly creatures dancing in the moonlight He joined their airy dance and felt like he had never felt before As word spread about the mystery ghost kids and adults gathered to hear Tommy talk about his trips to the spirit world His words made amazing pictures come to mind taking the listener on a trip to where he had been While it was still early in the night Tommy's spirit friends took him on a thrilling trip through Pumpkin Hollow They went into the scary forest where the bent trees cast strange shadows and ghostly animals hid in the dark The woods seemed full of magic and secrets that were just ready to be found out They found the famous Whispering Willow a tree that people say makes dreams come true on Halloween night Tommy told the tree his most sincere Halloween wish and the tree gave him lots of sweets and treats in return That night they had more adventures like when they found a secret cave full of sparkling crystals met a friendly black cat who led them through pumpkin patches and danced with the spirits Tommy was sad when the clock struck midnight which meant Halloween was over because he knew it was the end of his time as a real ghost With tears in his eyes he went back to his grandparents attic where the miraculous outfit was carefully kept Tommy was sure it would be there for him the next time he went out for Halloween In the years that followed people loved to tell stories about what Tommy did on Halloween in Pumpkin Hollow He kept wearing the magical shirt which had become a sign of his connection to the magical world of the town Tommy became known as the Pumpkin Hollow Halloween legend and kids came from all over to hear his stories This kept the magic alive Every year the costume gave him another night of wonder and reminded everyone that Halloween was a time when the world was full of secrets for those with open minds and a spirit of adventure As the years went by Tommy was still a respected figure in Pumpkin Hollow He was a living legend who embodied the spirit of the holiday The town kept having fun on Halloween and Tommy's stories made new generations think that the holiday could be magical So the story of Tommy the boy who once turned into a real ghost on Halloween night shone as brightly as the lights that lined the streets The magic of Halloween and the spirit of the costume lived on making new generations wonder and come up with new ideas Here's how the story starts Once upon a time a young boy named Tommy lived in the beautiful and quiet town of Pumpkin Hollow which was surrounded by red orange and gold colored hills and forests Pumpkin Hollow was a magical place where each season had its own special charm but the town really came to life during Halloween Pumpkin Hollow seemed to have a special connection to the mysterious and supernatural This connection grew stronger as October got closer making the air full of excitement Tommy was a boy who was always interested and full of wonder His family had lived in Pumpkin Hollow for many generations and

ever since he could walk he was interested in the stories about Halloweens past Pumpkin carving events hayrides through the woods at night and the famous Pumpkin Hollow Parade have been around for many years Every year he was excited for October to come because he knew it would bring him new activities and the chance to live in a town that was known for its Halloween parties As September turned into October Pumpkin Hollow changed The cold autumn air smelled like dropping leaves apples and a little pumpkin spice Trees that used to be green now wore red and gold robes and the wind made the leaves rustle like whispers Pumpkins of different sizes each turned into a happy jack o lantern with a burning light inside were left on people s doorsteps But Pumpkin Hollow wasn t just different because it changed on the outside It was the atmosphere the feeling that the air itself was magical Tommy could feel it and he and his friends spent their afternoons looking for buried treasures and secrets in the town s nooks and crannies that seemed just out of reach Tommy s family lived in a nice house that was hidden in an old oak wood on the edge of town His bedroom window looked out on a forest that was right next to Pumpkin Hollow He would often spend hours staring out the window and thinking about what was beyond the tree line It was a beautiful place with fireflies that danced at night and owls that hooted at the moon While looking through his grandparents attic one sunny afternoon Tommy found an old dusty trunk hidden under a pile of lost treasures He carefully opened the trunk and showed off a collection of old outfits with a gleam in his eye There were ragged pirate hats beautiful dresses with lace and silk and superhero capes in bright colors In all the layers of fabric and ideas one outfit stood out a ghostly white dress with silvery lines that seemed to shine in the dim attic light Tommy s heart skipped a beat as he reached out to touch it He liked the way the fabric felt and when he put it on it seemed to fit his small frame exactly When he looked in the broken mirror in the attic he saw himself as a real ghost He was almost clear and had a wispy ghostly look Tommy was curious and confused so he decided to keep the suit for himself It seemed to invite him into a world full of magic and exciting things to do He didn t know that what he did would lead to the scariest Halloween night of his life
