grownups of the household after crying out in his sleep and waking them In the earliest strips the dream event that woke him up would always be some mishap or disaster that seemed about to lead to serious injury or death such as being crushed by giant mushrooms being turned into a monkey falling from a bridge being held up by slaves or gaining 90 years in age Later on when Nemo finally did reach Slumberland he was constantly being woken up by Flip a character who originally wore a hat that had Wake Up written on it Flip would go on to be one of the comic s seminal characters Other notable recurring characters included Dr Pill The Imp the Candy Kid and Santa Claus as well as the Princess and King Morpheus Certain episodes of the strip are particularly famous These include the Night of the Living Houses wherein Nemo and a friend are chased down a city street by a gang of tenement houses on legs the Walking Bed in which Nemo and Flip ride over the rooftops on the increasingly long limbs of Nemo s bed and the Befuddle Hall sequence wherein Nemo and his friends attempt to find their way out of a funhouse environment of a Beaux Arts interior turned topsy turvy McCay s mastery of perspective and the extreme elegance of his line work make his visions graphically wondrous
